Dear Greg Rayner,

**Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied
Services Union of Australia - Communications Division
Financial Report for the year ended 31 March 2019 – (FR2019/18)**

I acknowledge receipt of the financial report for the year ended 31 March 2019 for the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia - Communications Division (**the reporting unit**). The documents were lodged with the Registered Organisations Commission (**the ROC**) on 19 September 2019.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009 (RO Act)* have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines (**RGs**) have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 31 March 2020 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged. I make the following comments to assist you when you next prepare a financial report. The ROC will confirm these concerns have been addressed prior to filing next year's report.

General purpose financial report

References to legislation and the ROC

Following the enactment of the *Fair Work (Registered Organisations) Amendment Act 2016*, the ROC is the new regulator for registered organisations, with effect from 1 May 2017. All references to the Fair Work Commission and General Manager must be changed to the Registered Organisations Commission and Commissioner except in relation to declaration (e)(vi) in the committee of management statement.

I note that item (e)(vi) in the committee of management statement refers to the ROC instead of the Fair Work Commission. Please ensure that in future years, the committee of management statement is amended accordingly.

Officer's declaration statement – to include all nil activity disclosures not elsewhere disclosed

Item 21 of the RGs states that if any of the activities identified within items 10-20 of the RGs have not occurred in the reporting period, a statement to this effect must be included either in the financial statements, the notes or in the officer's declaration statement. I note that the officer's declaration statement includes the following nil activity disclosures for which there was already an equivalent form of disclosure in the body of the notes:

- "Agree to receive financial support from another reporting unit to continue as a going concern" and "agree to provide financial support to another reporting unit to ensure they continue as a going concern" are disclosed in both note 1.18 and the officer's declaration statement;
- "Receive donations or grants" is disclosed in both note 3E and the officer's declaration statement;
- "Pay capitation fees to another reporting unit" is disclosed in both the statement of comprehensive income and note 4B;
- "Pay a grant that was \$1,000 or less" and "pay a grant that exceeded \$1,000" are disclosed in both note 4E and the officer's declaration statement;
- "Have a payable to employer as consideration for that employer making payroll deductions of membership subscriptions", "have a payable in respect of legal costs relating to litigation" and "have a payable in respect of legal costs relating to other legal matters" are disclosed to note 7B and the officer's declaration statement; and
- "Have another entity administer the financial affairs of the reporting unit" is disclosed in both note 15 and the officer's declaration statement.

Please note that nil activities only need to be disclosed once.

Recovery of wages disclosure

Please note that under the 5th edition of the RGs made under section 255 of the RO Act issued 4 May 2018 a recovery of wages activity statement is no longer required. Furthermore, the RGs no longer require a statement in regard to recovery of wages activity in the committee of management statement.

I note that the committee of management statement includes a statement in regard to recovery of wages activity. As abovementioned, if there is no recovery of wages activity, a statement to this effect must be included in the financial statements, the notes or in an officer's declaration statement.

Inconsistency in disclosure of financial information

Note 4D *Administration expenses* discloses Fees/allowances – meeting and conferences expenses of \$54,420 for the 2019 financial year (2018: \$53,954). The officer's declaration statement, however includes a nil disclosure of paying to a person fees or allowances to attend conferences or meetings as a representative of the reporting unit.

Note 4G *Legal costs* discloses Litigation expenses of \$135,089 for the 2019 financial year (2018: \$52,404). The officer's declaration statement, however includes a nil disclosure of paying legal costs relating to litigation.

The statement of changes in equity discloses a balance of retained earnings of \$9,438,482 for the 2019 financial year (2018: \$9,337,674). The officer's declaration statement includes a nil disclosure in relation to a balance in the general fund. It would appear that retained earnings is the reporting unit's general fund.

Note 9B Cash flow information discloses cash inflows from another reporting units totalling \$2,342,618 and cash outflows to another reporting units of \$353,507 in total. The officer's declaration statement, however includes nil disclosures of providing cash flows to another reporting unit and/or controlled entity and receiving cash flows from another reporting unit and/or controlled entity.

In future years, please ensure that items within the financial report are disclosed consistently.

Registered auditor's details

Item 29(b) of the RGs state that the auditor's statement must specify the registered auditor's name and registration number. The auditor's statement provided states the name of the registered auditor but not the registration number.

Please ensure that in future years the auditor's statement includes both the name and registration number of the registered auditor.

Disclosures relating to other reporting units

The reporting unit has made disclosures of transactions with other reporting units of the organisation of which it forms part. A comparison made between the disclosures by each relevant reporting unit identified the following differences:

- Transactions with the CEPU, Communication Division – New South Wales Telecommunications and Services branch (**CTSN**)
 - Receivables from CTSN to the reporting unit is \$6,573, but the payables to the reporting unit disclosed in CTSN's financial report is \$8,296.
- Transactions with the CEPU, Communication Division – Victorian Telecommunications and Services branch (**CTSV**)
 - Receivables from CTSV to the reporting unit is \$155,831, but the payables to the reporting unit disclosed in CTSV's financial report is \$10,542;
 - Cash inflow to the reporting unit from CTSV is \$154,775, but the cash outflow in the CTSV's financial report is \$169,676; and
 - Related party revenue received from CTSV is \$154,775, but the related party expenses to the reporting unit recorded in the CTSV's financial report is \$154,579.
- Transactions with the CEPU, Communication Division – New South Wales Postal and Telecommunications branch (**CPTN**)
 - Cash outflow from the reporting unit to the CPTN is \$178,758, but the cash inflows from the reporting unit recorded in the CPTN's financial report is \$nil;
 - Related party revenue received from CPTN is \$652,700, but the related party expenses to the reporting unit recorded in the CPTN's financial report is \$615,573; and
 - Related party expenses from the reporting unit to CPTN is \$178,758, but the related party revenue recorded in the CPTN's financial report from the reporting unit is \$nil.
- Transactions with the CEPU, Communication Division – Victorian Postal and Telecommunications branch (**CPTV**)
 - Capitation fees received from CPTV is \$334,996, but the capitation fees expenses to the reporting unit recorded in the CPTV's financial report is \$319,548;
 - Cash inflows to the reporting unit received from CPTV is \$377,229, but the cash outflows in the CPTV's financial report is \$364,471;
 - Cash outflow from the reporting unit to CPTV is \$568, but the cash inflows from the reporting unit recorded in the CPTV's financial report is \$nil;

