E2003/75

2 May 2003

Robin Godfrey Deputy Industrial Registrar Australian Industrial Registry 80 William Street EAST SYDNEY NSW 2011

Dear Robin,

#### **RE: CEPU ELECTRICAL DIVISION 2003 QUADRENNIAL ELECTIONS**

Please be advised that pursuant to Section 214(1) and Regulation 102(c) the Electrical Division of the CEPU will be required, in accordance with its rules, to conduct a number of elections at a Divisional and Divisional Branch level. The elections required at a Divisional level are detailed in Attachment A of this correspondence and requirements of Divisional Branches are detailed in Attachment B. I have also enclosed a statement pursuant to Section 214 prescribing information as required by Regulation 61 for the Divisional quadrennial elections.

In accordance with our Divisional rules, each of the Division's State Councils will be determining what quadrennial elections are required at a state level. I will advise you of these decisions via the lodgment of a statement pursuant to Regulation 61 for all branches excluding NSW as soon as each Branch makes a final determination. The NSW Branch will notify you separately as there is a need to align the Divisional Branch elections with those of the State registered organisation.

You will note in Attachment A and B that upon the finalisation of the quadrennial elections there will be a requirement for a number of collegiate elections at a Divisional and State Branch level. These elections will require further statements pursuant to Section 214 and Regulation 61 and the documentation with respect to these elections will be lodged once the quadrennial election process has been completed.

Would you please consider this correspondence a formal request to have all Divisional elections conduced by the Australian Electoral Commission pursuant to Section 214(2) of the Workplace Relations Act 1996. If you have any questions regarding the above, please contact the undersigned.

Yours faithfully,

Peter Tighe DIVISIONAL SECRETARY

Dear Robin,

#### <u>RE: CEPU Electrical Division 2003 Quadrennial Elections</u> (Further information)

Please find attached the prescribed information pursuant to s.214(1) of the *Australian Workplace Relations Act 1996*, detailed in accordance with regulation 61(1). For ease of reference I have divided the reg. 61(1) statement into annexures which separately deals with Queensland, South Australia and West Australia branches.

You will note I have been unable to supply detail of the exact number of person required to fill certain positions, that is councillors and conference delegates. This is because the number of delegates for these positions is subject to membership numbers at the close of nominations.

I have not notified you of the reg. 61(1) information for the Southern States Branch as yet as the Branch as of this date has not yet advisd me of the decision of their State Council.

The NSW Branch will be notifying you independently as the NSW Branch elections need to be co-ordinated with the elections under the NSW State Act.

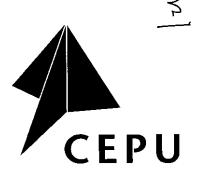

If you have further questions, please do not hesitate to contact me. Thank you for your assistance in this matter.

#### Stephen,

With regard to the Decision for the WA Divisional Branch I will only be able to elect one (1) Delegate to Divisional Branch Conference from only one (1) Sub - Branch because none of the other sub - branches have sufficient financial members to meet the formula in the rules.

Similarly, with the Divisional Sate Councillors the Transport Industry and the Salaried Officers sections do not have sufficient financial membership so therefore I will not be able again to elect any State Councillors for those sections.

For your records.
