## POST ELECTION REPORT

**Communications, Electrical, Electronic, Energy, Information,  
Postal, Plumbing & Allied Services Union  
Electrical, Energy and Services Division**

### Scheduled 2011 QLD Branch Election

#### ELECTION/S COVERED IN THIS REPORT

Election Decision No/s: E2011/2573 & E2011/2640

#### RULES

Rules used for the election: 128V-ELE: Incorporates alterations of 13/04/2011 in matter R2011/43

Rules difficult to apply/interpret: 15.19.18  
This rule outlines requirements of nominees and nominators for the various Branch positions. The intent of the rule seems to be to limit nominees for Branch positions to members of the relevant Branch, though it fails to specifically do this. This allows for the situation where a member of the Division can nominate for a position in a Branch in which they are not a member. Rule 16.3 (*Casual Vacancy in Divisional Branches*) is more specific, and better reflects the intention of the rule in question.

Model Rule reference (if any): N/A

#### ROLL OF VOTERS

As there were no contested offices, the Roll of Voters was not required for this election.

#### IRREGULARITIES

Details of written allegations of irregularities and action taken by AEC: Nil  
Other irregularities identified, and action taken: Nil

# Fair Work Australia

18 May 2011

Mr Keith McKenzie  
Queensland Deputy Branch Secretary  
Electrical, Energy and Services Division  
Communications, Electrical, Electronic, Energy, Information,  
Postal, Plumbing and Allied Services Union of Australia  
PO BOX 3520  
SOUTH BRISBANE QLD 4101

Dear Mr McKenzie

**Re: Arrangements for the conduct of an Election  
(E2011/2573)**

I acknowledge receipt of prescribed information lodged with Fair Work Australia on 3 May 2011 for the conduct of an election for the Queensland Branch of the Electrical, Energy and Services Division of the above named organisation.

Before a decision concerning an election can be made, Fair Work Australia requires the following information. To determine the number of Divisional Branch Delegates to the Divisional Council, the number of Delegates to the Divisional Branch Conference and the number of Divisional State Councillors, the number of financial members is required to formulate the correct numbers (in accordance with rules 7.3.2, 11.6.3, 11.6.6, 11.7.1 and other Divisional rules).

Furthermore, rule 12.1 of the Divisional rules is silent regarding the number of Branch Organisers and Branch Trustees. Could the Branch provide a copy of the minutes or a copy of the resolution confirming the number of Branch organisers and Branch Trustees for the forthcoming quadrennial election.

Examining the previous quadrennial election, it appears that that the election for Branch Organisers and the Divisional Sub-Branch Presidents, Vice Presidents and Secretaries for each of the 16 Sub-Branches is for positions rather than offices. Consequently, could you please provide a written request for an election to be held for those positions in accordance with section 187 of the *Fair Work (Registered Organisations) Act 2009*. Once it is received, I will forward a copy to the Australian Electoral Commission.

If you have any questions relating to this matter please do not hesitate to contact me on (02) 8374 6509.

Yours sincerely

David Vale  
Manager, Organisations - NSW