- Related party revenue received from CPTV is \$377,229, but the related party expenses to the reporting unit recorded in the CPTV's financial report is \$319,548; and
- Related party expenses from the reporting unit to CPTV is \$568, but the related party revenue recorded in the CPTV's financial report from the reporting unit is \$nil.
- Transactions with the CEPU, Communication Division – Western Australian Communication Division branch (**CWA**)
 - Cash inflows to the reporting unit received from CWA is \$144,126, but the cash outflows in the CWA's financial report is \$nil;
 - Cash outflow from the reporting unit to CWA is \$12,465, but the cash inflows from the reporting unit recorded in the CWA's financial report is \$nil;
 - Related party revenue received from CWA is \$144,126, but the related party expenses to the reporting unit recorded in the CWA's financial report is \$142,340; and
 - Related party expenses from the reporting unit to CWA is \$12,465, but the related party revenue recorded in the CWA's financial report from the reporting unit is \$5,448.
- Transactions with the CEPU, Communication Division – South Australia & Northern Territory Communications Division branch (**CSANT**)
 - Cash inflows to the reporting unit received from CSANT is \$102,192, but the cash outflows in the CSANT's financial report is \$128,496;
 - Cash outflow from the reporting unit to CSANT is \$149, but the cash inflows from the reporting unit recorded in the CSANT's financial report is \$nil; and
 - Related party expenses from the reporting unit to CSANT is \$149, but the related party revenue recorded in the CSANT's financial report from the reporting unit is \$nil.
- Transactions with the CEPU – Queensland Communication branch (**CQLD**)
 - Expense reimbursement from the reporting unit to CQLD is \$nil, but CQLD's financial report includes a \$40 expense reimbursement received from the reporting unit;
 - Cash inflows to the reporting unit received from CQLD is \$240,176, but the cash outflows in the CQLD's financial report is \$239,829;
 - Cash outflow from the reporting unit to CQLD is \$519, but the cash inflows from the reporting unit recorded in the CQLD's financial report is \$40;
 - Related party revenue received from CQLD is \$240,176, but the related party expenses to the reporting unit recorded in the CQLD's financial report is \$239,829; and
 - Related party expenses from the reporting unit to CQLD is \$519, but the related party revenue recorded in the CQLD's financial report from the reporting unit is \$nil.

Subsection 252(2) of the RO Act requires that where an organisation consists of 2 or more reporting units, the financial records for each of the reporting units must, as far as practicable, be kept in a consistent manner. Moreover, RG 25(e)(iv) requires the committee of management to make a declaration to that effect, in relation to the general purpose financial report. It is noted also that overall the accounting policies relating to the measurement basis and disclosure of key financial transactions for each reporting unit are the same. It would therefore be expected, in the ordinary course, that amounts disclosed in the respective reports of the relevant reporting units will reconcile.

The reporting unit must take such steps as will ensure that balances for transactions with other reporting units within the organisation in next year's report will correspond with relevant balances disclosed in the reports of those other reporting units. The ROC will assess how this issue has been addressed prior to filing next year's report.

Reporting Requirements

The ROC website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 RGs and a model set of financial statements.

The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the s.253 RGs and Australian Accounting Standards. Access to this information is available via [this link](#).

If you have any queries regarding this letter, please contact me on (03) 9603 0764 or via email at kylie.ngo@roc.gov.au.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'Kylie', with a long horizontal stroke extending to the right.

OPERATING REPORT FOR THE PERIOD ENDED 31 MARCH 2019

In accordance with Section 254 of the Fair Work (Registered Organisations) Act 2009 ("Act") the Committee of Management present their Operating Report on Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications division, Divisional Conference ("the Union"), the relevant Reporting Unit, for the financial year ended 31 March 2019.

Principal Activities

The principal activities of the Union during the financial year were to provide industrial and organising services to each of the Branches of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications division, Divisional Conference and their members, consistent with the objectives of the National Council and particularly the objective of protecting and improving the interests of the various Branches and their members.

Operating Result

The operating surplus of the Union for the financial year was \$101,056 (2018: deficit \$133,996). No provision for tax was necessary as the Union is exempt from income tax. The Divisional Office accounts remain in good order and barring unexpected expenditure, the budget for the year 2020 projects a surplus.

Significant change

There were no significant changes in the principal activities or financial affairs of the Union during the financial year.

Rights of Members

Pursuant to the Reporting Unit Rule 21 and Section 174 of the Fair Work (Registered Organisations) Act 2009, members have the right to resign from membership by providing written notice addressed to and delivered to the Secretary of the Reporting Unit.

A notice of resignation from membership of the Union takes effect:

- (a) where the member ceases to be eligible to become a member of the Union
 - (i) on the day on which the notice is received by the Union
 - (ii) on the day specified in the notice which is a day not earlier than the day when the member ceases to be eligible to become a member;whichever is the later, or
- (b) in any other case:
 - (i) at the end of two weeks after the notice is received by the Union, or
 - (ii) on the day specified in the noticewhichever is the later.

Superannuation Officeholders

The following officers and members of the Union held a Directorship of an Australian Superannuation Fund during the financial year:

Name	Fund Name	Fees received by the officer	Fees included in the union's revenue
Greg Rayner	Australian Post Superannuation Scheme		49,631
Shane Murphy	Telstra Superannuation Scheme		81,468

No other officer or member of the Union is:

- (a) is a trustee of a superannuation entity or an exempt public sector superannuation scheme; or
- (b) a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme.

OPERATING REPORT FOR THE PERIOD ENDED 31 MARCH 2019 continued

Other Prescribed Information

In accordance with Regulation 159 of the Fair Work (Registered Organisations) Regulations 2009 ("Regulations"):

- (a) the number of persons that were, at the end of the financial year to which the report relates, recorded in the register of members for Section 230 of the Act and who are taken to be members of the Union under section 244 of the Act was 21,191 (2018: 21,412).
- (b) the number of persons who were, at the end of the financial year to which the report relates, employees of the Union, where the number of employees includes both full-time and part-time employees, measured on a full-time equivalent basis was 7 (2018: 12).
- (c) the names of each person who have been a member of the Committee of Management (Divisional Executive) of the Union at any time during the reporting period, and the period for which he or she held such a position were;

Name	Position
S. Murphy	Divisional President (Honorary)
G. Rayner	Divisional Secretary
B. Clarke	Divisional Vice-President (Honorary)
J. O'Donnell	Divisional Assistant Secretary
N. Robinson	Divisional Assistant Secretary
E. Huttly	Affirmative Action (Honorary)
A. Jansen (retired -31.08.2018, position vacant until 03.12.18)	Telecommunication and Services
J. Ellery	Telecommunication and Services

**COMMITTEE OF MANAGEMENT STATEMENT FOR
THE YEAR ENDED 31 MARCH 2019**

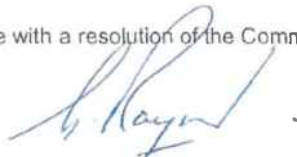

On the 6 August 2019 the Committee of Management of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communication Division, Divisional Conference passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 31 March 2019:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
 - (vi) where any order for inspection of financial records has been made by the Registered Organisation Commission under section 273 of the RO Act, there has been compliance.
- (f) no revenue has been derived from undertaking recovery of wages activity during the reporting period.

