

Post Election Report For:

Election E No 2011/2623

I refer to the above election for your organisation.

Section 197(1) of the Fair Work (Registered Organisations) Act 2009 requires the AEC to provide a written report on the conduct of the election to the General Manager and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the Fair Work Regulations 2009 requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

(E2011/2623)**

I acknowledge receipt of prescribed information lodged with Fair Work Australia on 22 July 2011 for the conduct of an election for the Western Australian Branch of the Electrical, Energy and Services Division of the above named organisation. The prescribed information included a request for an election of Divisional Branch Executive members representing the Transport Industry and Salaried Officers sections.

To determine the Divisional Branch Executive members, sub-rule 11.11.1 of the Divisional rulebook states that the Divisional Branch Executive shall consist of *"one member from each of the sections as represented on the Divisional State Council"*. No Divisional State Councillors were elected from the Transport Industry and Salaried Officers sections.

Accordingly could you please lodge amended prescribed information which does not include the Transport Industry and Salaried Officers sections. Furthermore, could you please confirm whether an election is necessary for a Divisional Branch Treasurer or whether the office has been combined with the office of the Divisional Branch Secretary, as permitted under sub-rule 12.4.
