Dear Mr Metcher

**Financial Return - year ending 31 March 2006**

Our records show your organisation's financial year ended recently. This letter outlines some of the things you must do to meet your financial reporting obligations and when you have to do them. For simplicity, we will call the documents you have to lodge with us your *financial return*.

**New legislation**

This letter is intended as guide to the law applicable on the date of this letter and should not be used as a substitute for legal or accounting advice. We only summarise some of the reporting requirements in this letter. More detailed information is at the end of this letter.

The legislation has changed since your last return. In May 2003 the Industrial Registrar wrote to all organisations forwarding a number of facts sheets outlining the major changes made by Schedule 1B of the Workplace Relations Act 1996 ('RAO'<sup>1</sup>). While the immediate changes affected the rules and elections in organisations, the changes affecting financial returns involve a longer lead time.

**The key differences under the new legislation affecting financial returns are:**

- a reduced financial reporting cycle (now maximum periods of 5 or 6 months depending on internal arrangements of organisation)
- a greater emphasis given to Australian Accounting Standards
- the introduction of a new report, known as an Operating Report (broadly similar in concept to a Director's Report under the corporations legislation)
- extensions of time are limited to one month
- restructured penalty provisions involving more extensive use of Civil Penalties
- the introduction of the Industrial Registrar's Reporting Guidelines
- organisations and their branches to report according to their financial structures, known as 'reporting units'.

We recommend you discuss the new requirements with your accountant or auditor.

---

<sup>1</sup> Registration and Accountability of Organisations Schedule (RAO) (Schedule 1B to the *Workplace Relations Act 1996*)

## Reporting Unit

One of the new concepts of the RAO legislation is that reporting entities are known as "*reporting units*". Where an organisation is **not** divided into branches the reporting unit is the whole of the organisation. Where an organisation is divided into branches each branch will be a reporting unit unless the Industrial Registrar has determined a division of the organisation into reporting units on an alternative basis. We can discuss this with you if you need more information.

For simplicity, we will refer to your organisation as a reporting unit in this letter.

## Industrial Registrar's Guidelines

The Industrial Registrar's reporting guidelines set out certain disclosure requirements in addition to those prescribed by Australian Accounting Standards having in mind the nature of organisations registered under the Workplace Relations Act.

The disclosure requirements prescribed by the reporting guidelines are directed towards providing members of the reporting unit with information to enable them to gauge the performance of the committee of management and other holders of office in relation to the financial management of the reporting unit. In addition, the reporting guidelines seek to improve the quality of information available to users of the financial report about the reporting unit's economic support of, or economic dependency on, other reporting units of the organisation.

## Timeline Planner and Checklist

We have attached a Timeline/Planner (*Attachment A*) to help you **plan** your financial return and carry out all the necessary steps. We have also attached a Document Checklist (*Attachment B*) to **check** your documents before lodging them in the Registry. Both documents are abbreviated summaries of the relevant provisions of the RAO Schedule, RAO Regulations and the Industrial Registrar's Reporting Guidelines.

In the following section we describe some of the documents your reporting unit must prepare and the sequence of their preparation and completion.

## Three Reports

Your reporting unit must prepare two reports as soon as practicable after its financial year, which, together with the Auditor's Report, comprise the reporting unit's financial return.

1. **General Purpose Financial Report** - this must comply with the Australian Accounting Standards and the Industrial Registrar's Reporting Guidelines. The GPFR consists of:

Financial Statements containing:

- a profit and loss statement, or other operating statement; and
- a balance sheet; and
- a statement of cash flows; and
- any other statements required by the Australian Accounting Standards; and

Notes to the Financial Statements containing:

- notes required by the Australian Accounting Standards; and
- information required by the Industrial Registrar's *Reporting Guidelines* under section 255); and

Committee of Management Statement as required by the Registrar's Reporting Guidelines (a sample certificate for illustrative purposes is at Attachment C)

2. **Operating Report** - this report includes a review of your reporting unit's principal activities for the year and other specified information.

Your reporting unit must appoint an auditor to audit the GPFR and to provide:

3. an **Auditor's Report**.