This declaration is made in accordance with a resolution of the Committee of Management.

Note 1 Summary of significant accounting policies

1.1 Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisation) Act 2009*. For the purpose of preparing the general purpose financial statements, the reporting unit is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

1.2 Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.3 Significant accounting judgements and estimates

No accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

1.4 New Australian Accounting Standards

Adoption of New Australian Accounting Standard requirements

No new accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous financial year except for the following standards and amendments, which have been adopted for the first time this financial year:

- AASB 9 Financial Instruments and relevant amending standards, which replaces AASB 139 Financial Instruments: Recognition and Measurement. The impact of applying this standard is discussed further below.
- AASB Interpretation 22 Foreign Currency Transactions and Advance Considerations, which clarifies that the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it) is the date on which an entity initially recognizes the non-monetary asset or non-monetary liability arising from the advance consideration. The adoption of this amendment did not have an impact on the CEPU Communications Division.

Impact on adoption of AASB 9

(a) Initial application

AASB 9 Financial Instruments (AASB 9) replaces AASB 139 Financial Instruments: Recognition and Measurement (AASB 139) for annual periods beginning on or after 1 January 2018, bringing together all three aspects of the accounting for financial instruments: classification and measurement; impairment; and hedge accounting.

CEPU Communications Division has applied AASB 9 retrospectively, with an initial application date of 1 April 2018. CEPU Communications Division has not restated the comparative information, which continues to be reported under AASB 139. There were no quantifiable differences arising from the adoption of AASB 9.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

Note 1 Adoption of New Australian Accounting Standard requirements (cont'd)

(i) Classification and measurement

Under AASB 9, debt instruments are subsequently measured at fair value through profit or loss, amortised cost, or fair value through OCI (other comprehensive income). The classification is based on two criteria: CEPU Communications Division's business model for managing the assets; and whether the instruments' contractual cash flows represent 'solely payments of principal and interest' on the principal amount outstanding.

The assessment of CEPU Communications Division's business model was made as of the date of initial application, 1 April 2018. The assessment of whether contractual cash flows on debt instruments are solely comprised of principal and interest was made based on the facts and circumstances as at the initial recognition of the assets.

The classification and measurement requirements of AASB 9 did not have a significant impact to the CEPU Communications Division.

- Trade receivables and other non-current financial assets (i.e. loan to a related party) previously classified as loans and receivables are held to collect contractual cash flows and give rise to cash flows representing solely payments of principal and interest. These are now classified and measured as debt instruments at amortised cost.

The CEPU Communications Division has not designated any financial liabilities as at fair value through surplus or deficit. There are no changes in classification and measurement for the CEPU Communications Division's financial liabilities.

In summary, upon adoption of AASB 9, the CEPU Communications Division applied the following required or elected reclassifications:

1 July 2018	AASB 9 measurement category			
	Fair value through profit or loss		Amortised cost	Fair value through OCI
	\$	\$	\$	\$
AASB 139 measurement category				
Loans and receivables				
Trade and other receivables	413,730	-	413,730	-
	413,730	-	413,730	-

(ii) Impairment loss

The adoption of AASB 9 has fundamentally changed the CEPU Communications Division's accounting for impairment losses for financial assets by replacing AASB 139's incurred loss approach with a forward-looking ECL (expected credit loss) approach. AASB 9 requires the CEPU Communications Division to recognise an allowance for ECLs for all debt instruments not held at fair value through the surplus or deficit and contract assets, i.e. those held at amortised cost and at FVTOCI (fair value through other comprehensive income).

Upon adoption of AASB 9 the CEPU Communications Division did not recognise any additional impairment on trade receivables or loans receivable from a related party.

Future Australian Accounting Standards Requirements

New standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to the future reporting period that are expected to have a future financial impact on the CEPU Communications Division include:

**COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL,
PLUMBING AND ALLIED SERVICES UNION OF AUSTRALIA, COMMUNICATIONS DIVISION,
DIVISIONAL CONFERENCE
ABN 22 401 014 998**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

Future Australian Accounting Standards Requirements

Standard Name	Effective date - year ended	Requirements	Impact
AASB 16 Leases	31 March 2020	AASB 16: replaces AASB 117 Leases and some lease-related Interpretations requires all leases to be accounted for 'on-balance sheet' by lessees, other than short-term and low value asset leases provides new guidance on the application of the definition of lease and on sale and lease back accounting largely retains the existing lessor accounting requirements in AASB 117 requires new and different disclosures about leases. Under AASB 16 current leases will be reclassified to Statement of Financial Position as a right of use asset with a corresponding liability.	There is no expected Impact on the reported financial position and performance. This is on the basis that there is only operating leases for two printers as at 31 March 2019 which will expire prior to 31 March 2020.
AASB 1058 Income of Not-for-Profit Entities	31 March 2020	AASB 1058 clarifies and simplifies the income recognition requirements that apply to not-for-profit (NFP) entities, in conjunction with AASB 15 Revenue from Contracts with Customers. These Standards supersede all the income recognition requirements relating to private sector NFP entities, and the majority of income recognition requirements relating to public sector NFP entities, previously in AASB 1004 Contributions. Under AASB 1058, the timing of income recognition depends on whether an NFP transaction gives rise to a liability or other performance obligation (a promise to transfer a good or service), or a contribution by owners, related to an asset (such as cash or another asset) received by an entity. This standard applies when an NFP entity enters into transactions where the consideration to acquire an asset is significantly less than the fair value of the asset principally to enable the entity to further its objectives. In the latter case, the entity will recognise and measure The asset at fair value in accordance with the applicable Australian Accounting Standard (e.g. AASB 116 Property, Plant and Equipment). Upon initial recognition of the asset, AASB 1058 requires the entity to consider whether any other	There is no expected Impact on the reported financial position and performance.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

**1.4 New Australian Accounting Standards (continued)
Future Australian Accounting Standards Requirements (Cont'd)**

Standard Name	Effective date - year ended	Requirements	Impact
		<p>financial statement elements (called 'related amounts') should be recognised, such as:</p> <p>a Contributions by owners;</p> <p>b Revenue, or a contract liability arising from a contract with a customer;</p> <p>c A lease liability;</p> <p>d A financial instrument; or</p> <p>e A provision.</p> <p>These related amounts will be accounted for in accordance with the applicable Australian Accounting Standard.</p>	

1.5 Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Capitation fees and levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which they relate.

