**Post Election Report For: Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia
Communications Division
Election E2011/2512**

I refer to the above election for your organisation.

Section 197(1) of Schedule 1 of the Fair Work (Registered Organisations) Act 2009 requires the AEC to provide a written report on the conduct of the election to Fair Work Australia and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of Schedule 1 requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the Fair Work (Registered Organisations) Act 2009 requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

ELECTION/S COVERED IN THIS REPORT

Election Decision No/s: *E2011/2512*

RULES

Rules used for the election: [128V-COM: - Incorporates alterations of 15 April 2011 certified in matter R2011/42]

Rules difficult to apply/interpret: ***19(b)(ii) Candidates for Divisional Assistant Secretaries shall be members of the Division***

Should be Industry Group as per Rules 19(c) and 21(b).

23(j)(i) after the closing date of the ballot ...open the envelope referred to in (j)(ii) above

23(j)(ii) refers to the random signature check.
23(g)(ii) refers to the reply paid envelope which appears to be the correct reference.

67(d)((vi)(A)

After the closing date of the ballot in the presence of scrutineers appointed pursuant to Rule 72(c) open each envelope

Rule 72(c) Relates to having regard to medical evidence when considering extraordinary branch vacancies.

Rule 71(c) is the correct reference to scrutineers for branch elections.

Rule 25 Relates to Scrutineer appointment

66(a)In part: No person shall be eligible to be nominated for or elected to any office or position unless such person shall have been a continuously financial member of the Branch for a period of not less than 12 months immediately prior to the closing date of nominations.

There were conflicting opinions about the meaning of "continuously financial", and how

this related to members who had moved between Industry Sections within the Branch. The rule is relatively clear in that it only requires continued financiality with respect to the Branch. One particular case was considered at some length, regarding a nominee who had moved between Industry Sections, to determine if a delay in the change to a higher membership rate affected the member's financiality. The member in question was deemed to be "continuously financial", and his nominations were accepted.

67(a) The positions referred to in 68(b) and (c) shall be elected by secret postal ballot of financial members of the relevant Industry Section.

68(b) refers to Filling Branch Vacancies- Short Term

68(c) does not exist

The correct references appear to be 76 (b) and (c) and 76A (b) and (c) which refer to Branch Committee of Management for the NSW and Victorian Postal and Telecommunications Branches and Telecommunications and Services Branches.

75(e)

"Branch Vice Presidents and Sectional Representatives shall be elected from the members comprising the respective Industry Sections as provided in Rule 46."

The intent of this rule seems to be to limit the electorate for Branch Vice President and Sectional Representatives to the members of the respective Industry Sections, though it fails to specifically do this. The term "from" indicates that *nominees* must be from the respective Industry Section, however there is no use of the term "by", which relates directly to the *electorate* (see rule 75(d) for an example of "by and from").

Model Rule reference (if any):

N/A

ROLL OF VOTERS

Total number of voters on the Roll:	25,576
Number of apparent workplace addresses:	436
Number of non-current addresses:	24

Other matters pertaining to the roll of voters: Affirmative Action- some branches do not include gender in the membership records- difficult to apply when can only refer to member's title (Mr/Mrs etc) there were some cases in WA where the RO was required to get further information from the union. In a couple of cases, names which are common to one gender had the salutation for the other gender. The union should include the gender of each member in their records.

IRREGULARITIES

Details of written allegations of irregularities, and action taken by AEC: Nil

Other irregularities identified, and action taken: The posting of ballot material in Queensland was delayed by 1 day due to a shortage of material at the mailhouse. With a ballot period of 1 month, this was not deemed to have had any effect on the ballot.

s.189 – Arrangement for conduct of an election

Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia
(E2011/2512)

TIM LEE

MELBOURNE, 19 APRIL 2011

Arrangement for conduct of an election - amending decision.

[1] On 23 March 2011 the Delegate of the General Manager issued a Decision to allow for the conduct of elections for various offices of the Communications Division of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia in notification E2011/2512.

[2] On 15 April 2011 an alteration to Rule 76A of the Communications Division's rules was certified by the Delegate of the General Manager. Effective from 1 August 2011 the rule alteration results in the abolition of the office of *Victorian Branch Vice President* in both the Technical Industry Section and the Operator Industry Section respectively within the Victorian Telecommunications and Services Branch of the Communications Division. The two positions are to be replaced by a single new office of *Victorian Branch Vice President* within the Victorian Telecommunications and Services Branch of the Communications Division.

