Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe.

Thank you for your correspondence.

Yours faithfully,

Sam Gallichio
Registered Organisations Commission

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe.

Thank you for your correspondence.

Yours faithfully,

Dear Mr Hicks,

Declaration and information lodged under subsection 233(1) [Annual Return] for 2018 [AR2018/57]

I acknowledge receipt by the Registered Organisations Commission (the ROC) on 29 March 2018 of your organisation's Annual Return which provides information under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

Thank you for providing your Annual Return.

The documents lodged provide most of the required information for the 2018 Annual Return of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (the CEPU).

The Annual Return has been filed and no further action is required in relation to this year's annual return. Annual Returns are publicly available on the website through the [List of Registered Organisations](#).

The ROC aims to help organisations comply with all the requirements of subsection 233(1) of the RO Act. I make the following comments to assist with future lodgements:

- The declaration and the list of office holders indicate that the list of office holders provided was current as at 31 December 2017. The ROC's interpretation of the requirement to lodge the list of office holders is that it refers to the **current list of office holders**, as at the date the declaration is signed. Any changes to that list of office holders, lodged within 35 days of the change and published to the ROC website, would then be easier for viewers to follow.

The ROC will examine next year's Annual Return to confirm that the list of office holders is current as at the date of declaration. Please ensure that a current list of office holders is provided in next year's annual return.

In order to assist organisations to fully comply with the requirements of subsection 233(1) of the RO Act a template Annual Return is available on the [fact-sheets](#) page of our website. The CEPU is encouraged to use this template.

Notifications of Change

Any changes to these records must be notified to the ROC within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. The CEPU is encouraged to use this template if any changes occur.

The ROC will accept notifications of change from the relevant branches or from the national office. If the national office of the CEPU does NOT intend to file notifications of change, please ensure that all branches are aware of their continuing obligation to notify changes and the requisite time frames within which that must happen.

If a branch lodges a notification of change with the ROC, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233 of the RO Act.

If you have any queries regarding this correspondence I can be contacted on 1300 341 665 or by email at regorgs@roc.gov.au

Yours faithfully

Dear Mr Hicks,

**Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia
Annual Return of Information for 2018 [AR2018/57]**

I refer to our letter dated 1 February 2018 reminding you of the obligation to lodge an Annual Return of Information (Annual Return). Please ignore this letter if you have lodged the Annual Return in the last few days.

When must you lodge the Annual Return?

The Annual Return 2018 must be lodged no later than **31 March 2018**.

What must you lodge?

Two signed declarations certifying matters prescribed in the Fair Work (Registered Organisations) Act 2009 (the RO Act) must be lodged along with copies of some of your records. The required declarations and records are set out in the table that follows this letter.

Please refer to our previous correspondence which provides information about maintaining the register of members, a recommendation that private information not be provided and which explains who must sign the declarations.

Consider using the ROC's template

The ROC provides a template Annual Return for an organisation without branches and a template Annual Return for an organisation with branches on our [Factsheets, templates and webinars](#) page. We recommend that you use this template to ensure that you make the correct declarations and include all the required information.

Failure to comply

Failure to comply with these obligations exposes your organisation to financial penalties (up to \$63 000 for a body corporate and \$12 600 for an individual per contravention), under s.305 of the RO Act.

Need more information?

If you require further information about an Annual Return you can refer to the [Annual returns](#) page on our website and, in particular, our Webinar slides. You can also contact the ROC by phone on 1300 341 665 or by e-mail at regorgs@roc.gov.au.

Yours sincerely

Sam Gallichio
Adviser
Registered Organisations Commission