Donation income is recognised when it is received.

Receivables for goods and services, which have 30 day terms, are recognised at the nominal amounts due less any impairment loss allowance due to expected credit losses at each reporting date. A provision matrix that is based on historical credit loss experience, adjusted for forward looking factors specific to the debtors and the economic environment has been established. Historically, all CEPU branches have paid their capitation/ACTU affiliation fees and the CEPU Communications Division expects this to continue and has therefore not recognised any loss allowance. Collectability of debts is reviewed at end of the reporting period. Allowances are made when collectability of the debt is no longer probable.

Interest revenue is recognised on an accrual basis using the effective interest method.

1.6 Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 Employee Benefits) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Provision is made for separation and redundancy benefit payments. Reporting Unit recognises a provision for termination as part of a broader restructuring when it has developed a detailed formal plan for the terminations and has informed those employees affected that it will carry out the terminations. A provision for voluntary termination is recognised when the employee has accepted the offer of termination.

1.7 Leases

Operating lease payments are expensed on a straight-line basis which is representative of the pattern of benefits derived from the leased assets.

1.8 Cash

Cash is recognised at its nominal amount. Cash and cash equivalents include cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

1.9 Gains

Sale of Assets

Gains and losses from disposal of assets are recognised when control of the asset has passed to the buyer.

1.10 Financial Instruments

Financial assets and financial liabilities are recognised when the Health Services Union becomes a party to the contractual provisions of the instrument.

1.11 Financial Assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the CEPU Communication Division's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the CEPU Communication Division initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The CEPU Communication Division's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result

**COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL,
PLUMBING AND ALLIED SERVICES UNION OF AUSTRALIA, COMMUNICATIONS DIVISION,
DIVISIONAL CONFERENCE
ABN 22 401 014 998**

from collecting contractual cash flows, selling the financial assets, or both.
**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in five categories:

- (Other) financial assets at amortised cost
- (Other) financial assets at fair value through other comprehensive income
- Investments in equity instruments designated at fair value through other comprehensive income
- (Other) financial assets at fair value through profit or loss
- (Other) financial assets designated at fair value through profit or loss.

Financial assets at amortised cost

The CEPU Communication Division measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The CEPU Communication Division's financial assets at amortised cost includes trade receivables.

Derecognition

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired or
- The CEPU Communication Division has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either:
 - a) the CEPU Communication Division has transferred substantially all the risks and rewards of the asset, or
 - b) CEPU Communication Division has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the CEPU Communication Division has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the CEPU Communication Division continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

Impairment

(i) Trade receivables

For trade receivables that do not have a significant financing component, the CEPU Communication Division applies a simplified approach in calculating expected credit losses (ECLs) which requires lifetime expected credit losses to be recognised from initial recognition of the receivables.

Therefore, the CEPU Communication Division does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECL's at each reporting date. The CEPU Communication Division has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. Historically, all CEPU branches have paid their capitation/ACTU affiliation fees and the CEPU Communication Division expects this trend to continue and has therefore not recognised any loss allowance.

(ii) Debt instruments other than trade receivables

For all debt instruments other than trade receivables and debt instruments not held at fair value through profit or loss, the CEPU Communication Division recognises an allowance for expected credit losses using a general approach. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the CWU Communications Division expects to receive, discounted at an approximation of the original effective interest rate.

ECLs are recognised in two stages:

- Where there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses from possible default events within the next 12-months (a 12-month ECL).
- Where there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the debt, irrespective of the timing of the default (a lifetime ECL).

The CEPU Communication Division considers a financial asset in default when contractual payments are 180 days past due. However, in certain cases, the CEPU Communication Division may also consider a financial asset to be in default when internal or external information indicates that the CEPU Communication Division is unlikely to receive the outstanding contractual amounts in full. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

1.12 Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at amortised cost or at fair value through profit or loss.

All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The CEPU Communication Division's financial liabilities include trade and other payables.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

Subsequent measurement

Financial liabilities at amortised cost

After initial recognition, trade payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

1.13 Contingent Liabilities and contingent assets

Contingent liabilities and contingent assets are not recognised in the statement of financial position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

1.14 Land, buildings, plant and equipment

Asset recognition threshold

Purchase of land, buildings, plant and equipment are recognised initially at cost in the Statement of Financial Position. The initial cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

Revaluations - Buildings

Following initial recognition at cost, the buildings are carried at fair value less subsequent accumulated depreciation and accumulated impairment losses. Revaluations are performed with sufficient frequency such that the carrying amount of assets do not differ materially from those that would be determined using fair values as at the reporting date.

Revaluation adjustments are made on a class basis. Any revaluation increment is credited to equity under the heading of asset revaluation reserve except to the extent that it reversed a previous revaluation decrement of the same asset class that was previously recognised in the surplus / deficit. Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the asset is restated to the revalued amount.

Depreciation

Depreciable property, plant and equipment assets are written-off to their estimated residual values over their estimated useful life using, in all cases, the straight line method of depreciation. Depreciation rates (useful lives), residual values and methods are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

Depreciation rates applying to each class of depreciable asset are based on the following useful lives:

Asset Class	2019	2018
Buildings	40 years	40 years
Plant and equipment	2 to 10 years	2 to 10 years

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

Derecognition

An item of land, buildings, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

1.15 Impairment of non- financial assets

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the CEPU Communications Division were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

1.16 Taxation

The CEPU Communications Division is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

1.17 Fair value measurement

The CEPU Communications Division measures financial instruments, such as, financial assets as at fair value through the profit and loss, financial assets at fair value through OCI, and non-financial assets such as land and building, at fair value at each balance sheet date. CEPU Communications Division restated its building at fair value as at 31 March 2019. Previously it was reported at cost. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 14A.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the CEPU Communications Division. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 1 Summary of significant accounting policies continued

The CEPU Communications Division uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1-Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2-Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3-Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the CEPU Communications Division determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as buildings. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the CEPU Communications Division has determined classes of assets and liabilities on the basis of the nature, characteristics and the risks of the assets or liability and the level of the fair value hierarchy.

