Dear Mr Enright

**CEPU Annual Return for reporting periods 31 Dec 2010-31 Dec 2016**

I refer to the above and to our previous correspondence. I enclose by way of lodging:

- declaration amending the CEPU's annual returns.

The enclosed declaration is modelled on the template return published by the Registered Organisations Commission (ROC) and amends the membership figures to reflect the results of the audit process detailed below. I advise that a copy of this amending declaration will be posted to the CEPU's website.

As you are aware, in response to the Fair Work Commission (FWC) questioning the validity of the reporting of CEPU membership figures,<sup>1</sup> the CEPU instigated an independent audit of the membership figures reported in our annual returns and committee of management operating reports for the years ended 31 December 2013-31 December 2015 and 31 March 2013-2015 respectively. On 11 November 2016, the CEPU provided the FWC with the report of the independent audit, which included a table showing the variance between the reported membership figures and the audited number of total members for those reporting periods.

On 16 March 2017 the FWC wrote to the CEPU expressing dissatisfaction with the timeframe of the first audit only covering the three years of reporting periods. On 13 April 2017 the CEPU responded to the concerns expressed by the FWC and advised we would be conducting a second audit adopting the FWC terms of reference in the 16 March correspondence (Annexure E), excluding redoing the audit for 31 December 2013 to 31 December 2015. We further advised the FWC that each Division would be engaging their own auditor to conduct the second round of audits.

As a consequence of the second round of independent audits, on 11 December 2017, the CEPU National Council, at its annual meeting, authorised the submission of a declaration to the ROC, which now has responsibility for this matter, to correct the figures reported in the annual returns for total members as at 31 December 2010-31 December 2016.

Yours faithfully

Allen Hicks

**From:** KELLETT, Stephen  
**To:** [REDACTED]  
**Subject:** Annual return of information - s233(1)(a) - declaration re maintenance of register of members - rule 50(c)  
**Date:** Monday, 17 March 2014 11:07:00 AM

---

Dear Mr Dwyer,

Further to my telephone call this morning I write regarding your advice, in your letter dated 28 February 2014, that a declaration that the register of members has been kept and maintained as required by paragraphs 230(1)(a) and 230(2) will be provided in early May 2014 following advice from Branches in accordance with sub-rule 50(c) of the Divisional Rules.

As I explained, because sub-rule 50(c) provides that the information required to make the declaration will be forwarded by Branch Secretaries to the Divisional Secretary in the 28 days after the end of the financial year (i.e. after 31 March), a strict reliance on this sub-rule means the Division would not lodge the declaration about the maintenance of the Register of members within the three month period prior to 31 March, as prescribed by regulation 149.

The declaration that the Register of Members has been kept and maintained is in respect of the immediately preceding calendar year. This means that there should ordinarily be no difficulty in Branch Secretaries in making and forwarding you their respective statements within the period from 1 January to 31 March, and indeed they must do so if the Division is to be able to comply with the Act for the purposes of lodging a complete return within the prescribed period.

All other documents required by the Act and regulations for the annual return have been lodged, and I would ask that the Division lodge its declaration re the Register of members, pursuant to s233(1)(a) by the 31<sup>st</sup> March. The return will then be filed.

Yours sincerely

FAIR WORK  
COMMISSION

17 March 2014

Mr Dan Dwyer  
Divisional Secretary  
CEPU  
Level 9, 365 Queen Street  
MELBOURNE VIC 3000

Dear Mr Dwyer,

**Re: Annual Return of Information Contained in Records of Organisation - s233 Fair Work (Registered Organisations) Act 2009 - Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (AR2014/74)**

I refer to the statutory return information lodged pursuant to sub-section 233(1) of the *Fair Work (Registered Organisations) Act 2009* („the Act“) with the Fair Work Commission on 28 February 2014.

The return and declarations covered the following information:

- A list of the offices in the Communications Division, as required by paragraph 230(1)(b);
- The names, postal addresses and occupations of the persons holding offices in the Communications Division, as required by paragraph 230(1)(c);
- A statement in relation to elections in the Communications Division, as prescribed by regulation 147(e) under paragraph 230(1)(d);
- The number of members in the Communications Division as at 31 December 2013, as prescribed by regulation 147(f) under paragraph 230(1)(d);
- A declaration that the information provided in relation to the records required to be kept under subsections 230(1)(b), (c) and (d), in respect of the Communications Division, is a correct statement of the information contained in those records.

I note your statement that a declaration that the register of members has been kept and maintained as required by paragraphs 230(1)(a) and 230(2) will be provided in early May 2014 following advice from Branches in accordance with sub-rule 50(c) of the Divisional Rules.

