Dear Mr McLaughlan

**Re: Arrangements for the conduct of an Election  
(E2011/2602)**

I acknowledge receipt of prescribed information lodged with Fair Work Australia on 20 June 2011 for the conduct of an election for the Western Australian Branch of the Electrical, Energy and Services Division of the above named organisation.

Before a decision concerning an election can be made, Fair Work Australia requires the following information.

No request has been made for the conduct of an election for Divisional Branch Delegates to the Divisional Council. Could you please lodge amended prescribed information for those offices. To determine the number of Divisional Branch Delegates to the Divisional Council, the number of Branch financial members is required to formulate the correct numbers (in accordance with rule 7.3.2 of the Divisional rulebook).

To determine the number of Delegates to the Divisional Branch Conference and the number of Divisional State Councillors, the number of Branch financial members is required to formulate the correct numbers (in accordance with rules 11.6.3, 11.6.6, 11.7.1 and other Divisional rules).

Furthermore, rule 12.1 of the Divisional rules is silent regarding the number of Branch Organisers. Could the Branch provide a copy of the minutes or a copy of the resolution confirming the number of Branch Organisers for the forthcoming quadrennial election.

Examining the previous quadrennial election, it appears that that the election for Branch Organisers and the Divisional Sub-Branch Presidents, Vice Presidents and Secretaries for each of the 5 Sub-Branched is for positions rather than offices. Consequently, could you please provide a written request for an election to be held for those positions in accordance with section 187 of the *Fair Work (Registered Organisations) Act 2009* (the Act). Once it is received, I will forward a copy to the Australian Electoral Commission.

Once this further prescribed information is received, Fair Work Australia will be in a position to issue the election Decision.

As the scheduled election is due next month and the prescribed information was only lodged this week, I ask you to lodge the amended prescribed information as soon as possible to avoid delaying the conduct of the election in accordance with the rulebook.

If you have any questions relating to this matter please do not hesitate to contact me on (02) 8374 6509.

Yours sincerely
