12th April 2018

Mr Chris Enright, Executive Director, Registered Organisations Commission, GPO Box 2983, MELBOURNE. VIC. By email: regorgs@roc.gov.au

Dear Mr. Enright,

RE: CEPU COMMUNICATIONS DIVISION - DIVISIONAL CONFERENCE OPERATING REPORTS AS AT 31 MARCH 2010 TO 31 MARCH 2016 - REPORTING OF MEMBERSHIP NUMBERS

I refer to the above and enclose by way of lodging:

Declaration correcting the membership figures reported in the Divisional Conference operating reports for the reporting periods ending 31 March 2010 to 31 March 2016.

As you are aware, the CEPU has instigated independent audits of the membership figures reported in Divisional Committee of Management divisional operating reports.

As a consequence of these audits, the Divisional Executive, in a meeting held on 11 April 2018, authorised the submission of a declaration to the Registered Organisations Commission (ROC) to correct the figures reported in the operating reports for the total divisional members for the reporting periods ending 31 March 2010 to 31 March 2016.

These amended figures have now been published to our website for the information of members.

Please do not hesitate to contact me should you wish to discuss this matter.

Yours faithfully

Greg Rayner,

DIVISIONAL SECRETARY.

DECLARATION - CORRECTING REPORT TO CEPU Communications Division – Divisional Council OPERATING REPORT

lodged pursuant to s.268

- I, Greg Rayner, of 365 Queen Street, Melbourne, in the state of Victoria 3000, declare:
 - I am the Divisional Secretary of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communication Division, a division of an organisation registered under the Fair Work (Registered Organisations) Act 2009 (the Act).
 - Pursuant to s.268 of the Act, for the periods ended 31 March 2010 to 31 March 2016, the full financial reports, including the operating reports, of the branch were lodged with the Fair Work Commission (FWC) in FR2010/2512, FR2011/2511, FR2012/209, FR2013/114, FR2014/57, FR2015/59 and FR2016/58 respectively.
 - Independent audits of the membership figures reported in the divisional committee of management operating reports for the reporting periods 31 March 2010 to 31 March 2016 found the following variances with the figures reported in the operating reports:

As at 31 Mar	2010	2011	2012	2013	2014	2015	2016
Reported	26,246	26,051	24,818	24,494	23,664	23,007	23,125

Variance	2,606	1,347	1,293	1,098	910	812	226

On 11 April 2018, in response to the findings of the audits, the Divisional Executive
authorised the Divisional Secretary to amend the divisional committee of management
operating reports for the years ended 31 March 2010 to 31 March 2016 to reflect the
membership figures resulting from the audits.

CONCISE FINANCIAL REPORT FOR THE YEAR ENDED 31 MARCH 2011

OPERATING REPORT

In accordance with Section 254 of the Fair Work (Registered Organisations) Act 2009 ("Act""), the Committee of Management present their Operating Report on the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union Of Australia, Communications Division, Divisional Conference, the relevant Reporting Unit for the financial year ended 31 March 2011.

Principal Activities and Results of Principal Activities

The CEPU Communications Division operated as a Trade Union and mainly represented the Industrial interests of employees in the Postal Industry (e.g. Australia Post), and the Telecommunications Industry (e.g. Telstra and Optus).

Our objectives are to improve and protect the economic condition, job security, working conditions and other industrial concerns of our members. In our representation of the employees in the Postal and Telecommunications Industries, we negotiated and enforced industrial awards and agreements.

In carrying out this function we provided representation in Industrial tribunals, provided legal assistance where deemed necessary, negotiated workplace change and assisted with individual grievances. The union also provided information for its membership by the regular publication of Journals, Bulletins and provision of Web Sites.

The union also pursued and assisted kindred organisations by affiliations and other means to uphold the rights and entitlements of workers by Industrial, Political, and Community action.

The operating loss of the Union for the financial year was \$176,647 (2010: Profit \$129,788). No provision for tax was necessary as the Union is exempt from income tax.

Significant Changes

The Union has sold the property at 139-155 Queensberry Street Carlton South subsequent to the end of the financial year. Other than this, no matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Union, the results of those operations, or the state of affairs of the Union in future financial years.

Rights of Members to Resign

Subject to the Rule 11 of the Union's rules and Section 174 of the Fair Work (Registered Organisations) Act 2009, members of the Union have the right to resign from membership by providing written notice addressed to and delivered to the Secretary of the relevant branch of the Union.

Superannuation Officeholders

The following officers or member of the Reporting Unit are trustees of the Australia Post Superannuation Scheme:

Jim Metcher

Ed Husic (1 April 2010 to 7 September 2010) Cameron Thiele (1 November 2010 to 31 July 2011)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report covers the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Divisional Conference.