[3] On 18 April 2011 the Communications Division of the above named organisation lodged an amended prescribed information in relation to the conduct of the election for E2011/2512 to reflect the new rule change outlined in paragraph [2] above. Accordingly, the Decision of 23 March 2011 is amended by replacing the two offices for the position of Victorian Branch Vice President within the specified industry sectors to a single position of Victorian Branch Vice President within the Victorian Telecommunications and Services Branch as follows:

Victoria Telecommunications and Services Branch

Branch President
Branch Secretary
Branch Assistant Secretary
Branch Vice President

Technical Industry Section

Divisional Executive Member
Branch Committee of Management Member (9)
Divisional Conference Delegate (2)

Operator Industry Section

Divisional Executive Member

Branch Committee of Management Member

Divisional Conference Delegate

[4] I am satisfied that an election for the abovenamed office is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

Dear Mr Thiele,

I refer to the statements containing Prescribed information in relation to the forthcoming Divisional Branch Elections, which you lodged on 1 February 2011 (the original) and 4 March 2011 (amended).

I have two queries. First, in relation to the position of the Divisional Conference Delegate for the Postal Services Industry Section of the Victorian Postal and Telecommunications Branch: the original PI listed 3 positions and included the audited membership figure 4635. This appeared to me to be correct because rule 5(d) provides for one delegate for every 2,000 members or part thereof for each section. Yet your amended PI altered this to "2".

Second, in relation to the position of Branch Committee of Management Member for the Postal Services Industry Section of the Queensland Branch: the original PI listed 2 positions but included a letter dated 11 January 2011 by Phil Hughes in which he reports a resolution to have "4 (four) from the Postal Industry Section". It appears to me that the PI should have reflected this and listed "4".

Can you advise me of your views on both these positions?

Yours sincerely

Subject: Attention Mr Cameron Thiele - Divisional Branch Elections

Dear Mr Thiele,

I refer to the statements containing Prescribed information in relation to the forthcoming Divisional Branch Elections, which you lodged on 1 February 2011 (the original) and 4 March 2011 (amended).

I have two queries. First, in relation to the position of the Divisional Conference Delegate for the Postal Services Industry Section of the Victorian Postal and Telecommunications Branch: the original PI listed 3 positions and included the audited membership figure 4635. This appeared to me to be correct because rule 5(d) provides for one delegate for every 2,000 members or part thereof for each section. Yet your amended PI altered this to "2".

Second, in relation to the position of Branch Committee of Management Member for the Postal Services Industry Section of the Queensland Branch: the original PI listed 2 positions but included a letter dated 11 January 2011 by Phil Hughes in which he reports a resolution to have "4 (four) from the Postal Industry Section". It appears to me that the PI should have reflected this and listed "4".

Can you advise me of your views on both these positions?

Yours sincerely

I refer to our letter dated 1 February 2011 regarding Conduct of Elections.

It would be appreciated if the information could be amended to reflect this.

Dear Mr. Jenkins,

RE: REQUEST FOR THE CONDUCT OF ELECTIONS

In accordance with Section 189 of the Fair Work (Registered Organisations) Act 2009, the Communications Division of the CEPU requests the Industrial Registrar to arrange for the conduct of Elections.

There is currently a significant rule change under consideration by the Industrial Registrar which will alter the positions for Election within the Communications Division.

Accordingly, the written statement details the prescribed information on the assumption that the rule changes are certified.

It would be appreciated if your office could arrange for the conduct of the Elections at your earliest convenience.

Branch President

Graham Lorrain
Branch Secretary

Dear Colleague,

At our Branch Committee of Management meeting held on the 8th December 2010 the following motion was carried regarding our BCOM numbers going into next years election –

“The SA/NT Branch Committee of Management resolves to reduce the number of delegates elected to both the Postal Industry Section and the Telecommunications & Information Technology Industry Section by two in each section. Further, the Branch Secretary is authorised to advise the Divisional Secretary to take appropriate action to change the Divisional Rules to reflect this decision in time for the 2011 Branch elections. The new Industry section structures will each consist of 6 delegates (**instead of 8**) and take effect from 1st August 2011, for a four year term of office.”

The above motion therefore reduces both the Postal Industry Section and the Telecommunications & Information Technology Industry sections by 2 to 6 which covers or BCOM requirement for Rule 75(g).

Please contact me at any time if you require any further information.

