

20 July 2017

Mr Les McLaughlan
Secretary, Western Australian Divisional Branch
Electrical, Energy and Services Division,
CEPU

By email: kim@etuwa.com.au

CC: Ms Lucy Gardner, Auditor

Dear Mr McLaughlan,

**CEPU, Electrical, Energy and Services Division, Western Australian Divisional Branch -
Financial Report for the year ended 31 December 2016 - [FR2016/388]**

I acknowledge receipt of the financial report of the Western Australian Divisional Branch of the Electrical, Energy and Services Division of the CEPU. The documents were lodged with the Registered Organisations Commission ('the ROC') on 9 June 2017.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming whether the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the period ending 31 December 2017 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged. However I make the following comments to assist in preparing the next financial report. My comments reflect a discussion today with Ms Kim Stewart from the Branch who has provided me with relevant advice and information.

Disclosure of grants and donations

Reporting Guideline 16(e) requires that where grants or donations have been paid, a total amount paid is to be disclosed for each of the following sub-categories:

- (i) grants that were \$1,000 or less;
- (ii) grants that exceeded \$1,000;
- (iii) donations that were \$1,000 or less; and
- (iv) donations that exceeded \$1,000

It was not necessary for the 2016 report to individually itemise donations, but should have disclosed a total balance in respect of subcategories (iii) and (iv).

Reporting guideline 17 requires a nil balance or a statement to that effect for any of the above sub-categories for which there was no activity during the year. The 2016 report should therefore have disclosed a nil balance in respect of the subcategories for grants.¹

Disclosure of legal costs

Reporting Guideline 16(j) requires legal costs expenses to be disclosed by the sub-categories (i) litigation and (ii) other legal matters. Note 5 discloses a single balance for legal costs expenses but does not identify the sub-category or sub-categories to which this amount belongs.²

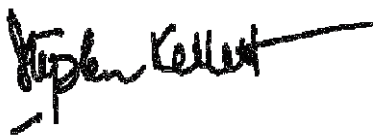

Reporting Requirements

On the ROC website is a number of factsheets in relation to the financial reporting process and associated timelines. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The ROC recommends reporting units use this model as it will assist in ensuring compliance with the RO Act, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via [this link](#).

Please note that new Reporting Guidelines will apply to organisations and branches with financial years *commencing* on or after 1 July 2017. Updates and information on the new guidelines will be provided through the ROC website and the [subscription service](#).

If you have any queries regarding this letter, please contact me via email at stephen.kellett@roc.gov.au.

Yours faithfully

Stephen Kellett
Financial Reporting
Registered Organisations Commission

¹ The model financial statements Note 4E illustrate a balance for each sub-category and this approach is recommended.

² A similar sub-category break-down applies to the disclosure in respect of legal costs payables as per Reporting guideline 20(b).

Subject: RE: Attention Kim Stewart - financial reporting - y/e 31 Dec 2016 - issues for discussion [SEC=UNCLASSIFIED]

Dear Mr. Kellett,

In response to our telephone discussion I wish to thank you for your advice on outlining the Registered Organisations requirement for audit reports and Statement of Loans and Grants. I have noted the areas that the CEPU WA Branch needs to address in the next reports.

In confirmation the values were for the financial year ending 31 December 2016:-

Grants NIL
Loans – NIL
Donations less than \$1000 = \$2,315
Donations greater than \$1,000 = \$49,439
Total Donations as per audit report = \$51,754

Hoping this clarifies the matter and thanking you once again for your assistance.

Kind Regards,

Kim

**OPERATING REPORT
FOR THE YEAR ENDED 31 DECEMBER 2016**

Principal activities

The principal activities of the Union during the financial year were the provision of industrial, professional and managerial services to the members consistent with the object and rules of the Union and in particular, protecting and improving the interests of members.

Results of principal activities

The Union has been successful in meeting its objectives.

