Dear Mr Enright

**CEPU Plumbing Division – Queensland Branch
Operating Reports as at 31 March 2010, 2011, 2012, 2013, 2015 & 2016
– Reporting of Membership Numbers**

I refer to the above and enclose by way of lodging:

- Declaration correcting the membership figure reported in the branch operating reports for the reporting periods ending 31 March 2010, 2011, 2012, 2013, 2015 and 2016.

As you are aware, the CEPU has instigated independent audits of the membership figures reported in the branch committee of management annual operating reports for the past 7 years.

As a consequence of these audits, the Branch Committee of Management, in a meeting held 14 November 2017, authorised the submission of a declaration to the Registered Organisations Commission (ROC) to correct the figures reported in the branch operating reports for the total members for the reporting periods ending 31 March 2010, 2011, 2012, 2013, 2015 and 2016.

These amended figures have now been published to our website for the information of members.

Please do not hesitate to contact me should you wish to discuss this matter.

Yours faithfully

Gary O'Halloran

DECLARATION - CORRECTING REPORT TO CEPU

Plumbing Division – Queensland Branch

OPERATING REPORT

lodged pursuant to s.268

I, Gary O'Halloran, of 41 Peel Street, South Brisbane, in the state of Queensland 4101, declare:

- I am the Branch Secretary of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Plumbing Division – Queensland Branch (the Branch), a branch of an organisation registered under the *Fair Work (Registered Organisations) Act 2009* (the Act).
- Pursuant to s.268 of the Act, for the periods ended 31 March 2010, 2011, 2012, 2013, 2015 and 2016, the full financial reports, including the operating reports, of the branch were lodged with the Fair Work Commission (FWC) in FR2010/2509, FR2011/2508, FR2012/207, FR2013/112, FR2015/57 and FR2016/56 respectively.
- Independent audits of the branch membership figures reported in the branch committee of management operating reports for the reporting periods 31 March 2010, 2011, 2012, 2013, 2015 and 2016 found the following variances with the figures reported in the operating reports:

As at 31 Mar	2010	2011	2012	2013	2015	2016
Reported	N/A	2,651	2,108	2,336	2,808	2,766
Audited	3,343	3,559	3,996	2,606	3,393	4,113
Variance	0	908	1,888	270	585	1,347

- On 14 November 2017 in response to the findings of the audits, the Branch Committee of Management authorised the Branch Secretary to amend the branch committee of management operating reports for the years ended 31 March 2010, 2011, 2012, 2013, 2015 and 2016 to reflect the membership figures resulting from the audits.

Dear Mr O'Carroll

Re: Lodgement of Financial Statements and Accounts – Queensland Plumbing Divisional Branch – for year ending 31 March 2010 (FR2010/2509)

Thank you for lodging the above financial return which was received by Fair Work Australia on 14 July 2010.

I must draw your attention to the following omissions or defects for correction in future returns.

- (1) The Operating Report did not include a figure indicating the number of members of the Branch as prescribed by regulation 159(a) of the Fair Work (Registered Organisations) Regulations;
- (2) The Operating Report did not include a figure indicating the number of employees calculated on a full-time equivalent basis as prescribed by regulation 159(b);
- (3) The statements did not disclose separate figures for employee benefits for office-holders and for employees as required by the Reporting Guidelines, paragraph 11(g) and (h).

I will file the documents as lodged but I would ask that the auditor's attention be drawn to the requirements set out in the Reporting Guidelines for future reference.

Yours sincerely,

Stephen Kellett

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

This finance report covers the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Plumbing Division Queensland Branch ("Union") as an individual entity. The Union is a trade union which is incorporated and domiciled in Australia.

Basis of Preparation

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards. Australian Accounting interpretations, other authoritative pronouncements of the Australian Accounting Standards (AASB) and the *Fair Work (Registered Organisations) Act 2009*.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensure that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

a. Income Tax

The Union is exempt from income tax by virtue of s50-45 of the Income Tax Assessment Act 1997.

b. Property, Plant and equipment

Each class of property, plant and equipment is carried at costs of fair value less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment on the cost basis less depreciation and impairment losses. The carrying amount of plant and equipment is reviewed annually by the Committee to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount of recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with that item will flow to the Union and the costs of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which there are incurred.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (cont)

Depreciation

The depreciable amount of all fixed assets including capitalised leased assets, is depreciated on a straight line basis over their estimated useful lives to the Union commencing from the time of the asset is held ready to use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	4%
Plant and Equipment	5% - 40%
Motor vehicles	25%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An assets carrying amount is written down immediately to its recoverable amount if the assets carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement.

c. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown with financial liabilities in current liabilities on the balance sheet.

d. Financial Instruments

Recognition and Initial Measurements

Financial Instruments, incorporating financial assets and financial liabilities, are recognized when the Union becomes a party to the contractual provisions for the instrument. Trade date accounting is adopted for financial assets that are delivered within timeframes established by marketplace convention.