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board and the Fair Work (Registered Organisations) Act 2009.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

Basis of Preparation

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Accounting Policies

a. Income Tax

No provision for income tax is necessary as "Trade Unions" are exempt from income tax under Section 50 – 15 of the Income Tax Assessment Act 1997.

b. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. Appraisals are carried out by the committee of management on a 3 yearly basis.

Plant and equipment

Plant and equipment is measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the committee of management to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that the future economic benefits associated with the item will flow to the Union and the cost of the item will flow to the Union and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

b. Property, Plant and Equipment continued Depreciation

The depreciable amount of all fixed assets including buildings, but excluding freehold land, is depreciated on a straight line basis or a reducing balance basis over their estimated useful lives to the Union commencing from the time the asset is held ready for use.

The depreciation rates used for each class of assets are:

Class of Fixed Asset Depreciation Rate

Buildings 2.5%
Office furniture and fittings 7.5% - 30%
Office machines and equipment 20% - 40%
Motor vehicles 22.5%

c. Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

d. Employee Benefits

Provision is made for the Union's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Union to an employee superannuation fund and are charged as expenses when incurred.

e. Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Union becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Union commits itself to either purchase or sell the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified at fair value through profit or loss in which case transaction costs are expensed to profit or loss immediately.

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

e. Financial Instruments continued

Amortised cost is calculated as:

- i) the amount at which the financial asset or financial liability is measured at initial recognition
- ii) less principal repayments
 plus or minus the cumulative amortisation of the difference, if any, between the amount
 initially recognised and the maturity amount calculated using the effective interest method;
 and
- iii) less any reduction for impairment.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

The Union does not designate any interests in subsidiaries, associates or joint venture entities as being subject to the requirements of accounting standards specifically applicable to financial instruments.

i) Financial assets at fair value through profit or loss Financial assets are classified at 'fair value through profit or loss' when they are held for trading for the purpose of short-term profit taking, where they are derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying value being included in profit or loss.

ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period, which will be classified as non-current assets.

iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the group's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

e. Financial Instruments continued

Held-to-maturity investments are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period, which will be classified as current assets.

if during the period the Union sold or reclassified more than an insignificant amount of the held-to-maturity investments before maturity, the entire category of held-to-maturity investments would be tainted and would be reclassified as available-for-sale.

iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not capable of being classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments. Available-for-sale financial assets are included in non-current assets, except for those which are expected to be disposed of within 12 months after the end of the reporting period, which will be classified as current assets.

v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Fair Value

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

Impairment

At each reporting date, the Union assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the income statement.

Derecognition

Financial assets are recognised where the contractual right to receipt of cash flows expires or the asset is transferred to another party whereby the Union no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are recognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

e. Financial Instruments continued

Impairment of Assets

At each reporting date, the Union reviews the carrying value of the tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amount of the assets and liabilities.

f. Impairment of Assets

At each reporting date, the Union reviews the carrying values of the tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

g. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

h. Revenue

Revenue from membership is recognised on an accrual basis.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

i. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for GST component of investing and financing activities, which are disclosed as operating cash flows.

j. Comparative Figures ;

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

k. Critical Accounting Estimates and Judgements

The committee of management evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the union.

Key Estimates

The committee of management assesses impairment at each reporting date by evaluating conditions specific to the union that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value in use calculation performed in assessing recoverable amounts incorporates a number of key estimates.

Key Judgements

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amount of the assets and liabilities.

Consolidation

The Divisional Conference represents the nationwide interest of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union Of Australia, Communications Division, in Australia and has agreed to provide financial assistance where necessary. The Divisional Conference however has no control over the operations or management of the branches which are run by their own committee of management and which report separately to Fair Work Australia as required by the Fair Work (Registered Organisations) Act 2009. Accordingly no consolidated financial statements have been prepared that incorporate the financial performance or position of the branches.

m. New Accounting Standards for Application in Future Periods

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods and which the Union has decided not to early adopt. A discussion of those future requirements and their impact on the Union is as follows:

— AASB 9: Financial Instruments and AASB 2009–11: Amendments to Australian Accounting Standards arising from AASB 9 [AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12] (applicable for annual reporting periods commencing on or after 1 January 2013).

These Standards are applicable retrospectively and amend the classification and measurement of financial assets. The consolidated group has not yet determined any potential impact on the financial statements.

The changes made to accounting requirements include:

- simplifying the classifications of financial assets into those carried at amortised cost and those carried at fair value;
- simplifying the requirements for embedded derivatives:
- removing the tainting rules associated with held-to-maturity assets;

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

m. New Accounting Standards for Application in Future Periods continued

- removing the requirements to separate and fair value embedded derivatives for financial assets carried at amortised cost;
- allowing an irrevocable election on initial recognition to present gains and losses on investments in equity instruments that are not held for trading in other comprehensive income.
 Dividends in respect of these investments that are a return on investment can be recognised in profit or loss and there is no impairment or recycling on disposal of the instrument; and
- requiring financial assets to be reclassified where there is a change in an entity's business model as they are initially classified based on: (a) the objective of the entity's business model for managing the financial assets; and (b) the characteristics of the contractual cash flows.
- AASB 124: Related Party Disclosures (applicable for annual reporting periods commencing on or after 1 January 2011).