The Union's principal activities resulted in an operating profit for the financial year of \$216,745 (2015: \$784,442). The decrease in the surplus is largely attributable to an increase in campaign and sustentation fee costs. There was also an increase in employee cost due to the payout of two senior clerical staff.

Significant changes in nature of principal activities

There were no significant changes in the nature of the Union's principal activities during the financial year.

Significant changes in the Union's financial affairs

No matters or circumstances arose during the reporting year which significantly affected the financial affairs of the Union.

Rights of members to resign

Members may resign from the Union in accordance with Rule 4.7 which sets out the conditions for resignation of a member.

**COMMITTEE OF MANAGEMENT STATEMENT
FOR THE YEAR ENDED 31 DECEMBER 2016**

On the *5th April* 2017, the Committee of Management of The Western Australian Branch of *Communication, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia –Electrical, Energy and Services Division, Western Australian Divisional Branch* passed the following resolution in relation to the *general purpose financial report (GPFR)* for the financial year ended *31 December 2016*:

The Committee of Management declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the *Fair Work (Registered Organisations) Act 2009*; and
 - (iv) the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the *Fair Work (Registered Organisations) Act 2009* has been provided to the member of General Manager; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the *Fair Work (Registered Organisations) Act 2009*, there has been compliance.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

1. Statement of significant accounting policies

Basis of preparation

The financial statements cover the Communication, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Electrical, Energy and Services Division, Western Australian Divisional Branch as an individual entity (the Union).

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisations) Act 2009*. For the purpose of preparing the general purpose financial statements, the Union is a not-for-profit entity.

The financial statements, except the cash flow information, have been prepared on an accruals basis and are based on historical costs and do not take into account changing money values or, except where stated, fair values of non-current assets. Historical cost is generally based on the fair value of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The amounts presented in the financial statements are presented in Australian dollars and have been rounded to the nearest Australian dollar.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions to which they apply. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied, unless stated otherwise.

The financial statements were authorised for issue on 5th April 2017, by members of the Committee of Management.

Accounting policies

a) Fixed assets

Each class of property, plant and equipment is carried at cost less where applicable any accumulated depreciation and any accumulated impairment losses. Cost is measured as the fair value of the assets given or liabilities incurred or assumed at the date of exchange plus costs directly attributable to the acquisition. The initial cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

Land is not depreciated. Depreciation on other assets is calculated on the straight line or diminishing value basis in order to write off the cost of fixed assets over their estimated useful lives. The depreciation rates are as follows:

**COMMUNICATION, ELECTRICAL, ELECTRONIC,
ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

1. Statement of significant accounting policies (continued)

a) Fixed assets (continued)

- *Buildings – 2.5% prime cost*
- *Office equipment – 30% prime cost*
- *Office furniture – 10% prime cost*
- *Motor vehicles – 25% diminishing value*

The gain or loss on disposal of all fixed assets, is determined as the difference between the carrying amount of the asset when control of the asset has passed to the buyer, and the proceeds of disposal and is included in operating profit of the union in the year of disposal. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

b) Employee entitlements

Short-term obligations

Liability for wages and salaries, including non-monetary benefits and accumulating sick leave that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liability for accumulating sick leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

Long term employee benefit obligations

The liabilities for long service leave, retirement leave and annual leave which are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are therefore recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the end of the reporting period of government bonds with terms and currencies that match, as closely as possible, the estimated future cash outflows. Re-measurement as a result of experience adjustments and changes in actuarial assumptions are recognised in profit and loss.

