**DATE: 2 May 2003**

**RE: ETU, NSW Branch, Quadrennial Elections for July 2003**

- 
- I rang Bernie Riordan from the CEPU, ETU to enquire whether the one page of election information lodged on 2 May was the only page that was intended to be lodged. The page lodged appeared to be a covering letter lodged and did not contain the prescribed information required by Regulation 61. I indicated that when appropriate the Regulation 61 information would need to be lodged.
  - I spoke to Leslie who indicated that she thought the one page letter was just a notification of a request that the AEC hold the election. She indicated that she would check with Bernie Riordan on Monday.