### **First Meeting (Committee of Management)**

For simplicity, we will call the meeting at which the committee of management first considers the GPFR the first meeting. At the first meeting your committee, if satisfied that all is in order, will resolve to express its opinion on the GPFR and complete a Committee of Management Statement.

### **The Auditor**

After the first meeting, the auditor takes the GPFR and the Committee of Management Statement and prepares a report on the GPFR. In practice, your auditor may have already completed most of his or her examination of your accounts. The auditor may only be waiting on the Committee to pass the required resolution and make the Statement before signing the report the same day.

### **Informing Your Members**

Your reporting unit must provide free of charge to the general membership, copies of the GPFR, the Operating Report and the Auditor's Report. RAO calls these the "full report". Under certain circumstances, your reporting unit can provide a more limited *concise report*.

The reporting unit can meet its obligation to provide copies of the full or concise report to members by publishing the report in a journal that is available to the members free of charge.

A reporting unit may meet this obligation in whole or in part by publication of the report in a journal published on a web site on the Internet dependent on:

- a. the extent of the accessibility of the members of the reporting unit to the Internet; and
- b. that the members are notified by the reporting unit in the usual manner in which it communicates with its members that the report has been so published at a specified Internet address.

The report must be provided within 5 or 6 months from the end of the financial year, depending on the internal arrangements of the organisation for the presentation of its financial reports.

### **The Second Meeting - if it is a General Meeting of Members**

After providing the full report to members it must be presented to a general meeting of members. For simplicity this is referred to as the *second meeting*.

Your reporting unit must always allow a minimum of 21 days for members to receive the full report before presenting it to a general meeting of members (s265(5)). The purpose of the interval and the second meeting is to enable the members to have time to consider the report and, if they wish, to attend the second meeting to discuss it.

If the rules of the organisation permit a general meeting to be a series of meetings held at different locations, the full report may be presented to such a series of meetings. In this case the 'date' of the general meeting is taken to be the date of the last meeting in the series (see s266(2)).

## **The Second Meeting - if it is a Committee of Management Meeting**

If the rules of your organisation contain a provision that allows up to 5% of members to demand a general meeting to be held consider the report (see s266(3)), it is permissible to present the report directly to a Committee of Management meeting.

### **Lodge full report within 14 days of meeting**

You must lodge a copy of the full report and any concise report in the Industrial Registry within 14 days of the second meeting. For your convenience you are encouraged to lodge the material electronically (see eFiling Tab at [www.airc.gov.au](http://www.airc.gov.au)).

The Secretary (or another officer appropriately authorised under the rules of the organisation) must *certify* that the full report is a copy of the one provided to members and presented to the second meeting and provide the date of the meeting (a sample certification for illustrative purposes is at *Attachment D*).

When we receive your return we will check that it includes the information you must provide your members and that you have provided it to them correctly.

### **Complying with time limits**

This letter has outlined some of the steps in preparing and lodging your return. Many of the steps must be completed within fixed time limits.

Failure to complete them in time could make your reporting unit or its officers liable to financial or "civil penalties".

### **Extensions of Time**

We appreciate that sometimes circumstances beyond your reporting unit's control may delay completion of a financial return. If you believe your reporting unit is going to be unable to meet a time limit tell us as soon as you know. We can advise you if the step is one for which you may apply under RAO to the Industrial Registrar for extra time to complete. The maximum extra time allowed can be no more than one month.

### **Reduced Reporting Requirements**

If your reporting unit meets certain conditions, some of these reporting requirements can be reduced. Such conditions might be where the annual income of the reporting unit (where the reporting unit is the whole of the organisation) is less than \$100,000, or where the reporting unit has no financial affairs in the financial year, or where the financial affairs of the reporting unit are encompassed by the financial affairs of its counterpart State industrial association.

### **Contact the Registry**

We encourage you to contact the Registry on (02) 8374 6666 as early as possible if you believe preparation or lodgment of your return will be delayed or if you have any queries. We can offer you advice on procedure but we cannot give you legal or accounting advice.