1.18 Going Concern

The CEPU Communications Division is not reliant on the agreed financial support of another reporting unit to continue on a going concern basis. The reporting unit has not agreed to provide financial support to another reporting unit to ensure they can continue on a going concern basis.

Gross book value	4,000,000	2,505,723
Accumulated depreciation	-	(378,328)
Net book value 31 March	4,000,000	2,127,396

The revaluation consists of buildings. Management determined that these constitute one class of asset under AASB 13, based on the nature, characteristics and risks of the property.

Fair value of the properties was determined by using market comparable method. This means that valuations performed by the valuer are based on active market prices, significantly adjusted for the difference in the nature, location or condition of the specific property. As at the date of revaluation [11.04.2019], the properties' fair values are based on valuations performed by First Valuation Group, an accredited independent valuer.

Contingent assets

On 11 August 2016, the Fair Work Commissions approved the alteration of the rules of communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia.

Under the rule changes it allowed the Communication Division, Tasmania Branch to merge with the Electrical, Energy and Services Division – Tasmanian Branch (CEPU Tasmania)

In addition, a Memorandum of Understanding was agreed between the Electrical Division and the Communications Division detailing that:

In the event that the sale of the real property transferred from the CWU Tasmania (the building located at 105 New Town Road, New Town), the proceeds (after any debts and liabilities) shall divided evenly between the respective Divisional Funds of the Electrical Divisions and the Communications Division.

Note 11 Related party disclosures continued

Note 11A: Related party transactions for the reporting period continued

Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the yearend are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. Impairment of receivables relating to amounts owed by related parties and declared person or body are as disclosed in Note 5B to the financial statements. This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

No property was transferred to related parties during the financial year ended 31 March 2019.

Note 13B: Net income and expense from financial assets

Held-to-maturity

Interest revenue	194,200	183,157
Gain/loss on disposal	4,159	-
Net gain/(loss) held-to-maturity	198,359	183,157
Net gain/(loss) from financial assets	198,359	183,157

The net income/expense from financial assets not at fair value through profit and loss is \$198,359 (2018: \$183,157).

Note 13C: Net income and expense from financial liabilities

The net income/expense from financial liabilities not at fair value through profit and loss is Nil (2018: Nil).

Note 13D: Credit risk

Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the entity.

Credit risk is managed through maintaining procedures (such as the utilisation of systems for the approval, granting and removal of credit limits, regular monitoring of exposure against such limits and monitoring of the financial stability of significant customers and counterparties) ensuring, to the extent possible, that members and counterparties to transactions are of sound credit worthiness.

Risk is also minimised through investing surplus funds in financial institutions that maintain a high credit rating or in entities that the committee has otherwise cleared as being financially sound.

Credit risk exposures

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

There is no collateral held by the entity securing trade and other receivables.

The CWU Communications Division has no significant concentrations of credit risk with any single counterparty or group of counterparties. Details with respect to credit risk of trade and other receivables are provided in Note 5B.

Trade and other receivables that are neither past due nor impaired are considered to be of high credit quality. Aggregates of such amounts are detailed at Note 5B.

**COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL,
PLUMBING AND ALLIED SERVICES UNION OF AUSTRALIA, COMMUNICATIONS DIVISION,
DIVISIONAL CONFERENCE

Total	-	245,144	-	-	-	245,144

Note 13F: Market risk

Interest rate risk

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows.

Sensitivity analysis of the risk that the entity is exposed to for 2019

	Risk Variable	Change in risk variable %	Effect on	
			Profit and loss \$	Equity \$
Interest rate risk	-	+1%	79,000	79,000
Interest rate risk	-	-1%	(79,000)	(79,000)

Sensitivity analysis of the risk that the entity is exposed to for 2018

	Risk Variable	Change in risk variable %	Effect on	
			Profit and loss \$	Equity \$
Interest rate risk	-	+2%	155,070	155,070
Interest rate risk	-	-2%	(155,070)	(155,070)

Price risk

Price risk relates to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices of securities held.

DIVISIONAL CONFERENCE
ABN 22 401 014 998**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

Note 14 Fair value measurement

Note 14A: Financial assets and liabilities

Management of the reporting unit assessed that cash; trade receivables and trade payables approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair value of financial assets and liabilities is included at the amount which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair values:

- Fair values of the reporting unit's interest-bearing borrowings and loans are determined by using a discounted cash flow method. The discount rate used reflects the issuer's borrowing rate as at the end of the reporting period. The own performance risk as at 31 March 2019 was assessed to be insignificant.
- Fair value of available-for-sale financial assets is derived from quoted market prices in active markets.
 - Long-term fixed-rate and variable-rate receivables/borrowings are evaluated by the reporting entity based on parameters such as interest rates and individual credit worthiness of the customer. Based on this evaluation, allowances are taken into account for the expected losses of these receivables. As at 31 March 2019 the carrying amounts of such receivables, net of allowances, were not materially different from their calculated fair values.

Note 14A: Financial assets and liabilities continued

The following table contains the carrying amounts and related fair values for the reporting unit's financial assets and liabilities:

	Carrying amount	Fair value	Carrying amount	Fair value
	2019	2019	2018	2018
	\$	\$	\$	\$
Financial Assets

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019

Note 16 Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or General Manager:

1. A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
2. The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
3. A reporting unit must comply with an application made under subsection (1).

Opinion

We have audited the financial report of Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing And Allied Services Union Of Australia, Communications Division, Divisional Conference, which comprises the statement of financial position as at 31 March 2019, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies; the committee of management statement, the subsection 255(2A) report and the officer declaration statement.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing And Allied Services Union Of Australia, Communications Division, Divisional Conference, as at 31 March 2019, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

We declare that management's use of the going concern basis in the preparation of the financial statements of the Reporting Union is appropriate.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. We are independent of the Reporting Union in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**INDEPENDENT AUDITOR'S REPORT TO
THE MEMBERS OF COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY,
INFORMATION, POSTAL, PLUMBING AND ALLIED SERVICES UNION OF
AUSTRALIA, COMMUNICATIONS DIVISION, DIVISIONAL CONFERENCE**

Responsibilities of Committee of Management for the Financial Report

The Committee of Management of the reporting unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the committee of management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee of management is responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee of management either intend to liquidate the reporting unit or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the reporting unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the reporting unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events

**INDEPENDENT AUDITOR'S REPORT TO
THE MEMBERS OF COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY,
INFORMATION, POSTAL, PLUMBING AND ALLIED SERVICES UNION OF
AUSTRALIA, COMMUNICATIONS DIVISION, DIVISIONAL CONFERENCE**

or conditions may cause the reporting unit to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Reporting Union audit. We remain solely responsible for our audit opinion.