Yours sincerely,

Graham Lorrain

Dear Cameron,

Re: Branch Elections 2011

At our most recent BCOM held on Wednesday 8 December 2010 the committee discussed and endorsed unanimously the following recommendation:-

"That for the purposes of the 2011 Branch Elections the following positions be those notified to the Divisional Secretary as required for the Branch Committee of Management, Western Australian Branch of the CEPU Communications Division.

Branch President – Honorary;

3 Branch Vice Presidents – Honorary (1 Telecommunications – 1 Postal – 1 Affirmative Action);

6 Postal Industry Section;

6 Telecommunications Industry Section".

Also as part of these discussions the BCOM is seeking that the following rule change be put to a vote of conference delegates and be endorsed, this rule change was also supported unanimously:-

"That the Branch Committee of Management, CEPU Communications Division Western Australia resolves to amend rule 75 of the registered rules of the Communications Division of the Communications, Electrical, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (Branch Management – Queensland, South Australia/Northern Territory, Western Australia and Tasmania) for the purposes of the Branch elections that are due to be held in 2011, this amendment shall be that for the purposes of Branch Management in Western Australia, the new rule shall read:

Western Australia: Branch Secretary, Branch Assistant Secretary

The new rule 75 of the registered rules of the Communications Division of the Communications, Electrical, Energy, Information, Postal, Plumbing and Allied Services Union of Australia shall read as follows;

Provided that any person elected to an office which has been declared a full-time office shall be elected for a term of office of four (4) years. For the purposes of Branch administration the following Branch offices shall be declared full-time positions:

 - Western Australia: Branch Secretary, Branch Assistant Secretary;
 - Tasmania: Branch Secretary.
- (c) The Branch President, Branch Secretary and Branch Assistant Secretary shall be elected by ballot of the financial members of the Branch.
- (d) Notwithstanding sub-rule (b), in the Branch Committees of Management of the Queensland, South Australia/Northern Territory and Western Australian Communications Division Branches, there shall be an additional Branch Vice President Affirmative Action on and from 1 August 2007 who shall be nominated by and from the female members of each Branch and elected by the financial members of each Branch.
- (e) Branch Vice Presidents and Sectional Representatives shall be elected from the members comprising the respective Industry Sections as provided in Rule 46.

- (h) At Branch Committee of Management meetings a quorum shall not be present unless a majority of the Committee of Management members are present. If the required number of members be not present thirty (30) minutes after the advertised time of commencement, the meeting shall lapse. Each Branch Committee of Management member shall have a deliberative vote.
- (i) During the intervening period between meetings of the Branch Committee of Management any matters of an emergent nature shall be decided by a telephonic, telegraphic, facsimile machine or postal ballot of Branch Committee of Management Members. The result of such ballot shall be notified to Branch Committee of Management Members within fourteen (14) days of the date set for the closing of the ballot.
- (j) Provided that further there shall be a Branch Executive comprising the Branch President, Branch Secretary, Branch Assistant Secretary (except in the Queensland Communications Division Branch) and Branch Vice Presidents. A majority of the Branch Executive shall constitute a quorum. The minutes of any Branch Executive meetings shall be notified to the Branch Committee of Management within fourteen (14) days of the Branch Executive meeting. The Branch Executive shall have the power to deal with matters of an urgent industrial or financial nature when the Branch Committee of Management is not sitting. Meetings of the Branch Executive shall be called by the Branch Secretary”.

Reasons in Support:- With the endorsement of this rule change we will now be able to move the Branch to the structure that we sort earlier this year but were unable to achieve given the existing rules of the Communications Division.

If you have any queries or questions regarding any of the above I would be pleased to discuss with you.

Yours in solidarity,

Bryan Watkins

Dear Colleague,

At our Branch Committee of Management meeting held on the 8th December 2010 the following motion was carried regarding our BCOM numbers going into next years election –

"The SA/NT Branch Committee of Management resolves to reduce the number of delegates elected to both the Postal Industry Section and the Telecommunications & Information Technology Industry Section by two in each section. Further, the Branch Secretary is authorised to advise the Divisional Secretary to take appropriate action to change the Divisional Rules to reflect this decision in time for the 2011 Branch elections. The new Industry section structures will each consist of 6 delegates (**instead of 8**) and take effect from 1st August 2011, for a four year term of office."

The above motion therefore reduces both the Postal Industry Section and the Telecommunications & Information Technology Industry sections by 2 to 6 which covers or BCOM requirement for Rule 75(g).

Please contact me at any time if you require any further information.

