Dear Mr Enright

CEPU EE&S Division – NEW SOUTH WALES BRANCH
Operating Reports as at 31 December 2010, 2011 & 2012

– Reporting of Membership Numbers

I refer to the above and enclose by way of lodging:

 Declaration correcting the membership figures reported in the branch operating reports for the reporting periods ending 31 December 2010, 2011 and 2012.

As you are aware, the CEPU has instigated independent audits of the membership figures reported in the annual branch committee of management operating reports for the past 7 years.

As a consequence of this audit, the Branch State Council Executive, in a meeting held 30 October 2017, authorised the submission of a declaration to the Registered Organisations Commission (ROC) to correct the figures reported in the branch operating reports for the total branch members for the reporting periods ending 31 December 2010, 2011 and 2012.

These amended figures have now been published to our website for the information of members.

Please do not hesitate to contact me should you wish to discuss this matter.

Yours faithfully

DECLARATION - CORRECTING REPORT TO CEPU Electrical, Energy and Services Division – New South Wales Branch OPERATING REPORT

lodged pursuant to s.268

I, David McKinley, of 370 Pitt Street, Sydney, in the state of New South Wales 2000, declare:

- I am the Branch Secretary of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Electrical, Energy and Services Division New South Wales Branch (the branch), a branch of an organisation registered under the Fair Work (Registered Organisations) Act 2009 (the Act).
- Pursuant to s.268 of the Act, for the periods ended 31 December 2010, 31 December 2011 and 31 December 2012, the full financial reports, including the operating reports, of the branch were lodged with the Fair Work Commission (FWC) in FR2010/2831, FR2011/2837 and FR2012/529 respectively.
- An independent audit into the membership figures reported in the branch committee of management operating reports for the reporting periods 31 December 2010, 31 December 2011 and 31 December 2012 found the following variances with the figures reported in the operating reports:

As at 31 Dec	2010	2011	2012
Reported	21,750	22,321	21,978
Audited	21,664	22,305	21,985
Variance	86	16	7

• On 30 October 2017, in response to the findings of the audit, the State Council Executive authorised the Branch Secretary to amend the branch committee of management operating reports for the years ended 31 December 2010, 31 December 2011 and 31 December 2012 to reflect the membership figures resulting from the audit.

Dear Mr Riordan

Re: Lodgement of Financial Statements and Accounts – New South Wales (Electrical Divisional)

Branch – for year ending 31 December 2010 (FR2010/2831)

Thank you for your letter dated 8 December 2011 which was received today, 12 December 2011 in reply to my correspondence of 28 November 2011.

I note your advice that no official of the Federal Branch serves as a trustee on a superannuation board and that the Federal Branch does not employ any officers or staff, and that persons in either category do so as officers or employees of the State-registered union. I am satisfied that this clarifies the reason why disclosures in relation to both these items did not appear on the Operating Report for the abovementioned return.

The documents have been filed but I draw your attention to all relevant provisions of the *Fair Work* (*Registered Organisations*) Act 2009 and the Regulations and Reporting Guidelines for your reference in preparing future reports to avoid any uncertainty or confusion.

Yours respectfully

Dear Sir

Thank you for your correspondence of 28.11.11.

I apologise for the confusion in the accounts of the CEPU, Electrical Division, NSW Branch for 2010.

This Union does not employ any staff. There are elected officers in the Branch but they do not receive remuneration. All officers and staff are employed by the Electrical Trades Union of Australia, NSW Branch, an organisation registered under the NSW Industrial Relations Act.

Likewise, any official who serves as a trustee on any superannuation board does so representing the ETU.

I trust that this explanation clarifies the situation.

Yours sincerely

Dear Mr Riordan

Re: Lodgement of Financial Statements and Accounts – New South Wales (Electrical Divisional)
Branch – for year ending 31 December 2010 (FR2010/2831)

Thank you for lodging the above financial return which was received by Fair Work Australia on 18 October 2011. Before filing the documents, I seek your advice and clarification on the following.

Firstly, the Operating Report did not include any information regarding that which is prescribed by section 254(2)(d) of the Fair Work (Registered Organisations) Act 2009, which requires "details (including details of the position held) of any officer or member of the reporting unit who is (i) a trustee of a superannuation entity or an exempt public sector superannuation scheme; or (ii) a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme; and where a criterion for the officer or member being the trustee or director is that the officer or member is an officer or member of a registered organization."

Since all previous Operating Reports lodged since 2005 up to 2009 have disclosed names and entities under a related heading, I seek your advice whether this information was omitted in error or whether in 2010 there were in fact no longer relevant officers or members in such positions.

Secondly, the Operating Report did not include any information regarding that prescribed by regulation 159(b), namely "the number of persons who were, at the end of the financial year....employees of the reporting unit, where the number of employees....measured on a full-time equivalent basis."