We communicate with the committee of management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

I declare that I am an auditor, registered under the RO Act.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of section 257(7) of the RO Act, we are required to describe any deficiency, failure or shortcoming in respect of the matters referred to in section 252 and 257(2) of the RO Act.

Our opinion on the financial report is not modified in respect of the following matters because, in our opinion, it has been appropriately addressed by the reporting unit and is not considered material in the context of the audit of the financial report as a whole.

Officer declaration statement

I, Greg Rayner, being the Divisional Secretary of the Communications, Electrical, Electronic, Energy, Information Postal, Plumbing and Allied Services Union of Australia, Communications Division, Divisional Conference, declare that the following activities did not occur during the reporting period ending 31 March, 2019.

The reporting unit did not:

- * agree to receive financial support from another reporting unit to continue as a going concern (refers to agreement regarding financial support not dollar amount)
- * agree to provide financial support to another reporting unit to ensure they continue as a going concern (refers to agreement regarding financial support not dollar amount)
- * acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission
- * receive periodic or membership subscriptions * receive donations or grants * receive revenue from undertaking recovery of wages activity
- * incur fees as consideration for employers making payroll deductions of membership subscriptions * pay capitation fees to another reporting unit
- * pay compulsory levies
- * pay a grant that was \$1,000 or less
- * pay a grant that exceeded \$1,000
- * pay to a person fees or allowances to attend conferences or meetings as a representative of the reporting unit
- * incur expenses due to holding a meeting as required under the rules of the organisation
- * pay legal costs relating to litigation
- * pay a penalty imposed under the RO Act or the Fair Work Act 2009
- * have a payable to an employer for that employer making payroll deductions of membership subscriptions
- * have a payable in respect of legal costs relating to litigation
- * have a payable in respect of legal costs relating to other legal matters
- * have a fund or account for compulsory levies, voluntary contributions or required by the rules of the organisation or branch
- * transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity
- * have a balance within the general fund
- * provide cash flows to another reporting unit and/or controlled entity
- * receive cash flows from another reporting units and/or controlled entity
- * have another entity administer the financial affairs of the reporting unit
- * make a payment to a former related party of the reporting unit

Greg Rayner
Divisional Secretary
Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services
Union of Australia-Communications Division
Sent via email: cwu@cwu.org.au

Dear Greg Rayner,

Lodgement of Financial Report - Reminder to lodge

The Registered Organisations Commission's (the ROC) records disclose that the financial year of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia-Communications Division (the reporting unit) ended on the 31 March 2019.

As you would be aware, the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires that a reporting unit prepare a financial report in accordance with the RO Act, make it available to the members and then must lodge the financial report within 14 days after the general meeting of members, or if the rules of the reporting unit allow, the Committee of Management meeting (s.268).

The maximum period of time allowed under the RO Act for the full financial report to be presented to a general meeting of members or a committee of management meeting is six months after the expiry date of its financial year (s.253, s.254, s.265, s.266, s.268). The full report must be lodged with the ROC within 14 days of that meeting.

The ROC encourages your reporting unit to lodge its financial report at the earliest opportunity in order to ensure compliance with its obligations. Failure of a reporting unit to lodge its financial report is a breach of a civil penalty provision of the RO Act. This can result in the Commissioner instituting an inquiry or investigation into a reporting unit's non-compliance under Chapter 11, Part 4 of the RO Act. The actions available to the Commissioner following an investigation include issuing Federal Court legal proceedings for breach of a civil penalty provision. The orders available to the Federal Court include imposition of a pecuniary penalty on the organisation or individual officer, whose conduct led to the contravention, of up to \$105,000 per contravention on the organisation and up to \$21,000 per contravention on an officer whose conduct led to the contravention.

We encourage you to lodge the full financial report directly to regorgs@roc.gov.au. That is the official email address for electronic lodgements of material related to registered organisations matters.

Should you seek any clarification in relation to the above, please contact me on 1300 341 665 or via email at regorgs@roc.gov.au.

Yours faithfully,

Kylie Ngo
Registered Organisations Commission

3 April 2019

Greg Rayner
Divisional Secretary
Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services
Union of Australia-Communications Division
Sent via email: cwu@cwu.org.au

Dear Greg Rayner,

Re: Lodgement of Financial Report - FR2019/18
Fair Work (Registered Organisations) Act 2009 (the RO Act)

The financial year of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia-Communications Division (the reporting unit) ended on 31 March 2019. This is a courtesy letter to remind you of the reporting unit's obligations regarding financial reporting.

Loans Grants and Donations Statement

The reporting unit is required to lodge a statement showing the relevant particulars in relation to each loan, grant or donation of an amount exceeding \$1,000 for the reporting unit during its financial year. Section 237 of the RO Act requires this statement to be lodged with the Registered Organisations Commission (the ROC) within 90 days of the end of the reporting unit's financial year, that is on or before 29 June 2019.

The attached fact sheet *Loans Grants and Donations* (FS 009) summarises the requirements of the Loans Grants and Donations Statement. A sample statement of loans, grants or donations is available on our [website](#).

It should be noted that s.237 is a civil penalty provision. If a loan, grant or donation over \$1000 has been made, failure to lodge a statement of loans, grants and donations (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$105,000 for each contravention for a body corporate and up to \$21,000 for each contravention for an individual) being imposed upon your organisation and/or an officer whose conduct led to the contravention.

Financial report

The RO Act sets out a particular chronological order in which your financial report must be prepared, audited, provided to members, presented to a meeting and then lodged with the ROC. The attached document *Summary of Financial Reporting timelines* (FS 008) summarises these requirements.

We emphasise that the reporting unit is required to present its audited financial report to a meeting (either of members or of the committee of management, depending on your rules) no later than 30 September 2019 (s.266). The full financial report must be lodged with the ROC within 14 days of that meeting (s.268).