This Standard removes the requirement for government-related entities to disclose details of all transactions with the government and other government-related entities and clarifies the definition of a 'related party' to remove inconsistencies and simplify the structure of the Standard. No changes are expected to materially affect the Union.

— AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements [AASB 1, 2, 3, 5, 7, 8, 101, 102, 107, 108, 110, 111, 112, 116, 117, 119, 121, 123, 124, 127, 128, 131, 133, 134, 136, 137, 138, 140, 141, 1050 & 1052 and Interpretations 2, 4, 5, 15, 17, 127, 129 & 1052] (applicable for annual reporting periods commencing on or after 1 July 2013).

AASB 1053 establishes a revised differential financial reporting framework consisting of two tiers of financial reporting requirements for those entities preparing general purpose financial statements:

- Tier 1: Australian Accounting Standards; and
- Tier 2: Australian Accounting Standards Reduced Disclosure Requirements.

Tier 2 of the framework comprises the recognition, measurement and presentation requirements of Tier 1, but contains significantly fewer disclosure requirements.

The following entities are required to apply Tier 1 reporting requirements (ie full IFRS):

- for-profit private sector entities that have public accountability; and
- the Australian Government and state, territory and local governments.

Subject to AASB 1049, general government sectors of the Australian Government and state and territory governments would also apply Tier 1 reporting requirements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

m. New Accounting Standards for Application in Future Periods continued

The following entities can elect to apply Tier 2 of the framework when preparing general financial statements:

- for-profit private sector entities that do not have public accountability;
- not-for-profit private sector entities; and
- public sector entities, whether for-profit or not-for-profit, other than Australian Government and state, territory and local governments.

AASB 2010-2 makes amendments to Australian Accounting Standards and Interpretations to give effect to the reduced disclosure requirements for Tier 2 entities. It achieves this by specifying the disclosure paragraphs that a Tier 2 entity need not comply with as well as adding specific 'RDR' disclosures.

The Union does not anticipate early adoption of the above reporting requirements.

NOTE 2: INFORMATION TO BE PROVIDED TO MEMBERS OR FAIR WORK AUSTRALIA

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of sub-sections (1), (2) and (3) of Section 272 of the Act, which read as follows:-

- (1) A member of a reporting unit, or Fair Work Australia, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

NOTE 6: TRADE AND OTHER RECEIVABLES CONTINUED

(i) Provision for Impairment of Receivables

Current trade receivables are generally on 30-day terms. These receivables are assessed for recoverability and a provision for impairment is recognised when there is objective evidence that an individual trade receivable is impaired. These amounts have been included in other expense items.

(i) Provision for Impairment of Receivables continued

Movement in the provision for impairment of receivables is as follows:

(ii) Credit Risk - Trade and Other Receivables

The Union does not have any material credit risk exposure to any single receivable or group of receivables.

The following table details the Union's trade and other receivables exposed to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as 'past due' when the debt has not been settled within the terms and conditions agreed between the Union and the customer or counter party to the transaction. Receivables that are past due are assessed for impairment by ascertaining the solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Union.

The balances of receivables that remain within initial trade terms (as detailed in the table) are considered to be of high credit quality.

Financial Risk Management Policies

The Union's treasurer is responsible for, among other issues, monitoring and managing financial risk exposures of the Union. The treasurer monitors the Union's transactions and reviews the effectiveness of controls relating to credit risk, financial risk and interest rate risk. Discussions on monitoring and managing financial risk exposures are held bi-monthly and minuted by the committee of management.

The treasurer's overall risk management strategy seeks to ensure that the Union meets its financial targets, while minimising potential adverse effects of cash flow shortfalls.

Specific Financial Risk Exposures and Management

The main risks the Union is exposed to through its financial instruments are credit risk, liquidity risk, and market risk.

a. Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the Union.

Credit risk is managed through maintaining procedures (such as the utilisation of systems for the approval, granting and removal of credit limits, regular monitoring of exposure against such limits and monitoring of the financial stability of significant customers and counterparties) ensuring, to the extent possible, that members and counterparties to transactions are of sound credit worthiness.

Risk is also minimised through investing surplus funds in financial institutions that maintain a high credit rating or in entities that the committee has otherwise cleared as being financially sound.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

NOTE 18: FINANCIAL RISK MANAGEMENT continued

a. Credit risk continued

Credit risk exposures

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

There is no collateral held by the Union securing trade and other receivables.

