Dear Mr Peter

Re: Club Managers' Association, Australia Financial Reporting Obligations under Workplace Relations Act 1996

This is a courtesy letter to remind you of the financial reporting obligations of the abovenamed body under the *Workplace Relations Act 1996* ('the Act') for the financial year ended 31 December, 2002.

The legislative scheme set out in Part IX, Division 11 of the Act is directed at ensuring that a registered organisation or a branch of such an organisation discharges obligations of accountability to its members in relation to its financial affairs through proper and regular disclosure of financial information. The various steps of the financial reporting requirements must be carried out within the time-scales prescribed by the legislation so as to ensure the relevance of the financial information provided to the members.

Now that the financial year has ended, it is timely that you put in train the various steps of the financial reporting requirements. To assist you with this process I have enclosed for your information a notice summarising these requirements including the time-scales prescribed by the legislation.

Please note that a branch of an organisation may be exempted from the obligations arising under Part IX, Division 11 in respect of a financial year by satisfying a Registrar that the branch did not have any financial affairs during the financial year. An application under subsection 271A(1) of the Act must be made within 90 days (unless extended by a Registrar) after the end of the financial year.

Please do not hesitate to contact me on (02) 8374 6618 if you wish to discuss the financial reporting requirements, especially if you anticipate any difficulty in meeting any step in the time-scales prescribed.

Yours sincerely

Belinde Penne

Message from the Federal President

Dear Members.

Once again I am pleased to submit the Financial Statements for the year ended 31 December, 2002, which, for another year, show the Club Managers Association Australia to be in a strong financial position.

The success achieved by the Club Managers Association Australia this year could not have been attained without many factors successfully coming together.

Firstly, the contribution that you, the members make by participating in the many activities organised at the Career Development Centre factor strongly in the outcome. And, of course, the Board of Management Studies and staff whose expertise in sourcing comprehensive career advancement courses to assist club managers is unrivalled, I continue to offer my praise and congratulations.

A fundamental factor in the continuing success of the Career Development Centre is the sponsorship received from members of the trade. Their support is vital to the continuing education and training of club managers and ensures the ongoing success of the club industry.

To the Editor of Club Management in Australia, Andrew Dettre and Sales Manager, Judy Rayner, I offer our thanks for their specialised talents and the proficient manner in which they produce your Association's publication. This professional publication contains relevant information and stories that portray the essence of our industry.

A Federal Association requires many dedicated people to function successfully. I therefore extend my sincere appreciation to the Federal Executive, Federal Council and Zone Committees who work tirelessly for the success of the Club Managers Association Australia.

And to the people who ensure that all these factors merge together successfully, Executive Officer, Terry Condon, Administration Manager, Gerry Sarlemyn and all the staff at our Auburn headquarters. I extend my sincere appreciation and gratitude.

Jim Henry, OAM, ACCM Federal President

Independent Audit Report to the members of Club Managers Association Australia

Scope

We have audited the accounts of the Club Managers Association Australia for the year ended 31st December, 2002 as set out on the attached pages. The Federal Executive is responsible for the preparation and presentation of the accounts and the information they contain. We have conducted an independent audit of these accounts in order to express an opinion on them to the members of the organisation.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the accounts, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the accounts are presented fairly in accordance with Australian accounting concepts and standards and the Workplace Relations Act 1996 so as to present a view of the organisation which is consistent with our understanding of its financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion:

- satisfactory accounting records have been kept by the organisation so far as appears from our examination of these books, including:
 - (i) records of the sources and nature of the income of the organisation (including income from members); and
 - (ii) records of the nature and purposes of the expenditure of the organisation;
- (b) the accounts and statements prepared under section 273 of the Workplace Relations Act 1996 have been properly drawn up so as to give a true and fair view of:
 - (i) the financial affairs of the organisation as at the 31st December, 2002; and
 - (ii) the income and expenditure, and any surplus or deficit of the organisation for the year; and

CMA Annual Report 2002

(c) the accounts have been prepared in accordance with Statements of Accounting Concepts and applicable Australian Accounting Standards.

Where necessary we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

Notes to and Forming Part of the Financial Statements

Note 1 - Summary of Significant Accounting Policies

The accounts have been prepared in accordance with the accounting standards issued by the Australian Accounting bodies. The accounts are prepared in accordance with the historical cost convention and do not take into account changing money values, or except where stated, current valuations of non-current assets. The accounting policies have been consistently applied unless otherwise stated.

(a) Property Plant & Equipment

Property plant and equipment are included at cost or at independent valuation. All fixed assets including buildings and capitalised leased assets, but excluding freehold land, are depreciated over their estimated useful lives commencing from the time the asset is held ready for use.

(b) Inventories

Inventories are valued at the lower of cost and net realisable value. Costs are assigned on a first in first out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.