**COMMUNICATION, ELECTRICAL, ELECTRONIC,
ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

I. Statement of significant accounting policies (continued)

b) Employee entitlements (continued)

The obligations are presented as current liabilities in the statement of financial position if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

c) Income tax

No provision for income tax is necessary as "Trade Unions" are exempt from income tax under Section 50-15 of the Income Tax Assessment Act (1997).

d) Cash

Cash is recognised at its nominal amount. For the purposes of the Statement of Cash Flows, cash includes cash on hand, deposits held at call with banks and other short term highly liquid investments with original maturities of three months or less.

e) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Revenue for subscriptions is accounted for on an accruals basis and is recorded as revenue in the period to which it relates. Donation income is recognised when it is received.

f) Financial assets

The Union classifies financial assets in the following categories: financial assets at fair value through profit or loss, loans and receivable, held-to-maturity investments, and available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and re-evaluates this designation at each reporting date.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise when entity provides money, goods or services directly to a debtor with no intention of selling the receivable. They are included in current assets, except for those with maturities greater than 12 months after the balance sheet date which are classified as non-current assets. They are stated at amortised cost using the effective interest rate method less any provision for impairment. Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition would be immaterial.

WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

1. Statement of significant accounting policies (continued)

f) Financial assets (continued)

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that management has the positive intention and ability to hold to maturity. They are stated at amortised cost using the effective interest method. These are short term investments however they have been classified as non-current because they are to be rolled over continuously until needed to pay the retirement allowance and long service leave.

At each balance date where there is objective evidence that a financial asset is impaired an assessment of the impaired value is made. Impairment losses are recognised in the income statement.

Effective interest method

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) over the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying amount with a consequential recognition of income or expense in the profit or loss.

Impairment of financial assets

Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected. For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the Union's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 60 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets carried at amortised cost, the amount of the impairment loss recognised is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

1. Statement of significant accounting policies (continued)

f) Financial assets (continued)

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance are recognised in the profit or loss.

Derecognition of financial assets

The Union derecognised a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the profit or loss.

g) Financial liabilities

Financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs. Financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

Derecognition of financial liabilities

The Union derecognises financial liabilities when, and only when, the Union's obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognised and the consideration paid and payable is recognised in the profit or loss.

h) Impairment of non-financial assets

At each reporting date, the Union reviews the carrying values of its non-financial assets to determine whether there is any indication that these assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Where the future economic benefits of the assets are not primarily dependent upon the assets ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is the depreciated replacement cost of an asset.

ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

1. Statement of significant accounting policies (continued)

h) Impairment of non-financial assets (continued)

Where it is not possible to estimate the recoverable amount of an individual asset, the Union estimates the recoverable amount of the cash generating unit to which the asset belongs.

i) Leases

Lease payments on operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight line basis over the lease term.

j) Consolidation

The Union consolidates into its financial statements the results of the Union and entities controlled by the Union. Control is achieved where the Union is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power. Specifically, the Union controls an investee if and only if the Union has:

- Power over the investee (ie existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its returns.

When the Union has less than a majority of the voting or similar rights of an investee, the Union considers all relevant facts and circumstances in assessing whether it has power over and investee, including:

- Relevant activities of the investee and who has control over them
- Existing or future administrative or statutory arrangement that may give rise to rights/control (or change the previous control assessment)
- Whether rights are substantive or protective in nature and whether rights presently exercisable or will be exercisable when decisions about relevant activities are being made
- Exposure or rights to financial and non-financial returns (direct or indirect) and the ability to influence those returns
- Whether the investor is exercising its decision-making abilities as a principal or agent
- Rights arising from other contractual arrangements.

The Union re-assess whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Union obtains control and ceases when the Union ceases control. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial

I. Statement of significant accounting policies (continued)

j) Consolidation (continued)

statements from the date the union gains control until the date the Union ceases to control the subsidiary.

k) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

l) Critical accounting estimates and judgements

The Committee of Management evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the union.

Key estimate - impairment

The Union assesses impairment at each reporting date by evaluating conditions specific to the Union that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined.

The Committee of Management estimates, based on past history approximately 43% (2015: 22%) of the trade receivables relating to outstanding membership subscription revenue is doubtful and therefore a provision for impairment has been made for this amount.

Key estimate – employee entitlements

The Committee of Management has factored a 3.5% pa (2015: 3.5%) future salary increase into the measurement of long term employee benefit obligations.

