CORRECTING DECISION

On 20 June 2007 I made arrangements under section 189(3) of Schedule 1 of the *Workplace Relations Act 1996* for the conduct of elections for various offices and non-office positions in the Electrical Division of the abovenamed organisation.

It has come to my attention that the Decision contained an error in that, in Attachment A, under the heading Southern States Divisional Branch, the list of sections for the Divisional State Councillors included the following section: Apprentices.

Accordingly, my Decision of 20 June 2007 is corrected by deleting Apprentices from the list of sections for Divisional State Councillors of the Southern States Divisional Branch.

AMENDING DECISION

On 20 June 2007 I made arrangements under section 189(3) of Schedule 1 of the *Workplace Relations Act 1996* for the conduct of elections for various offices and non-office positions in the Electrical Division of the abovenamed organisation.

On 27 June 2007 the Electrical Division lodged further amending Prescribed Information in relation to the non-office positions in the Western Australian Branch.

My decision of 20 June 2007 is amended by inserting in Attachment B, under the heading Western Australian Divisional Branch and after the line Branch Organisers (3) the further non-office position:

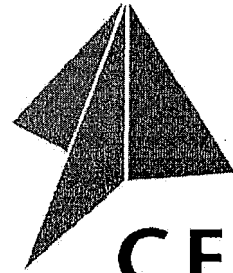

Branch Organiser (Plumbing) (1)

I am satisfied that an election for the non-office position set out above is required to be held under the rules of the organisation and the Division has made a request under section 187 of Schedule 1 of the *Workplace Relations Act 1996*. Accordingly, under subsection 189(3) of the Schedule I am making arrangements for the conduct of the election by the Australian Electoral Commission.

Dear Barry,

**RE: CEPU Electrical, Energy and Services Division
2007 Quadrennial Elections - E2007/173**

Dear Barry,

The union has now identified an oversight in relation to the information supplied to you for non officer elections. It appears that the WA Branch, by way of oversight, notified that there would be 3 Organiser positions to be elected in that State. Perusal of Divisional Rules has identified that the WA Branch is required to fill a fourth position for a Plumbing Organiser in that State pursuant to Rule 15.19.18.

The State Council of the union has now determined that the positions for organisers should be four (4) in number.

Could you please amend the above decision to require 4 elected Organisers in the West Australian State Branch.

Barry, this is a matter of some urgency as the returning officer will be required to advertise the position in the next 24 hours.

My apologies for this late urgent notice. Please contact the undersigned if you have any further questions.

Yours faithfully,

Dear Barry,

**RE: CEPU Electrical, Energy and Services Division
2007 Quadrennial Elections (Further information)**

Please find attached the prescribed information pursuant to Sections 182(1) and 189 of Schedule 1 ("**RAO Schedule**") of the *Australian Workplace Relations Act 1996* ("**WRA**"), detailed in accordance with regulation 138 of the RAO Regulations. For ease of reference I have divided the reg. 138 (1) statement into annexures which separately deals with Southern States, Queensland, South Australia and West Australia branches.

You will note I have been unable to supply detail of the exact number of person required to fill certain positions, that is councillors and conference delegates. This is because the number of delegates for these positions is subject to membership numbers at the close of nominations.

The NSW Branch will be notifying you independently as the NSW Branch elections need to be co-ordinated with the elections under the NSW State Act.

If you have further questions, please do not hesitate to contact me. Thank you for your assistance in this matter.

Yours faithfully,

E2007/173 - CEPU Elections

I called Peter Tighe's secretary on 30 May 2007 to check the progress of the further information required in relation to the Quadrennial Elections (numbers and names of positions to be voted on).

She advised that there was still one branch to meet in a few days to decide the number of positions to be elected for their branch and that we would have the further information required for all branches within a week.

Dear Barry,

**RE: CEPU ELECTRICAL, ENERGY AND SERVICES DIVISION
2007 QUADRENNIAL ELECTIONS**

Please be advised that pursuant to Sections 182(1) and 189 of Schedule 1 ("RAO Schedule") of the Workplace Relations Act 1996, ("WRA") the Electrical, Energy and Services Division of the CEPU is required, in accordance with its rules, to conduct a number of elections at a Divisional and Divisional Branch level. The elections required at a Divisional level are detailed in Attachment A of this correspondence and requirements of Divisional Branches are detailed in Attachment B. I have also enclosed a statement pursuant to Section 189(1) of Schedule 1 of WRA which prescribes information as required by Regulation 138 of the RAO Regulations for the Divisional quadrennial elections.

In accordance with our Divisional rules, each of the Division's State Councils will be determining what quadrennial elections are required at a state level. I will advise you of these decisions via the lodgment of a statement pursuant to Regulation 138 of RAO Regulations for all branches excluding NSW as soon as each Branch makes a final determination. The NSW Branch will notify you separately as there is a need to align the Divisional Branch elections with those of the State registered organisation.

You will note in Attachment A and B that upon the finalisation of the quadrennial elections there will be a requirement for a number of collegiate elections at a Divisional and State Branch level. These elections will require further statements pursuant to Sections 182(1) and 189 of the RAO Schedule and Regulation 138 of RAO Regulations and the documentation with respect to these elections will be lodged once the quadrennial election process has been completed.

Would you please consider this correspondence a formal request to have all Divisional elections conducted by the Australian Electoral Commission pursuant to Sections 182(1) and 189 of Schedule 1 of the Workplace Relations Act 1996. If you have any questions regarding the above, please contact the undersigned.

Yours faithfully,
