DECISION

Fair Work (Registered Organisations) Act 2009
s.189—Arrangement for conduct of an election

Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (E2015/100)

MR ENRIGHT

MELBOURNE, 13 MARCH 2015

Arrangement for conduct of election.

[1] On 6 March 2015, the New South Wales Divisional Branch of the Plumbing Division of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (CEPU) lodged with the Fair Work Commission the prescribed information in relation to an election for the following offices:

Branch President	(1)
Branch Vice-President	(1)
Branch Secretary	(1)
Branch Assistant Secretary	(1)
Branch Trustee	(2)
Branch Organiser	(3)
Branch Committee of Management Member	(2)
Branch Committee Member - Newcastle Sub-Branch	(1)
Branch Committee Member - Australian Capital Territory Sub-Branch	(1)
Federal Vice President	(1)
Federal Councillor	(2)

[2] The prescribed information was not lodged before the prescribed day in accordance with section 189(2) of the *Fair Work (Registered Organisations) Act 2009* (the Act).

[3] On 11 March 2015, Mr Earl Setches, the Divisional Secretary of the Plumbing Division of the CEPU (the Division), provided a request for an extension of time for lodgement of the prescribed information. The request provides that the delay in lodgement arose due to a misunderstanding of the definition of “prescribed day” as set out in regulation 138(3) of the *Fair Work (Registered Organisations) Regulations 2009*. Mr Setches further notes that the various pieces of prescribed information for the last quadrennial elections for offices of the Division and its branches and sub-branches were also lodged in 2011 according to that previous misunderstanding.

[4] Rule 49.4 of the rules of the Division provides that nominations “must open no later than the last Monday in March in each election year”. Therefore, according to the rules of the Division, the first day when a person may become a candidate in the election is 30 March

2015 at the latest. Given this, the prescribed information was required to be lodged before 30 January 2015.

[5] With regard to the request for an extension of time for lodgement of the prescribed information, I have considered the explanation for the delay in lodging the prescribed information provided by Mr Setches. Having regard to the normal and reasonable expectation that registered organisations take steps to ensure that they comply with the time-frame requirements set out not only in the Act but also in instruments or references pertaining to their own governance formulated by organisations themselves, I decline on this occasion to allow, in the formal sense intended by section 189(2) of the Act, a later day for lodgement.

[6] The refusal of an extension of time under section 189(2) of the Act does not, however, affect a determination of an election notification matter for the purposes of section 189(3) of the Act.

[7] I am satisfied that an election for the abovenamed offices is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.