Last year I wrote to you requesting that this information be included in future reports. I note that the financial statements do not disclose any wages or salaries paid to employees or to office-holders. However, if the Branch does not have any employees, and does not pay employee benefits to its office-holders, I suggest this could be made clear in the Operating Report by stating explicitly that the number of employees measured on a full-time equivalent basis is nil. Your clarification on this would be appreciated.

Yours respectfully

INDEPENDENT AUDIT REPORT

C.E.P.U. ELECTRICAL DIVISION N.S.W.

Scope

We have audited the financial statements set out on pages A3 to A29 consisting of the CEPU Electrical Division NSW, Distress and Mortality Fund, Distress and Mortality Supplementation Fund and the Sustenance Assistance Fund which comprise the statement of financial position as at 31st December 2010, the statement of financial performance, statement of changes in equity, statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies, or other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair representation of the financial report in accordance with Australian Accounting Standards and the Work Place Relations Act 1996 and such internal controls as management determines necessary to enable the preparation of the financial report that is free from material misstatement whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting polices used and the reasonableness of accounting estimates made by the members of the committee, as well as evaluating the overall presentation of the financial report.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit we have complied with the independence requirements of the Corporations Act 2001.

Audit Opinion

In our opinion:

There were kept by the Union, in respect of the period, satisfactory accounting records detailing the sources and nature of the income of the funds (including income from members) and the nature and purposes of expenditure; and the financial statements of the Union are properly drawn up in accordance with applicable Accounting Standards and other mandatory professional reporting requirements and in accordance with Section 273 of the Work Place Relations Act 1996 so as to give a true and fair view of

- (a) The state of affairs of the Union as at 31st December 2010, and
- (b) The income and expenditure, surplus or deficiency and cash flows of the Union for the period ended 31st December 2010.

All information and explanations required of the officers of the Union were furnished by them.

In accordance with the requirements of the Work Place Relations Act, 1996, the attention of members is drawn to the provisions of sub-section (1), (2) and (3) of Section 272, which reads as follows:

- (1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

C.E.P.U. ELECTRICAL DIVISION N.S.W. GENERAL FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31ST DECEMBER 2010.

NOTE 1 - STATEMENT OF ACCOUNTING POLICIES

The financial statements are general purpose financial reports that have been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views) and Section 273 of the Workplace Relations Act 1996. The financial statements have also been prepared on the basis of historical costs and do not take into account the changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of these statements:

(A) Income Tax

No provision for income tax is necessary as trade unions are exempt from income tax under section 23(f) of the Income Tax Assessment Act.

(B) Property, Plant and Equipment

Property, plant and equipment are included at cost or at independent valuation. The depreciable amount of all fixed assets including buildings but excluding freehold land and strata titles are depreciable over their useful lives commencing from the time the asset is held ready for use.

(C) Employee Benefits

Provision is made for the union's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the union to an employee superannuation fund and are charged as expenses when incurred.

(D) Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net of bank overdrafts.

C.E.P.U. ELECTRICAL DIVISION N.S.W. GENERAL FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31ST DECEMBER 2010.

NOTE 1 (continued) - STATEMENT OF ACCOUNTING POLICIES

(E) Revenue

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Other revenue is recognised when the right to receive the revenue has been established.

All revenue is stated net of the goods and services tax (GST).

Subscription income is brought to account on a cash basis.

(F) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

NOTE 17: Contributions collected by the ETU (NSW)

All money collected by the Electrical Trades Union of Australia (NSW Branch) for members' contributions, subscriptions, fines, levies, fees or dues owing are also held to be contributions, subscriptions, fines, levies, fees or dues collected on behalf of the CEPU Electrical Division NSW Branch.

Notes to the Financial Statements For the Period Ended 31st December 2010

Financial risk management

The Union's financial instruments consist mainly of deposits with banks, short term investments, accounts receivable and payable.

The Union does not have any derivative instruments at 31st December 2010. Risk management is carried out by the management committee. The main financial risks of the Union are exposures through its financial instruments in the form of liquidity risk, credit risk and interest rate risk.

Liquidity risk

The Union manages liquidity risk by monitoring forecast cash flows and maintaining sufficient cash and marketable securities.

Credit risk

The Union has no significant concentrations of credit risk. The maximum exposure to credit risk at balance date to recognised financial assets is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the Balance Sheet and Notes to the Financial Statements.

Price risk

The Union is not exposed to any material commodity price risk.

Interest rate risk

The Union's exposure to interest rate risk, which is the risk that a financial instrument's fair value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on those financial assets and financial liabilities, is as follows:

Net Fair values

The net fair values of the assets and liabilities approximate their carrying amount, because of their short term to maturity. No financial assets and financial liabilities are readily traded on organised markets in standardised form. Financial assets where the carrying amount exceeds net fair values have not been written down as the Union intends to hold these assets to maturity. The aggregate net fair values and carrying amounts of the financial assets and financial liabilities are disclosed in the Balance sheet and in the Notes to the Financial Statements.