Financial instruments are initially measured at fair value plus transactions costs where the instrument is not classified as at fair value through profit or loss. Transaction costs related to instruments classified as at fair value through profit or loss are expensed to profit or loss immediately. Financial instruments are classified and measured as set out as follows.

**COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA
PLUMBING DIVISION QUEENSLAND BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2010**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (Cont)

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the Union no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognized where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed is recognized in profit or loss.

Classification and Subsequent Measurement

i. Financial assets at fair value through profit and loss

Financial assets are classified at fair value through profit or loss when they are held for trading for the purpose of short term profit taking, where they are derivatives not held for hedging purposes, or designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Realised and unrealized gains and losses arising from changes in fair value are included in profit or loss in the period in which they arise.

ii. Loans and receivables

Loans and receivables are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the entities intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

iii. Held-to-maturity Investments

Held to maturity investments are non-derivative financial assets that have fixed maturities and fixed or determined payments, and it is the entity's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

iv. Financial Liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised costs using the effective interest rate method.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (Cont)

e. Impairment of Assets

At each reporting date, the Union reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the assets fair value less cost to sell and value in use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount of an individual asset, the Union estimates the recoverable amount of the cash-generating unit to which the asset belongs.

f. Employee Benefits

Provision is made for the Unions liability for employee benefits (Annual Leave, Accumulated RDO, Retirement Benefit and Long Service Leave) arising from services rendered by employees to balance date. The Union accrues the liability for Long Service Leave from the commencement of employment. Employee benefits that are expected to be settled with one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

g. Provisions

Provisions are recognized when the Union has a legal or constructive obligation, as a result of past events, of which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

h. Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, that are transferred to the Union are classified as finance leases.

Finance leases are capitalized by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased asset or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the Union will obtain ownership of the asset or over the term of the lease.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2010**

i. Revenue

Revenue other than membership contributions, is measured at the fair value of the consideration received or receivable after taking into account any discounts and rebate allowed.

Revenue from membership contributions is recognized on a cash basis.

Interest revenue is recognized using the effective interest rate method, which, for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax ("GST").

j. Finance Costs

Finance costs directly attributable to the acquisition, construction or production of the assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other finance costs are recognised in the income in the period in which they are incurred.

k. Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the costs of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for GST component of investing and financing activities, which are disclosed as operating cash flows.

l. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

m. Critical accounting estimates and judgment

The Union's Committee Members evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and internally.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2010**

Key Estimates – Impairment

The Union assesses impairment at each reporting date by evaluating conditions specific to the Union that may lead to an impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

No impairment has been recognised in respect of the current year.

n. New Accounting Standards and Interpretations

During the current year the Union adopted all of the new and revised Australian Accounting Standards and Interpretations applicable to its operations which became mandatory.

The adoption of these standards has impacted the recognition, measurement and disclosure of certain transactions. The following is an explanation of the impact the adoption of these standards and interpretations has had on the financial statements of the Union.

AASB 101: Presentation of Financial Statements

In September 2007 the Australian Accounting Standards Board revised AASB 101 and as a result, there have been changes to the presentation and disclosure of certain information within the financial statements. Below is an overview of the key changes and the impact on the Union's financial statements.

Disclosure impact

Terminology changes — The revised version of AASB 101 contains a number of terminology changes, including the amendment of the names of the primary financial statements.

Reporting changes in equity — The revised AASB 101 requires all changes in equity arising from transactions with owners, in their capacity as owners, to be presented separately from non-owner changes in equity. Owner changes in equity are to be presented in the statement of changes in equity, with non-owner changes in equity presented in the statement of comprehensive income. The previous version of AASB 101 required that owner changes in equity and other comprehensive income be presented in the statement of changes in equity.

Statement of comprehensive income — The revised AASB 101 requires all income and expenses to be presented in either one statement, the statement of comprehensive income, or two statements, a separate income statement and a statement of comprehensive income. The previous version of AASB 101 required only the presentation of a single income statement.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2010**

The Union's financial statements now contain a statement of comprehensive income.