Trade and other receivables that are neither past due or impaired are considered to be of high credit quality. Aggregates of such amounts are as detailed at Note 6.

The Union has no significant concentration of credit risk with any single counterparty or group of counterparties. Details with respect to credit risk of trade and other receivables are provided in Note 6.

b. Liquidity risk

Liquidity risk arises from the possibility that the Union might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The entity manages this risk through the following mechanisms:

- preparing forward-looking cash flow analysis in relation to its operational, investing and financing activities;
- only investing surplus cash with major financial institutions; and
- proactively monitoring the recovery of unpaid subscriptions.

Financial assets pledged as collateral

No financial assets have been pledged as security for any financial liability.

c. Market risk

(i) Interest rate risk

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows.

(ii) Price risk

Price risk relates to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices of securities held.

The Union is exposed to securities price risk on available-for-sale investments.

The Union's investments are held in diversified management fund portfolios.

Sensitivity analysis

The following table illustrates sensitivities to the Union's exposures to changes in interest rates and equity prices. The table indicates the impact on how profit and equity values reporting at the end of the reporting period would have been affected by changes in the relevant risk variable that management considers to be reasonably possible. These sensitivities assume that the movement in a particular variable is independent of other variables.

COMMITTEE OF MANAGEMENT CERTIFICATE

On St. August 2011 the Committee of Management of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia Communications Division, Divisional Conference (the Reporting Unit) passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the financial year ended 31 March 2011:

The Committee of Management declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of Fair Work Australia;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate:
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the Act and the Regulations; and
 - (iv) where the organisation consists of 2 or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organization; and
 - (v) the information sought in any request of a member of the reporting unit or Fair Work Australia duly made under section 272 of the Act has been furnished to the member or Fair Work Australia; and
 - (vi) there has been compliance with any order for inspection of financial reports made by Fair Work Australia under section 273 of the Act.

COMMITTEE OF MANAGEMENT CERTIFICATE continued

- (f) in relation to recovery of wages activity:
 - (i) the financial report on recovery of wages activity has been fairly and accurately prepared in accordance with the requirements of the reporting guidelines of Fair Work Australia; and
 - (ii) the committee of management caused the auditor to include in the scope of the audit required under subsection 257(1) of the Act all recovery of wages activity by the reporting unit in which revenues had been derived for the financial year in respect of such activity; and
 - (iii) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from moneys recovered from employers on behalf of workers other than reported in the financial report on recovery of wages activity and the notes to the financial statements; and
 - (iv) that prior to engaging in any recovery of wages activity, the organisation has disclosed to members by way of a written policy all fees to be charged or reimbursement of expenses required for recovery of wages activity, and any likely request for donations or other contributions in acting for a worker in recovery of wages activity; and
 - (v) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from moneys recovered from employers on behalf of workers until distributions of recovered money were made to the workers.
- (g) that the members receive a copy of the concise financial report

INDEPENDENT AUDITOR'S REPORT

COMMUNICATION, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL, PLUMBING AND ALLIED SERIVCES UNION OF AUSTRALIA, COMMUNICATIONS DIVISION, DIVISIONAL CONFERENCE

Report on the financial report

We have audited the accompanying financial report of Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing, and Allied Services Union of Australian, Communications Division, Divisional Conference (the reporting unit), which comprises the statement of financial position as at 31 March 2011, and the statement of comprehensive income, statement of changes in equity, summary of significant accounting policies and other explanatory notes and the committee of management's declaration of the reporting unit during the financial year.

Committee of management's responsibility for the financial report

The reporting unit's Committee of Management are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Fair Work (Registered Organisations) Act 2009 and for such internal control as the committee of management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee of management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Dear Mr Thiele,

Re: Lodgement of Financial Statements and Accounts – Communications Division, CEPU – for year ending 31 March 2011 (FR2011/2511)

The financial year of the Communications Division ended on 31 March 2011. This is a courtesy letter for your file to remind you of the obligation to lodge audited financial accounts and statements with Fair Work Australia within the prescribed time frame unless a 1 month extension is applied for and granted.

The documents you must lodge include:

(i) A <u>general purpose financial report</u>; (ii) A <u>Committee of Management statement</u> (iii) An <u>operating report</u>; (iv) An <u>auditor's report</u>; and (v) A <u>certificate</u> in accordance with section 268.

I draw your particular attention to

- (a) s237 which requires you to prepare and lodge <u>a separate statement</u> providing the prescribed particulars of any loan, grant or donation made during the year which exceeds \$1,000;
- (b) s265(5) which requires you to publish or otherwise *provide your members with completed/signed copies* of the audited accounts, report and statements before final presentation and lodgment; and
- (c) s266 which requires you to <u>present the completed documents to an eligible meeting(s)</u> (either of the members or of the committee of management).