## Information on AIRC Website

We recommend you and your accountant/auditor refer to the following documents on the Commission's website at [www.airc.gov.au](http://www.airc.gov.au):

- [RAO Schedule and RAO Regulations](#)
- [Registrar's Reporting Guidelines](#) - All GPFR's must comply with these Guidelines. Please note that the Guidelines set out requirements that are *in addition* to those required by the Australian Accounting Standards.
- [RAO Fact Sheets](#) - These Fact Sheets explain the new requirements of the RAO Schedule - many of them deal with financial reporting matters.

Yours sincerely

For Deputy Industrial Registrar  
4 April 2006

**Documents Checklist**

You can use this checklist as soon as possible after the financial year ends to ensure you have all the necessary documents prepared and that those documents contain all information required by RAO.

### NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2006

#### 1. SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian equivalents to International Financial Reporting Standards (AIFRS), other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations and the Work Place Relations Act, 1996.

Compliance with Australian equivalents to International Financial Reporting Standards ensures that the financial report comprising the financial statements and notes thereto, complies with International Financial Reporting Standards (IFRS) except for:

- Segment reporting because AASB 114 "Segment Reporting" does not apply to not-for-profit organisations.
- Impairment of assets under AASB 136 "Impairment of assets"

#### BASIS OF PREPARATION

The financial report is for the entity Communications, Electrical, Plumbing Union of Australia Postal and Telecommunications Branch NSW, as an individual entity. The Communications, Electrical, Plumbing Union of Australia is an organisation registered under the Workplace Relations Act, 1996. The Postal and Telecommunications Branch NSW is a Branch of the registered organisation. In accordance with the Act the Union is a body corporate and has perpetual succession. By virtue of this method of incorporation, the Union and the Branch are not subject to the Corporations Act 2001.

The financial report has been prepared on the basis of historical costs modified by the revaluation of selected financial assets and liabilities for which the fair value basis of accounting has been applied. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

This is the first financial report prepared under AIFRS and AASB 1 First-Time Adoption of Australian Equivalents to International Financial Reporting Standards has been applied in preparing these statements. Comparatives for the year ended 31 March 2005 have been restated accordingly.

Reconciliations of the effect of the introduction of AIFRS on the Union's Accumulated Funds, Reserves, Net Surplus and Liabilities are detailed in Note 4.

The following is a summary of the significant accounting policies adopted by the economic entity in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

##### (a) Revenue

Contributions and Entrance Fees are accounted for on a cash receipts basis. Otherwise, the concept of accruals accounting has been adopted in the preparation of the financial statements. Interest is accounted for on an accruals basis.

FOR THE YEAR ENDED 31 MARCH 2006 (cont'd)

1. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(b) Income Tax

No provision for Income Tax is necessary as the Union is exempt from Income Tax under Section 50 - 15 of the Income Tax Assessment Act 1997.

(c) Property, Plant and Equipment

Each class of plant and equipment is at cost carried less, where applicable, any accumulated depreciation and any impairment in value.

*Depreciation*

The depreciable amount of plant and equipment is depreciated on a diminishing value method over their useful lives to the union commencing from the time the asset is ready for use.

The depreciation rates used for each class of asset are:

Office Furniture and Equipment	10% - 33%
Motor Vehicles	22.5%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

Gains and losses on disposals are calculated as the difference between the net disposal proceeds and the asset's carrying amount and are included in the income statement in the year that the item is derecognised.

*Land and Buildings*

Land and Buildings are carried at fair value.

(d) Impairment

The carrying amounts of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. An impairment loss is recognised in the income statement for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value and value in use. For the purpose of assessing value in use, this represents depreciated current replacement cost, as the Union is a not-for profit organisation.

**1. SIGNIFICANT ACCOUNTING POLICIES (cont'd)**

**(e) Employee Benefits**

Provision is made for the Branch's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled plus related on costs.

Other employee benefits payable later than one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. In the case of Long Service Leave this results in an amount not materially different to that achieved by discounting future cash flows.

Contributions are made by the Branch to employee superannuation funds and are charged as expenses when incurred.

**(f) Investments**

All investments and other financial assets are initially stated at cost, being the fair value of consideration given plus acquisition costs. Purchases and sales of investments are recognised on trade date, which is the date on which the entity commits to purchase, or sell the asset. Accounting policies for each category of investments and other financial assets subsequent to initial recognition are set out below.