When assessing your financial report, we will continue to focus closely on timelines as well as how loans, grants and donations are reported. The financial report must break down the amounts of

grants and donations and these figures will be compared to the loans, grants and donations statement (see attached *Loans Grants and Donations* fact sheet FS 009).

You can visit our website for more information regarding [financial reporting](#), and fact sheets regarding [financial reporting processes and requirements](#). A model set of financial statements developed by the ROC is also available on our website. It is not obligatory to use this model but it is a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards.

It should be noted that s.268 of the RO Act is a civil penalty provision. Failure to lodge the full financial report (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$105,000 for each contravention for a body corporate and up to \$21,000 for each contravention for an individual) being imposed upon your organisation and/or an officer whose conduct led to the contravention (s.268).

Auditor's report

When assessing the financial report we will also focus on the structure and content of the auditor's report to ensure that it complies with the revisions made to the Auditing Standards which came into effect from 15 December 2016. Please find [here](#) a link to guidance note *Illustrative Auditor's Report* (GN 004) relating to these requirements (which can also be located on our website).

REMINDER

YOUR AUDITOR MUST BE REGISTERED (s.256)

You must ensure that your auditor is registered by the Registered Organisations Commissioner. A list of registered auditors is available on our [website](#).

Contact

Should you require any clarification in relation to the above, please email regorgs@roc.gov.au.

Yours faithfully,

Kylie Ngo
Registered Organisations Commission

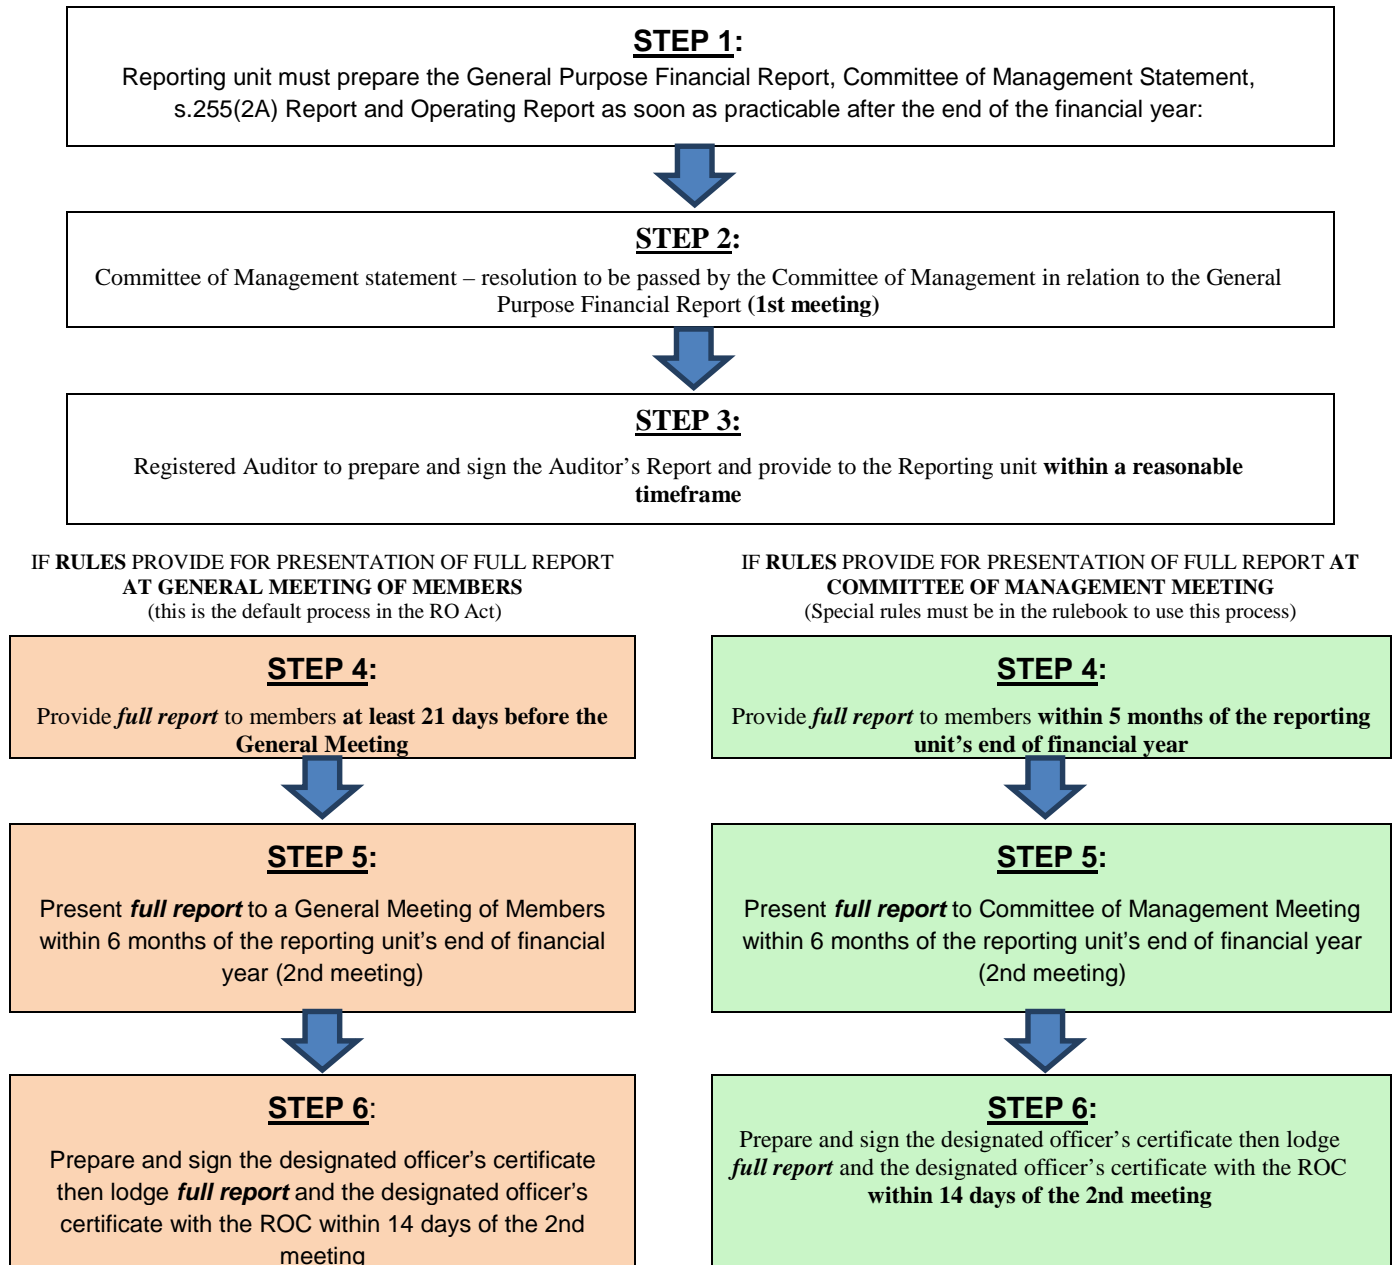

Fact sheet

Summary of financial reporting timelines – s.253 financial reports

General Information:

