Dear Mr Enright

CEPU Annual Return for reporting periods 31 Dec 2010-31 Dec 2016

I refer to the above and to our previous correspondence. I enclose by way of lodging:

- declaration amending the CEPU's annual returns.

The enclosed declaration is modelled on the template return published by the Registered Organisations Commission (ROC) and amends the membership figures to reflect the results of the audit process detailed below. I advise that a copy of this amending declaration will be posted to the CEPU's website.

As you are aware, in response to the Fair Work Commission (FWC) questioning the validity of the reporting of CEPU membership figures,¹ the CEPU instigated an independent audit of the membership figures reported in our annual returns and committee of management operating reports for the years ended 31 December 2013-31 December 2015 and 31 March 2013-2015 respectively. On 11 November 2016, the CEPU provided the FWC with the report of the independent audit, which included a table showing the variance between the reported membership figures and the audited number of total members for those reporting periods.

On 16 March 2017 the FWC wrote to the CEPU expressing dissatisfaction with the timeframe of the first audit only covering the three years of reporting periods. On 13 April 2017 the CEPU responded to the concerns expressed by the FWC and advised we would be conducting a second audit adopting the FWC terms of reference in the 16 March correspondence (Annexure E), excluding redoing the audit for 31 December 2013 to 31 December 2015. We further advised the FWC that each Division would be engaging their own auditor to conduct the second round of audits.

As a consequence of the second round of independent audits, on 11 December 2017, the CEPU National Council, at its annual meeting, authorised the submission of a declaration to the ROC, which now has responsibility for this matter, to correct the figures reported in the annual returns for total members as at 31 December 2010-31 December 2016.

Yours faithfully

Allen Hicks

NATIONAL OFFICE

Please be advised of a change to the office holders in the Victorian Branch of the CEPU Electrical, Energy and Services Division. These changes are the result of the first tier quadrennial elections declared on 20 July 2015.

I am aware that these changes to officer holders should have been notified within 35 days of the election declaration but due to a misunderstanding between the Divisional Office and the Victorian Branch Office, the notice was overlooked. I apologise for this oversight and request an extension of time to notify the changes to these office holders.

Due to a misunderstanding as to the requirement to report changes to office holders as a result of quadrennial elections, this notice is being lodged out of time. It was my understanding that the notice provided by the Australian Electoral Commission to the FWC of the outcome of elections, served as notice of any changes to office holders. However, after seeking advice from the FWC, I am now aware that this is not the case. Please accept my apologies for this.

Dear Mr Hicks,

Annual Return of Information for 2015 [AR2015/61]

I refer to my letter dated 2 April 2015, and the emailed reply of Annette Moran on 15 April 2015, in relation to the list of offices of the NSW (Electrical) Divisional Branch, as provided in the 2015 annual return for the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia.

As requested, Ms Moran confirmed that the title "Assistant To The Secretary" is an appointed position within the NSW Divisional Branch of the Electrical Division, rather than an elected office.

When preparing future annual returns, could you please ensure that any non-elected positions are not included within the requisite lists of office holders.

Yours sincerely

Hi Carolyn

With respect to the following question in your attached correspondence:

"I note that within the list of office holders for the Electrical Energy and Services Division, NSW Branch (on page 13 of the annual return), Poul Sinclair is listed as "Assistant to the Secretary". I was unable to find an office of that title in the rulebooks. Could you confirm by way of a brief email whether the "Assistant to the Secretary" is an elected office or an appointed position."

I advise you are right "Assistant to the Secretary" is an appointed not an elected position and was included in the Annual Return by mistake.

Kind regards, Annette

BRANCH SECRETARIES, as addressed -

Dear Colleague,

RE: REGISTER OF MEMBERS

Last year, I draw to your attention to the provision of sub-rule 50(c) which states:-

"Within 28 days of the end of the financial year pursuant to Rule 29 each Branch Secretary shall forward to the Divisional Secretary a statement to the effect that during the preceding year the Register of Members was maintained in accordance with this Rule."

I was approached by the Fair Work Commission indicating that the rule is not in line with the Fair Work (Registered Organisations) Act 2009. The Act requires us to file a declaration that the Register of Members has been maintained in accordance with the rules by 31 March each year.

Further, The National Secretary wishes to file a similar statement with the Fair Work Commission.

In order that I and the National Secretary can lodge the necessary statutory declaration pursuant to Section 233(1) of the RAO Schedule, could you forward your statement by Friday 20th February, 2015. We will file the return in time with the results that we have.

Yours fraternally,

Dan Dwyer,
DIVISIONAL SECRETARY.