*Available-for-sale financial assets*

Investments, which are classified as available for sale, are measured at fair value.

**(g) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables on the balance sheet are shown inclusive of GST.

**(h) Accounting Standards Issued But Not Yet Effective**

There have been no accounting standards issued which will impact the financial report in future periods and which are not yet effective.

**2. ACCOUNTING ESTIMATES AND JUDGEMENTS**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

**(a) Critical accounting estimates and assumptions**

The Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of asset and liabilities.

**(b) Critical judgments in applying the Branch's accounting principles**

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amount of the assets and liabilities.

**3. INFORMATION TO BE PROVIDED TO MEMBERS OR REGISTRAR**

In accordance with the requirements of the Workplace Relations Act, 1996 the attention of members is drawn to the provisions of Sub-Sections (1), (2) and (3) of Section 272 of Schedule 1B which read as follows:-

- (1) A member of an organisation, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

**4. IMPACT OF ADOPTION OF AIFRS**

#### 13. FINANCIAL INSTRUMENTS (cont'd)

##### **Credit Risk Exposure**

Credit risk is the risk that counterparties to a financial asset will fail to discharge their obligation, causing the Branch to incur financial loss.

The credit risk exposure of the Branch to financial assets which have been recognised in the Statement of Financial Position is generally the carrying amounts, net of any provisions for doubtful debts.

The carrying amounts of cash and non-interest bearing monetary financial assets and liabilities (e.g. receivables and payables) approximate net fair values.

#### 14. CBA BILL FACILITY - SECURED

The CBA Bill Facility is secured by a registered mortgage over the property at 81 George Street, Parramatta.

#### 15. SUPERANNUATION

All employees of the Branch are entitled to benefits from a superannuation plan on retirement, disability or death. The Branch participated in a defined contribution plan. The benefits provided under this plan are based on accumulated contributions and earnings for each employee. The Branch's liability is limited to paying the contributions to the plan.

#### 16. BRANCH MEMBERSHIP

For the purposes of the National Council Composition and Voting Rights, the actual membership contributions received for the financial year ended 31 March 2006 were \$3,278,267.

#### 17. REGISTERED OFFICE

The registered office and principal place of business of the Branch is:

## POSTAL AND TELECOMMUNICATIONS BRANCH NSW

### INDEPENDENT AUDIT REPORT

#### Scope

#### *The Financial Report and the Responsibility of the Branch Committee of Management and Branch Secretary*

The financial report comprises the balance sheet, income statement, statement of changes in accumulated funds, statement of cash flows, accompanying notes to the financial statements and the Branch Committee of Management's statement for the Communications, Electrical, Plumbing Union of Australia Postal and Telecommunications Branch NSW, for the year ended 31 March 2006.

The Branch Committee of Management and the Branch Secretary are responsible for the preparation and true and fair presentation of the financial report in accordance with the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

#### *Audit Approach*

We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Branch. Our audit has been conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal controls, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Workplace Relations Act 1996, including compliance with Accounting Standards and other mandatory professional reporting requirements in Australia a view which is consistent with our understanding of the Branch's financial position and its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the Branch Committee of Management and the Branch secretary.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

#### Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Workplace Relations Act 1996.

**DISCUSSION AND ANALYSIS OF THE FINANCIAL STATEMENTS**

**Information on the Communications, Electrical, Plumbing Union of Australia, Postal and Telecommunications Branch NSW Concise Financial Report:**

The financial statements and disclosures in the concise financial report have been derived from the 2006 financial report of the Communications, Electrical, Plumbing Union of Australia Postal and Telecommunications Branch NSW.

A copy of the full financial report and auditors report can be sent to any members, free of charge, upon request.

This discussion and analysis is provided to assist members in understanding the concise report. The discussion and analysis is based on Communications, Electrical, Plumbing Union of Australia Postal and Telecommunications Branch NSW 2006 financial report.

**Income Statement and Balance Sheet Position:**

The end of year 2006 financial report reflects a positive financial position following key budgetary targets exceeding expectations. Branch investments into representative skills training programmes supported by improved member communication and education services has contributed to membership stability. Increasing alternative income returns arising from the property asset is also a noticeable contributor to the overall balance sheet.