Other comprehensive income — The revised version of AASB 101 introduces the concept of 'other comprehensive income' which comprises of income and expenses that are not recognised in profit or loss as required by other Australian Accounting Standards. Items of other comprehensive income are to be disclosed in the statement of comprehensive income. Entities are required to disclose the income tax relating to each component of other comprehensive income. The previous version of AASB 101 did not contain an equivalent concept.

o. New Accounting Standards for Application in Future Periods

The AASB has issued new and amended accounting standards and interpretations that have mandatory application dates for future reporting periods. The Union has decided against early adoption of these standards. A discussion of those future requirements and their impact on the Union follows:

- AASB 2008–5: Amendments to Australian Accounting Standards arising from the Annual Improvements Project (applicable for annual reporting periods commencing from 1 January 2009) and AASB 2008–6: Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project (applicable for annual reporting periods commencing from 1 July 2009).
These standards detail numerous non-urgent but necessary changes to accounting standards arising from the IASB's annual improvements project. No changes are expected to materially affect the company.
- AASB 2009–4: Amendments to Australian Accounting Standards arising from the Annual Improvements Project [AASB 2 and AASB 138 and AASB Interpretations 9 & 16] (applicable for annual reporting periods commencing from 1 July 2009) and AASB 2009–5: Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project [AASB 5, 8, 101, 107, 117, 118, 136 & 139] (applicable for annual reporting periods commencing from 1 January 2010).
These standards detail numerous non-urgent but necessary changes to accounting standards arising from the IASB's annual improvements project. No changes are expected to materially affect the company.
- AASB 2009–7: Amendments to Australian Accounting Standards [AASB 5, 7, 107, 112, 136 & 139 and Interpretation 17] (applicable for annual reporting periods commencing on or after 1 July 2009).
This standard reflects editorial changes made to a number of accounting standards by the IASB. No changes are expected to materially affect the Union.

- AASB Interpretation 18: Transfers of Assets from Customers (applicable for transfers of assets from customers received from 1 July 2009).
This guidance applies prospectively to entities that receive transfers of assets, such as plant and equipment, from their customers so that these customers can be connected to a network and provided with access to a supply of goods or services. The Interpretation outlines the appropriate accounting treatment in respect of such transfers and it is not expected to impact the Union.
The Union does not anticipate early adoption of any of the above reporting requirements.

Total compensation	\$ 401,065
2009	
Total compensation	\$ 388,617

NOTE 17 – FINANCIAL RISK MANAGEMENT

(a) The Unions financial instruments consist of deposits with banks.

The Union does not have any derivative instruments at 31 March 2010.

(i) **Treasury Risk Management**

The Committee of Management meets on a regular basis to analyse financial risk exposure and to evaluate treasury management strategies in the context of the most recent economic conditions and forecasts.

**COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA
PLUMBING DIVISION QUEENSLAND BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2010**

Risk management is carried out under policies approved by the Committee of Management. The Committee of Management provides principles for overall risk management, as well as policies covering specific areas such as interest risk, credit risk and investment of excess liquidity.

(ii) Financial Risk Exposure and Management

The main risks the Union is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

The Union's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance of the Union. The Union uses different methods to measure different types of risk to which it is exposed. These methods include sensitivity analysis in the case of interest rate risk.

Interest Rate Risk

Interest rate risk is managed with a mixture of fixed and floating rate investments.

Foreign currency risk

The Union is not exposed to fluctuations in foreign currencies.

Liquidity risk

The Union manages liquidity risk by monitoring forecast cash flows.

Credit risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

The Union does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into by the Union.

There are no material amounts of collateral held as security at 31 March 2010.

Credit risk is reviewed regularly by the Committee of Management. It arises from exposures to customers as well as through deposits with financial institutions.

The Committee of Management monitors credit risk by actively assessing the rating quality and liquidity of counterparties:

- Only banks and financial institutions with strong credit rating are utilized; and
- All potential customers are rated for credit worthiness taking into account their size, market position and financial standing.

**COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA
PLUMBING DIVISION QUEENSLAND BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2010**

The trade receivables balances at 31 March 2010 and 31 March 2009 do not include any counterparties with external credit ratings. Customers are assessed for credit worthiness using the criteria detailed above.

(b) Financial Instrument Composition and Maturity Analysis

The financial instruments comprise solely of short term deposits with banks.

