Dear Mr Husic

**Re: Annual Return of Information Contained In Records Kept By Organisation –
Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and
Allied Services Union of Australia (AR2007/391)**

The Registry has received your declaration dated 29 March 2007 providing information in accordance with subsection 233 of Schedule 1B of the *Workplace Relations Act 1996* (the RAO Schedule). The documents were lodged in the Industrial Registry on 29 March 2007.

The documents lodged cover the following information:

- Number of members and employees as at 31 December 2006
- List of offices of the organisation and its branches and of the persons holding those offices.
- The addresses of the offices of the organisation and its branches.

These documents meet the requirements of the RAO Schedule.

You indicated in your covering letter that a declaration in relation to the maintenance of the register of members will be provided in early May 2007.

The documents lodged also did not include a statement declaring any offices for which elections must be held according to your organisation's rules during the year commencing 1 January 2007. You are reminded that such a statement is required under s233(b) of the RAO Schedule and regulation 147(e) of the Workplace Relations (Registration and Accountability of Organisations) Regulations 2003.

If you have any queries please do not hesitate to contact me on 8374 6607 or chrishantha.ratnasingh@air.gov.au.

Yours sincerely

Dear Mr McCarney

Notification of Changes to Records

Receipt is acknowledged of a notice regarding the change of address of the CEPU, Plumbing Division, NSW Branch, which was lodged in the Registry on 12 March 2008.

We have amended our electronic records, however I draw your attention to section 233(2) of Schedule 1 of the *Workplace Relations Act 1996* which states:

(2) An organisation must, within the prescribed period, lodge in the Industrial Registry notification of any change made to the records required to be kept under paragraphs 230(1)(b), (c) and (d), certified by declaration signed by the secretary or other prescribed officer of the organisation to be a correct statement of the changes made.

To properly comply with the legislation, the Association should lodge a notification which includes a declaration, signed by the Secretary, that "the notification is a correct statement of the changes made". All future notifications should also comply with this requirement.

Yours sincerely
