The Registry has received your declaration dated 9 March 2006 providing information in accordance with subsection 233 of Schedule 1B of the *Workplace Relations Act 1996* (the RAO Schedule). The documents were lodged in the Industrial Registry on 16 March 2006.

The documents lodged cover the following information:

- Number of members and employees as at 31 December 2005.
- List of offices of the organisation and its branches and of the persons holding those offices.
- The addresses of the offices of the organisation and its branches.

These documents meet the requirements of the RAO Schedule.

You indicated in your covering letter that a declaration in relation to the maintenance of the register of members will be provided in early May 2006.

The documents lodged also did not include a statement declaring any offices for which elections must be held according to your organisation's rules during the year commencing 1 January 2006. You are reminded that such a statement is required under s233(b) of the RAO Schedule and regulation 147(e) of the Workplace Relations (Registration and Accountability of Organisations) Regulations 2003.