Communications, Electrical, Electronic, Energy, Information, Postal,
Plumbing and Allied Services Union of Australia
Sent via email: [REDACTED]

Dear Mr Hicks,

**Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia
Annual Return of Information for 2015 [AR2015/61]**

I refer to our letter dated 20 February 2015 reminding you of the obligation to lodge an Annual Return of Information for 2015 by **31 March 2015**. While the organisation has until the end of the month in which to lodge the information, we provide the following as a second and final reminder. Please ignore this letter if you have lodged the Annual Return for 2015 in the last few days.

A signed and dated declaration certifying matters prescribed in the *Fair Work (Registered Organisations) Act 2009* [the 'RO Act'] must be lodged with the Fair Work Commission ('the FWC') by that date. The matters to be included in the declaration are set out in the attached checklist.

The declaration must be signed by the Secretary or such other elected official who is required under the rules or by resolution of the organisation to keep the relevant records. A declaration signed by a non-elected person does not meet this requirement. The Secretary or other prescribed officer must also notify the FWC within 35 days of any changes to such records.

Once an Annual Return or change of records has been lodged, a copy will be posted on our website under [Registered organisations - List of registered organisations](#). In order to protect the privacy of the relevant office holders listed in declarations, you may wish to list their official mailing address rather than personal home address.

We encourage you to lodge all returns electronically e.g. as pdf files at orgs@fwc.gov.au. Please ensure that emailed documents include signatures where required.

Please note: failure to comply with these obligations is subject to a civil penalty provision (up to \$51,000 for a body corporate and \$10,200 for an individual per contravention) - see s.305 of the RO Act. Further, in maintaining the register of members, your attention is drawn to s.171A of the RO Act that outlines the circumstances where membership ceases to exist.

Please do not hesitate to contact me on (03) 8661 7936 or by e-mail at robert.pfeiffer@fwc.gov.au if you wish to discuss the requirements outlined in this correspondence.

Yours sincerely,

Robert Pfeiffer
Senior Adviser
Regulatory Compliance Branch

Obligation to lodge Annual Return of Information by 31 March

For full details see ss.230-233 of the *Fair Work (Registered Organisations) Act 2009* (the 'RO Act'), and rr.147-151 of the *Fair Work (Registered Organisations) Regulations 2009* (the 'RO Regulations').

A copy of each of the following records must be lodged with the Fair Work Commission ('The Commission') between 1 January and 31 March each year. They must be certified by a declaration stating that it is a correct statement of the information contained in that record, signed by the Secretary or such other elected official who is required under the rules, or by resolution of the organisation, to keep the relevant records (**other prescribed officer** see r.150 of the RO Regulations).

Failure to comply with these obligations is subject to a civil penalty provision – see s.305 of the RO Act.

Dear Mr Hicks,

**Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia
Annual Return of Information for 2015 [AR2015/61]**

This is a courtesy letter to remind you of the obligation to lodge an Annual Return of Information for 2015 in respect of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia by **31 March 2015**.

A signed and dated declaration certifying matters prescribed in the *Fair Work (Registered Organisations) Act 2009* [the 'RO Act'] must be lodged with the Fair Work Commission ('the FWC') by that date. The matters to be included in the declaration are set out in the attached checklist.

The declaration must be signed by the Secretary, or where applicable, such other elected official who is required under the rules or by resolution of the organisation, to keep the relevant records (other prescribed officer). A declaration signed by a non-elected person does not meet this requirement. Further, you are reminded that the Secretary or other prescribed officer must also notify the FWC within 35 days of any changes to such records that may occur throughout the year.

As previously advised, section 233 places the onus of lodgement on the organisation and not on each individual branch. It is therefore the national body that is obliged to collate and lodge all of the required information. Annual Return templates are available on the FWC website at [Registered Organisations fact sheets](#), one for an organisation with branches and one for an organisation without branches.

Once an Annual Return or change of records has been lodged, a copy will be posted on our website at [List of Registered Organisations](#). Therefore, to protect the privacy of the relevant office holders listed in the declarations, it is recommended that officers list their official mailing address rather than personal home address.

We encourage you to lodge all returns electronically (e.g. as pdf file) at orgs@fwc.gov.au. Please ensure that emailed documents include signatures where required.

Please note: failure to comply with these obligations is subject to a civil penalty provision (up to \$51,000 for a body corporate and \$10,200 for an individual per contravention), under s.305 of the RO Act. Finally, in maintaining the register of members, your attention is drawn to the circumstances where membership ceases to exist (s.230(2)(b) and s.171A of the RO Act).

Please do not hesitate to contact me on (03) 8661 7936 or by e-mail at robert.pfeiffer@fwc.gov.au if you wish to discuss the requirements outlined in this correspondence.

Yours sincerely,