(c) Net Fair Values

No financial assets and financial liabilities are readily traded on organized markets. The net fair values of assets and liabilities approximate their carrying value. There are no financial assets where the carrying value exceeds net fair values.

NOTE 18 – CAPITAL MANAGEMENT

The Committee of Management controls the capital of the Union to ensure that adequate cash flows are generated to fund its operations and continue as a going concern.

Risk management policies are approved and reviewed by the Committee of Management on a regular basis. These include credit risk policies and future cash flow requirements.

The Union's debt consists of financial liabilities, supported by financial assets.

The Committee of Management effectively manage the Union's capital by assessing the Union's financial risks and responding to changes in these risk and in the market. These responses may include the consideration of debt levels.

There have been no changes to the strategy adopted by the Committee of Management to control the capital of the Union since previous year.

NOTE 19 – SEGMENT INFORMATION

The Union operates solely in one reporting business segment being the provision of trade union services.

The Union operates from one reportable geographical segment being Australia.

**INDEPENDENT AUDIT REPORT
FOR THE YEAR ENDED 31 MARCH 2010**

Scope

The financial report and Committee of Management's ("Committee") responsibility.

The financial report comprises the statement of comprehensive income, statement of financial position, statement of changes in equity, cash flow statement, accompanying notes to the financial statements and the Committee's operating report for the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Plumbing Division Queensland Branch ("Union"), for the year ended 31 March 2010.

The Committee of the Union is responsible for the preparation and true and fair representation of the financial report in accordance with section 254 of the Fair Work (Registered Organisations) Act 2009 ("the Act"). This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We conducted an independent audit in order to express an opinion to the members of the Union. Our audit was conducted in accordance with Australian Accounting Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We perform procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Act and Union's Rules, including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Union's financial position, and of its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- Examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- Assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimate made by the Committee.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal control.

**INDEPENDENT AUDIT REPORT
FOR THE YEAR ENDED 31 MARCH 2010**

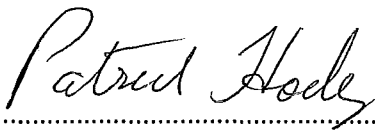

Independence

In conducting our audit, we followed applicable independence requirement of Australian professional ethical pronouncements.

Audit Opinion

In our opinion:

- (1) The financial report of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Plumbing Division Queensland Branch is in accordance with:
 - a. Section 254 of the Fair Work (Registered Organisations) Act 2009, including;
 - i. giving a true and fair view of the Union's financial position as at 31 March 2010 and of its performance for the year ended on that date; and
 - ii. complying with Accounting Standards in Australia; and
 - b. other mandatory professional reporting requirements.
- (2) The Union has kept satisfactory accounting records for the financial year including records of:
 - (i) the sources and nature of the Union's income, including membership subscriptions and other income from members; and
 - (ii) the nature of and reasons for the Union's expenditure.
- (3) All the information and explanations that officers and employees of the Union were required to provide have been provided; and
- (4) There was no deficiency, failure or shortcoming in any matters referred to in (1) and (3) above.

Dear Mr O'Carroll,

**Re: Lodgement of Financial Statements and Accounts – Queensland Plumbing Divisional Branch –
for year ending 31 March 2010 (FR2010/2509)**

The financial year of the Queensland Plumbing Divisional Branch has recently ended. This is a courtesy letter to remind you of the obligation to prepare the reporting unit's financial documents and to lodge audited financial accounts and statements with Fair Work Australia within the prescribed time frame unless a 1 month extension or an application for a certificate of exemption under the *Fair Work (Registered Organisations) Act 2009* ('the RO Act') is applied for and granted.

The documents you must lodge include:

(i) A general purpose financial report [see section 253(2)]; (ii) A Committee of Management statement (see the General Manager's Reporting Guidelines); (iii) An operating report [see section 254(2)]; (iv) An auditor's report [see sections 257(5) to 257(11)]; and (v) A certificate of the *secretary or other designated officer* signed after all the prescribed events have taken place [see section 268(c)].

I draw your particular attention to

(a) s237 which requires you to prepare and lodge a separate statement providing the prescribed particulars of any loan, grant or donation made during the year which exceeds \$1,000;

(b) s265(5) which requires you to publish or otherwise provide your members with completed/signed copies of the audited accounts, report and statements before final presentation and lodgment; and

(c) s266 which requires you to present the completed documents to an eligible meeting(s) (either of the members or of the committee of management). Note that this meeting is distinct from any initial committee meeting convened to prepare, sign or otherwise approve pre-audited documents.
