**Re: Arrangements for the conduct of an Election
(E2011/2585)**

I acknowledge receipt of prescribed information lodged with Fair Work Australia on 23 May 2011 for the conduct of an election for the South Australian Branch of the Electrical, Energy and Services Division of the above named organisation.

Before a decision concerning an election can be made, Fair Work Australia requires the following information. To determine the number of Delegates to the Divisional Branch Conference and the number of Divisional State Councillors, the number of financial members is required to formulate the correct numbers (in accordance with rules 11.6.3, 11.6.6, 11.7.1 and other Divisional rules).

Furthermore, rule 12.1 of the Divisional rules is silent regarding the number of Branch Organisers. Could the Branch provide a copy of the minutes or a copy of the resolution confirming the number of Branch Organisers for the forthcoming quadrennial election. In addition, could the Branch confirm whether the number of Branch Organisers included in the prescribed information includes a Branch Organiser for the Plumbing Section in accordance with sub-rule 11.7.6 of the rulebook.

Examining the previous quadrennial election, it appears that that the election for Branch Organisers and the Divisional Sub-Branch Presidents, Vice Presidents and Secretaries for each of the 7 Sub-Branches is for positions rather than offices. Consequently, could you please provide a written request for an election to be held for those positions in accordance with section 187 of the *Fair Work (Registered Organisations) Act 2009* (the Act). Once it is received, I will forward a copy to the Australian Electoral Commission.

Finally, I understand that the omission in the prescribed information of providing for the election of a Divisional State Councillor from the Plumbing Section as required by rule 11.7.5 was due to an oversight. In order to remedy this, could you please re-lodge amended prescribed information pursuant to section 189(1) of the Act and regulation 138 of the *Fair Work (Registered Organisations) Regulations 2009* noting the election of a Divisional State Councillor from the Plumbing Section. I will also forward a copy of such information to the Australian Electoral Commission once it is received.