- The **full report** consists of the General Purpose Financial Report, Committee of Management Statement, Operating report, s.255(2A) Report and signed Auditors' Report
- For an explanation of each of the steps below see our [Fact sheet—financial reporting process](#).

Misconceptions

Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Financial Reporting Process. They include:

Misconception	Requirement
 The Committee of Management statement is just copied from the Reporting Guidelines	 The Committee of Management statement must have the date of the Committee of Management resolution recorded upon it and it must be signed and dated BEFORE the auditor signs their report Further, if any of the statements within it need to be modified to suit the reporting unit (for instance not holding meetings) these changes must also be made
 The Auditor's Report does not need to be signed until just before it is lodged with the ROC	 The Auditor's Report must be signed and dated BEFORE the full report (including the Auditor's Report) is sent to members and presented to the second meeting
 The Designated Officer's Certificate must be signed before the report is sent to members	 The Designated Officer's Certificate declares what the reporting unit HAS ALREADY DONE to provide the report to members and present it to the meeting. It must be signed and dated AFTER sending the report to members and the second meeting
 Documents can be dated when they should have been signed or when the events in the document occurred	 Documents must always be dated at the date they are actually signed by an officer or auditor
 Any auditor can audit a financial report	 Only registered auditors can audit the financial report
 The Committee of Management statement can be signed at any time	 The resolution passing the Committee of Management Statement must occur and the statement signed and dated BEFORE the auditor's report is signed and dated
 Any reporting unit can present the Full Report to a second COM meeting	 Only reporting units with a 5% rule in their rulebook are able to present their report to a second Committee of Management Meeting. Otherwise, it must be presented to a General Meeting of members
 Everything can be done at one Committee of Management meeting	 If the rules allow for presenting the report to the Committee of Management, there must still be <u>two meetings</u> . The first meeting resolves the Committee of Management statement (including signing and dating it). Between the two meetings the Auditor's report is signed and dated. Only then can the full report be presented to the second Committee of Management meeting (if the rules allow)
 The reporting unit has 6 months and 14 days to lodge their financial report with the ROC	 The reporting unit must lodge the financial report within 14 days of the second meeting

This fact sheet is not intended to be comprehensive. It is designed to assist in gaining an understanding of the Registered Organisations Commission and its work. The Registered Organisations Commission does not provide legal advice.

Fact sheet

Loans, Grants & Donations

The Loans, Grants & Donations Requirements

The *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires an organisation or branch to lodge a loans, grants and donations statement (the statement) within **90 days** of the ending of the financial year.

Under the Commissioner's Reporting Guidelines, a reporting unit's General Purpose Financial Report (the financial report) must break down the amounts of grants and donations (see below). The figures in the financial report will be compared to the loans, grants and donations statement.

The Loans, Grants & Donations Statement

Section 237 of the RO Act applies to every loan, grant and donation made by an organisation or branch during the financial year that exceeds \$1000. The following information must be supplied to the Registered Organisations Commission (the ROC) for each relevant loan, grant or donation:

- the amount,
- the purpose,
- the security (if it is a loan),
- the name and address of the person to whom it was made,* and
- the arrangements for repaying the loan.*

*The last two items are not required if the loan, grant or donation was made to relieve a member of the organisation (or their dependent) from severe financial hardship.

The statement must be lodged within 90 days of the end of the financial year and the ROC has a [Template Loans, Grants and Donations Statement](#) on its website. The ROC encourages branches and organisations to lodge the statement even if all of the figures are NIL.

Common misconceptions

Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Statement. They include:

Misconception	Requirement
 Only reporting units must lodge the Statement.	 All branches and organisations, regardless of whether they lodge a financial report, must lodge the statement within 90 days of the end of the financial year. An organisation cannot lodge a single statement to cover all of its branches.
 Employees can sign the Statement.	 The statement must be signed by an elected officer of the relevant branch.
 Statements can be lodged with the financial report.	 The deadline for the statement is much shorter (90 days) and if it is lodged with the financial report it is likely to be late.

Grants & Donations within the Financial Report

Item 14(e) of the Commissioner's Reporting Guidelines requires the reporting unit to separate the line items relating to grants and donations into grants or donations that were \$1000 or less and those that exceeded \$1000.

As such, the note in the financial report relating to grants and donations will have four lines.

In the [ROC's Model Statements](#) the note appears as follows:

Note 4E: Grants or donations*

Grants:	2017	2016
Total expensed that were \$1,000 or less	-	-
Total expensed that exceeded \$1,000	-	-
Donations:		
Total expensed that were \$1,000 or less	-	-
Total expensed that exceeded \$1,000	-	-
Total grants or donations	-	-

The Commissioner's Reporting Guidelines requires that these line items appear in the financial statements, the notes or in the officer's declaration statement, even if the figures are NIL.

Implications for filing the Financial Report

During their review of the financial report staff of the ROC may confirm that the figures in the financial report match the disclosures made in the statement. Any inconsistencies in these figures will be raised with the organisation or branch for explanation and action.

This may involve lodging an amended loans, grants or donations statement. Any failure to lodge a loans, grants or donations statement or lodging a statement that is false or misleading can attract civil penalties under the RO Act.

If a reporting unit did not fully comply with these requirements in their last financial report, its filing letter will have included a statement reminding the reporting unit of its obligations.

It is strongly recommended that all reporting units review their filing letters from the previous financial year to ensure any targeted concerns are addressed in their latest financial report. Failure to address these individual concerns may mean that a financial report cannot be filed.

Previous financial reports and filing letters are available from the website.

Further information

If you have any further questions relating to the loan, grant and donation disclosure requirements in the statement or the financial report, please contact the ROC on regorgs@roc.gov.au