Whilst the end of year financial position exceeded budget expectations, additional funds will be necessary to retire current and new liabilities associated with the collective Union's 'Your Rights at Work' Campaign. This important campaign is targeting the Federal Government's WorkChoice Industrial Relations changes, that are affecting workplaces and Australian working families as from 27 March 2006.

CEPU Communications Division Branches have resolved to introduce a \$1 per week "Your Rights at Work" membership levy to commence as of 1 July 2006 for a term of 2 years. These funds raised from the \$1 membership levy are to specifically finance all aspects of the campaign including the rolling authorized ACTU and Unions NSW television campaign advertisements.

**Statement of Cash Flows:**

The cash flow of the Branch has been managed to ensure liabilities are met when they fall due. The Branch has secured long-term rental returns with fixed annual increases within the redeveloped building property, returning immediate and long-term alternative cash income benefits. The financial management plan for servicing and early retirement of the outstanding building redevelopment bank loan remains a targeted objective of the Branch Committee of Management.

**INDEPENDENT AUDIT REPORT**

To the members of the Communications, Electrical, Plumbing Union of Australia Postal and Telecommunications Branch NSW

**Scope**

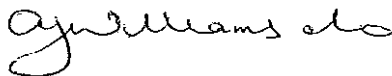

We have audited the concise financial report of Communications, Electrical, Plumbing Union of Australia, Postal and Telecommunications Branch NSW for the financial year ended 31 March 2006 comprising the Branch Committee of Management's Statement, Income Statement, Balance sheet, Statement of Changes in Accumulated Funds, Statement of Cash Flows and notes to the financial statements. The Branch Committee of Management and the Branch Secretary are responsible for the financial report. We have conducted an independent audit of this financial report in order to express an opinion on it to the members.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance whether the concise financial report is free of material misstatement. We have also performed an independent audit of the full financial report of Communications, Electrical, Plumbing Union of Australia, Postal and Telecommunications Branch NSW for the year ended 31 March 2006. Our audit report on the full financial report was signed on 7 July 2006, and was not subject to any qualification.

Our procedures in respect of the audit of the concise financial report included testing that the information in the concise financial report is consistent with the full financial report, and examination, on a test basis, of evidence supporting the amounts, discussion and analysis, and other disclosures which were not directly derived from the full financial report. These procedures have been undertaken to form an opinion whether, in all material respects, the concise financial report is presented fairly in accordance with Accounting Standards and the Workplace Relations Act 1996.

**Audit Opinion**

In our opinion, the concise financial report of Communications, Electrical, Plumbing Union of Australia, Postal and Telecommunications Branch NSW complies with Accounting Standards and the Workplace Relations Act 1996.

Mr Jim Metcher  
Secretary, NSW Postal & Telecommunications Branch  
CEPU  
PO Box 250  
PARRAMATTA NSW 2124

Dear Mr Metcher

**Re: Lodgement of Financial Statements and Accounts – New South Wales Postal & Telecommunications Branch, CEPU – for year ending 31 March 2006 (FR2006/207)**

I refer to the abovementioned financial statements and accounts which were lodged in the Registry on 19 September 2006.

The legislative requirements appear to have been met. I take this opportunity however to mention the following item for future reference.

**Recovery of Wages Activity Report**

I note the financial report did not contain any Recovery of Wages Activity report. Paragraph 16 of the Industrial Registrar's Guidelines (applying to financial years commencing after 11 November 2004) states:

*Where the reporting unit has undertaken recovery of wages activity (and has derived revenues for the financial year in respect of such activity) the reporting unit must cause to be prepared for purposes of paragraph 253(2)(c) of the RAO Schedule a financial report in which is disclosed financial information associated with such activity.*

Paragraphs 17-23 describe what such a report must contain, and paragraph 25(f) requires that the Committee of Management Statement contain various declarations in relation to such recovery wages activity.

My purpose in drawing the above provisions to attention is so that if such activity occurs in future years, the Branch is made aware that it should be reported in accordance with these Guidelines.

The documents have now been filed.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Stephen Kellett', with a long horizontal stroke extending to the right.
