Dear Mr Adley,

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Commission a declaration of results for the election [E2015/155]. This letter is a reminder of certain obligations imposed on organisations and persons elected to office.

Section 154D(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires the rules of organisations (and branches of organisations) to require each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe.

Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which should be provided for in your organisation's rules.

Also, section 233(2) of the RO Act requires that an organisation must notify the Fair Work Commission (the Commission) within 35 days of any changes to the holders of office in the organisation. If the election has resulted in any changes to the holders of office, the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia - Electrical, Energy and Services Division - South Australian Divisional Branch must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.
2. Person(s) who have commenced to hold office:
 - the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;
 - the postal address of the person (generally the postal address of the organisation); and
 - the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. I have attached a template notification of changes which may assist you. If any change does not apply until a specific date, you don't need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Regards

Debbie Ball

Bernadette O'Neill
The General Manager
Fair Work Commission

Request for an election pursuant to s182, 187 and 189 of the Fair Work (registered Organisations) Act 2009

Dear Ms. O'Neill,

Please be advised that the South Australian Branch of the CEPU Electrical Energy and Services Division, in accordance with Section B rule 15 of the CEPU Rules, is required to conduct quadrennial elections in July 2015 for elected officers, for a number of Organisers and sub branch positions.

Accordingly, pursuant to the above sections of the Act, the branch requests that the Fair Work Commission arrange for the Australian Electoral Commission to conduct the election.

Pursuant to s187 and 189(1) and regulation 138 of the Act, I have attached (Attachment A) the prescribed information.

To assist in determining the number of Divisional Branch Delegates to Divisional Council to be elected, I have supplied the membership calculated pursuant to Section B rule 7.3.3.

The number of Divisional State Councillors to be elected is determined by the number of financial members by Section in accordance with Section B rule 11.7.2. The number of Sections will be determined by resolution of the Branch State Council. This will occur at the next scheduled Branch State Council meeting to be held on Wednesday the 13th of May.

The number of delegates to be elected to Divisional Branch Conference is determined by the number of financial members by Sub Branch in accordance with Section B rule 11.6.3.

As the divisional rules are silent on the number of organisers to be elected in the forthcoming quadrennial election, the number of organisers to be elected will be determined by resolution of the Branch State Council. This will occur at the next scheduled Branch State Council meeting to be held on Wednesday the 13th of May.

Please contact me if you have any questions on the above. Thank you for your assistance in this matter.

Yours Sincerely,