Yours sincerely,

Graham Lorrain

Dear Cameron,

Re: Branch Elections 2011

At our most recent BCOM held on Wednesday 8 December 2010 the committee discussed and endorsed unanimously the following recommendation:-

"That for the purposes of the 2011 Branch Elections the following positions be those notified to the Divisional Secretary as required for the Branch Committee of Management, Western Australian Branch of the CEPU Communications Division.

- Branch President – Honorary;
- 3 Branch Vice Presidents – Honorary (1 Telecommunications – 1 Postal – 1 Affirmative Action);
- 6 Postal Industry Section;
- 6 Telecommunications Industry Section".

Also as part of these discussions the BCOM is seeking that the following rule change be put to a vote of conference delegates and be endorsed, this rule change was also supported unanimously:-

"That the Branch Committee of Management, CEPU Communications Division Western Australia resolves to amend rule 75 of the registered rules of the Communications Division of the Communications, Electrical, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (Branch Management – Queensland, South Australia/Northern Territory, Western Australia and Tasmania) for the purposes of the Branch elections that are due to be held in 2011, this amendment shall be that for the purposes of Branch Management in Western Australia, the new rule shall read:

Western Australia: Branch Secretary, Branch Assistant Secretary

The new rule 75 of the registered rules of the Communications Division of the Communications, Electrical, Energy, Information, Postal, Plumbing and Allied Services Union of Australia shall read as follows;

75 - BRANCH MANAGEMENT – QUEENSLAND, SOUTH AUSTRALIA/NORTHERN TERRITORY, WESTERN AUSTRALIA AND TASMANIA

Provided that any person elected to an office which has been declared a full-time office shall be elected for a term of office of four (4) years. For the purposes of Branch administration the following Branch offices shall be declared full-time positions:
- Queensland: Branch President, Branch Secretary;
 - South Australia/Northern Territory: Branch President, Branch Secretary;
 - Western Australia: Branch Secretary, Branch Assistant Secretary;
 - Tasmania: Branch Secretary.
- (c) The Branch President, Branch Secretary and Branch Assistant Secretary shall be elected by ballot of the financial members of the Branch.
- (d) Notwithstanding sub-rule (b), in the Branch Committees of Management of the Queensland, South Australia/Northern Territory and Western Australian Communications Division Branches, there shall be an additional Branch Vice President Affirmative Action on and from 1 August 2007 who shall be nominated by and from the female members of each Branch and elected by the financial members of each Branch.
- (e) Branch Vice Presidents and Sectional Representatives shall be elected from the members comprising the respective Industry Sections as provided in Rule 46.
- (f) At least three (3) months prior to the opening of nominations for the Branch elections held under Rule 67, the Branch Committee of Management shall determine the number of Branch Committee of Management Members to be elected by and from each Industry Section in accordance with this sub-rule.
- (g) The number of positions of Sectional Representatives elected by and from members of the Branch allocated to each Industry Section shall be no less than two (2) and no more than nine (9).
- (h) At Branch Committee of Management meetings a quorum shall not be present unless a majority of the Committee of Management members are present. If the required number of members be not present thirty (30) minutes after the advertised time of commencement, the meeting shall lapse. Each Branch Committee of Management member shall have a deliberative vote.
- (i) During the intervening period between meetings of the Branch Committee of Management any matters of an emergent nature shall be decided by a telephonic, telegraphic, facsimile machine or postal ballot of Branch Committee of Management Members. The result of such ballot shall be notified to Branch Committee of Management Members within fourteen (14) days of the date set for the closing of the ballot.
- (j) Provided that further there shall be a Branch Executive comprising the Branch President, Branch Secretary, Branch Assistant Secretary (except in the Queensland Communications Division Branch) and Branch Vice Presidents. A majority of the Branch Executive shall constitute a quorum. The minutes of any Branch Executive meetings shall be notified to the Branch Committee of Management within fourteen (14) days of the Branch Executive meeting. The Branch Executive shall have the power to deal with matters of an urgent industrial or financial nature when the Branch Committee of Management is not sitting. Meetings of the Branch Executive shall be called by the Branch Secretary".

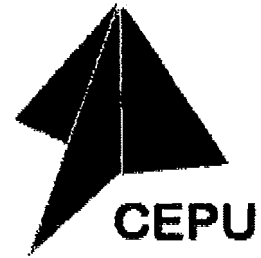

Reasons in Support:- With the endorsement of this rule change we will now be able to move the Branch to the structure that we sort earlier this year but were unable to achieve given the existing rules of the Communications Division.

If you have any queries or questions regarding any of the above I would be pleased to discuss with you.

Yours in solidarity,

Bryan Watkins