I have considered this delay and sub-rule 50(c) and how this sub-rule might affect the ability of the Division to comply with the requirement of paragraph 233(1)(a) that the declaration be lodged within the period of three months beginning on 1 January, prescribed by regulation 149. It is not clear, on careful reading, that compliance with sub-rule 50(c) would necessarily exclude compliance with paragraph 233(1)(a). If it does, then clearly the obligation to comply with the Act cannot be said to be replaced or modified by compliance with the sub-rule, and consideration to amending the relevant rule(s) might be advised.

Sub-rule 50(c) provides for Branches to forward to the Divisional Secretary a statement that the Register of Members has been maintained “*during the preceding year*” “*within 28 days of the end of the financial year*”, that is, within 28 days of 31 March. It is not clear what the phrase “preceding year” refers to. If it refers to the preceding financial year, then this is a different

period from that specified in paragraph 233(1)(a) which refers to "*the immediately preceding calendar year*", that is, ending 31 December. In that case, sub-rule 50(c) could be said to serve a purpose that is additional to, and somewhat distinct from, the statutory declaration required by the Act.

If it refers to the preceding calendar year, then it is not clear why the statements by the Branch Secretaries are only required in the month after the expiry of the prescribed period for lodgement of the Division's declaration, and which is the fourth month after the end of the period to which the statements relate.

At any rate it seems clear that Branch Secretaries could be expected to be in a position to be able to make statements about the maintenance of the register of members during and up to the end of the previous calendar year well within the prescribed period, that is, prior to 31 March.

If sub-rule 50(c) was intended to provide a mechanism by which the Division could make a declaration for the purposes of paragraph 233(1)(a), then it is inconsistent with the prescribed period.

I welcome any advice on the intent and effect of the rule in the light of my comments that might clarify or address the issue.

The declaration in relation to the maintenance of the Register of Members as required by paragraph 230(1)(a) and sub-section 230(2) is the only information remaining outstanding. I will file the entire return for the organisation, including the information provided by the Division, upon receipt of that declaration.

Yours sincerely

26 February 2014

Mr Allen Hicks  
National Secretary  
Communications, Electrical, Electronic, Energy, Information, Postal,  
Plumbing and Allied Services Union of Australia

Sent by email: [REDACTED]

Dear Mr Hicks

**Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia  
Annual Return of Information for 2014 [AR2014/74]**

This is a courtesy letter to remind you of the obligation to lodge an Annual Return of Information for 2014 in respect of the above by **31 March 2014**.

A signed and dated declaration certifying matters prescribed in the *Fair Work (Registered Organisations) Act 2009* [the 'RO Act'] must be lodged with the Fair Work Commission ('the Commission') by that date. The matters to be included in the declaration are set out in the attached checklist.

The declaration must be signed by the Secretary, or where applicable, such other elected official who is required under the rules or by resolution of the organisation, to keep the relevant records (other prescribed officer). A declaration signed by a non-elected person does not meet this requirement. The Secretary or other prescribed officer must also notify the Commission within 35 days of any changes to such records.

Once an Annual Return or change of records has been lodged, a copy will be posted on the Commission's website at [www.fwc.gov.au](http://www.fwc.gov.au)— under [Registered organisations - List of registered organisations](#). In order to protect the privacy of the relevant office holders listed in the declarations, you may wish to list their official mailing address rather than personal home address.

The Commission encourages you to lodge all returns electronically e.g. as pdf or tif files at [orgs@fwc.gov.au](mailto:orgs@fwc.gov.au). Please ensure that emailed documents include signatures where required.

**Please note: failure to comply with these obligations is subject to a civil penalty provision** (up to \$33,000 for a body corporate and \$6,600 for an individual per contravention), see s.305 of the RO Act. Further, in maintaining the register of members, your attention is drawn to s.171A of the RO Act that outlines the circumstances where membership ceases to exist.

Should you seek any clarification in relation to the above, please contact Mr Robert Pfeiffer on (03) 8661 7936 or via email at [REDACTED]

Yours sincerely

Ingrid Fraser  
Adviser  
Regulatory Compliance Branch

### Obligation to lodge Annual Return of Information by 31 March

For full details see ss.230-233 of the *Fair Work (Registered Organisations) Act 2009* (the 'RO Act'), and rr.147-151 of the *Fair Work (Registered Organisations) Regulations 2009* (the 'RO Regulations').

A copy of each of the following records must be lodged with the Fair Work Commission ('The Commission') between 1 January and 31 March each year. They must be certified by a declaration stating that it is a correct statement of the information contained in that record, signed by the Secretary or such other elected official who is required under the rules, or by resolution of the organisation, to keep the relevant records (**other prescribed officer** see r.150 of the RO Regulations).

**Failure to comply with these obligations is subject to a civil penalty provision – see s.305 of the RO Act.**
