Gerry Kandelaars
Branch Secretary

John Lee
Branch Assistant Secretary

Dear Sir/Madam,

In accordance with the Workplace Relations Act, 1996, I wish to advise you of the Elections which fall due next year for this Branch of the Union.

Details of each position, Term of Office, and Electorate is attached. These are subjected to recently amended CEPU Communications Division rules (which are subject to certification by the registrar). The current term of office for each position expires on the 31st July, 2003.

Also in accordance with the recently amended CEPU Communications Division rules the Branch Committee of Management has determined that the number of Committee Members for the 2003/2005 term will be:

Operator Divisional Section:
1 Branch Committee of Management positions

Technical Divisional Section:
6 Branch Committee of Management positions.

For the purpose of determining the number of Divisional Conference members, membership figures at 31 March 2002, were:

Operator Divisional Section: 105
Technical Divisional Section: 943

Attached is a copy of a certificate from our Auditor detailing Branch Financial Membership figures as at 31 March 2002.

The voting system to be employed in the conduct of the election is "First Past The Post". It has been the practice of this Branch for members to use numbers to indicate their vote.

There will also be an election held at the same time for (National) Divisional positions. In accordance with Rule 20, nominations for these positions should close no later than 12.00 noon on the last day of April in the year of the election. Further, Rule 69 (a) provides for the ballot to close on the 30th June of the same year for Branch elections. I therefore anticipate, that to conform to this time-table, the opening of nominations would be notified to members in March 2003.

Could you please make arrangement for the Australian Electoral Commission to conduct the above elections. Should you require further information please contact the undersigned.

Yours faithfully,

Gerry Kandelaars
