Dear Mr Gray,

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Commission a declaration of results for the election [E2015/156]. This letter is a reminder of certain obligations imposed on organisations and persons elected to office.

Section 154D(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires the rules of organisations (and branches of organisations) to require each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe.

Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which should be provided for in your organisation's rules.

Also, section 233(2) of the RO Act requires that an organisation must notify the Fair Work Commission (the Commission) within 35 days of any changes to the holders of office in the organisation. If the election has resulted in any changes to the holders of office, the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia - Electrical, Energy and Services Division - Victorian Divisional Branch must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.
2. Person(s) who have commenced to hold office:
 - the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;
 - the postal address of the person (generally the postal address of the organisation); and
 - the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. I have attached a template notification of changes which may assist you. If any change does not apply until a specific date, you don't need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Regards

Debbie Ball

18 JUNE 2015

DECISION

Fair Work (Registered Organisations) Act 2009
s.189—Arrangement for conduct of an election

Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia

(E2015/156)

MR ENRIGHT

MELBOURNE, 17 JUNE 2015

Arrangement for conduct of election.

[1] On 6 May 2015 the Victorian Divisional Branch (the Branch) of the Electrical, Energy and Services Division (the Division) of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (the CEPU) lodged with the Fair Work Commission (the Commission) prescribed information in relation to an election.

[2] On 1 June 2015 the Commission wrote to the abovenamed Branch of the CEPU requesting confirmation of the number of Branch members to determine the number of Branch Delegates to the Divisional Council. The correspondence also stated that the Branch was required to make a request for an extension of time for lodgement.

[3] On 3 June 2015 the abovenamed Branch of the CEPU lodged further prescribed information confirming the number of Branch members. The election is in relation to the following offices:

VICTORIAN DIVISIONAL BRANCH

Divisional Branch President/National Councillor	(1)
Divisional Branch Secretary/National Councillor	(1)
Divisional Branch Assistant Secretary	(2)

Delegates to Divisional Branch Conference from
the following sub-branches:

Eastern District Sub-Branch	(5)
Geelong Western District Sub-Branch	(5)
Greater Melbourne District Sub-Branch	(8)
Central Northern District Sub-Branch	(5)

Divisional State Councillors from the following Sections:

General Trade / Maintenance / Manufacturing	(8)
Power Industry (including Supply Authorities)	(5)
Electrical Contracting Industry	(17)

Divisional Branch Delegates to Divisional Council	(4)
---	-----

[4] On 6 May and 3 June 2015 the abovenamed Branch of the CEPU also lodged, under section 187 of the *Fair Work (Registered Organisations) Act 2009* (the Act), prescribed information in relation to an election for the following non-office positions:

Divisional Branch Organiser	(14)
-----------------------------	------

Eastern District Sub-Branch

Sub-Branch President	(1)
Sub-Branch Vice President	(1)
Sub-Branch Secretary	(1)

Geelong Western District Sub-Branch

Sub-Branch President	(1)
Sub-Branch Vice President	(1)
Sub-Branch Secretary	(1)

Greater Melbourne District Sub-Branch

Sub-Branch President	(1)
Sub-Branch Vice President	(1)

Sub-Branch Secretary (1)

Central Northern District Sub-Branch

Sub-Branch President (1)

Sub-Branch Vice President (1)

Sub-Branch Secretary (1)

[5] The prescribed information was not lodged *before* the prescribed day as required by section 189(2) of the Act, but on the prescribed day.

[6] The correspondence of 3 June 2015 from the Divisional Branch Secretary, Mr Troy Gray, made a request for an extension of time to lodge the prescribed information.

[7] Rule 15.17.1 of the rules of the Division provides that nominations shall open on the first Monday in July of an election year. Therefore, according to the rules of the Division, the first day when a person may become a candidate in the election is 6 July 2015. Therefore, the prescribed information was required to be lodged *before* 6 May 2015. As noted above, the prescribed information was lodged *on* 6 May 2015, one day late.

[8] Considering the briefness of the delay in lodgement, and the fact that Mr Gray stated that the Branch was of the understanding that 6 May 2015 was within the required time frame, I will allow a later day for lodgement of the prescribed information pursuant to section 189(2) of the Act. However, I remind the Branch that there is a normal and reasonable expectation that registered organisations take steps to ensure that they comply with time-frame requirements set out not only in the Act but also in instruments or references pertaining to their own governance formulated by organisations themselves. The failure of an organisation to lodge the prescribed information before the prescribed day contravenes section 189(2) of the Act which is a civil penalty provision. Failure by organisations to comply with civil penalty provisions may be the subject of applications by the Fair Work Commission for orders in the Federal Court.

[9] I am satisfied that an election for the abovenamed offices and non office positions is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

Dear Mr Gray

Arrangement for the conduct of an election - E2015/156

I refer to prescribed information lodged on 6 May 2015 for the conduct of an election for offices and non-office positions within the Victorian Divisional Branch (**the Branch**) of the Electrical, Energy and Services Division (**the Division**) of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia (**CEPU**).

In order for the Delegate of the General Manager to issue a decision to arrange for the conduct of the election, the following additional information needs to be provided.

Number of Divisional Branch Delegates to Divisional Council

The prescribed information states at paragraph c(10) that the number of Delegates to Divisional Council will be 4 in total, and that this is "to be confirmed on 29 June in accordance with r7.3.1". However, sub-rule 7.3.2 of the rulebook of the Division provides that the membership numbers are to be calculated in accordance with sub-rule 7.3.3, which provides a specific formula for calculating the number of Branch members.

Accordingly, could you please provide further prescribed information which confirms the number of Victorian Divisional Branch members calculated in accordance with sub-rule 7.3.3, and subsequently confirm the number of Divisional Branch Delegates to Divisional Council required in accordance with sub-rules 7.3.2 and 7.3.3.

Prescribed Day

Section 189(2) of the Act provides that prescribed information must be lodged before the "prescribed day" or such later day as the General Manager allows. Regulation 138(3) of the *Fair Work (Registered Organisations) Regulations 2009* defines the prescribed day as the day occurring 2 months before the first day when a person may, under the rules of an organisation, become a candidate in an election.

The prescribed information states at paragraph 'e' that nominations open on 6 July 2015, in accordance with rule 15.17.1 of the rules of the Division. Therefore, in accordance with regulation 138(3) the relevant prescribed day was 6 May 2015, which was the same day the prescribed information was lodged. Unfortunately, the prescribed information was not lodged before the prescribed day for the purposes of section 189(2) of the Act, and section 189(2) of the Act is a civil penalty provision.

I realise that the delay is quite minor but it has recently become the practice of the Fair Work Commission to require an organisation or branch to submit a request to lodge the prescribed information at a later day pursuant to section 189(2) of the Act in circumstances such as these. Therefore, could you please lodge a brief request for an extension of time to lodge the prescribed information.

If you have any questions in relation to the above, please don't hesitate to contact me on 02 8374 6510 or email orgs@fwc.gov.au.

Yours sincerely