Key judgement – control not established

The Union has not consolidated the results of the Combined Skills Training Association (hereafter referred to as “CSTA”) into the results of the Union as the Union has concluded it does not have control over CSTA. The Union has power over related entity (CSTA) as it has the ability to appoint all members and committee members however the Union does not receive any financial or non-financial returns as the CSTA objectives do not further the objectives of the Union.

ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

1. Statement of significant accounting policies (continued)

m) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and trade creditors in the statement of financial position are shown inclusive of GST.

The net amount of GST receivable from, or payable to the ATO is included as part of receivables or payables. Cash flows arising from GST are included in the cash flow statement on a gross basis within operating cash flows.

n) New and Amended Standards Adopted by the Union

The Union has applied a number of new and revised standards which have become effective for the first time in their annual reporting period commencing 1 January 2016. Information on the more significant standard(s) is presented below:

AASB 2014-3: Amends AASB 11 to provide guidance on the accounting for acquisitions of interests in joint operations in which the activity constitutes a business.

AASB 2014-4: Clarification of Acceptable Methods of Depreciation and Amortisation (Amendments to AASB 116 and AASB 138).

AASB 2014-9: Amendments to Australian Accounting Standards – Equity Method in Separate Financial Statements.

AASB 2015-1: Amendments to Australian Accounting Standards – Annual Improvements to Australian Accounting Standards 2012-2014 Cycle.

AASB 2015-2: Amendments to Australian Accounting Standards – Disclosure Initiative: Amendments to AASB 101.

AASB 2015-3: Amendments to Australian Accounting Standards arising from the Withdrawal of AASB 1031 Materiality.

AASB 2015-4: Amendments to Australian Accounting Standards – Financial Reporting Requirements for Australian Groups with a Foreign Parent.

AASB 2015-5: Amendments to Australian Accounting Standards – Investment Entities: Applying the Consolidation Exception.

AASB 2015-9: AASB 2015-9 inserts scope paragraphs into AASB 8 *Operating Segments* and AASB 133 *Earnings per Share* in place of application paragraph text in AASB 1057.

n) New and Amended Standards Adopted by the Union (continued)

The adoption of these amendments has not had a material impact on the Union as they are largely not applicable to the Union or relate to the clarification of existing requirements.

o) New Accounting Standards for application in future periods

The AASB has issued new and amended accounting standards and interpretations that have mandatory application dates for future reporting periods and which the Union has decided not to early adopt. A discussion of those future requirements and their impact on the Union follows:

Reference	Title	Summary
AASB 9	<i>Financial Instruments</i>	<p>AASB 9 (December 2014) is a new Principal standard which replaces AASB 139. This new Principal version supersedes AASB 9 issued in December 2009 (as amended) and AASB 9 (issued in December 2010) and includes a model for classification and measurement, a single, forward-looking 'expected loss' impairment model and a substantially-reformed approach to hedge accounting.</p> <p>AASB 9 is effective for annual periods beginning on or after 1 January 2018.</p> <p>The final version of AASB 9 introduces a new expected-loss impairment model that will require more timely recognition of expected credit losses. Specifically, the new Standard requires entities to account for expected credit losses from when financial instruments are first recognised. The Standard also requires to recognise full lifetime expected losses on a timelier basis.</p> <p>Amendments to AASB 9 (December 2009 & 2010 editions) (AASB 2013-9) issued in December 2013 included the new hedge accounting requirements, including changes to hedge effectiveness testing, treatment of hedging costs, risk components that can be hedged and disclosures.</p> <p>AASB 9 includes requirements for a simpler approach for classification and measurement of financial assets compared with the requirements of AASB 139.</p> <p>The main changes are described below.</p> <p>a. Financial assets that are debt instruments will be classified based on (1) the objective of the entity's business model for managing the financial assets; (2) the characteristics of the contractual cash flows.</p>

o) New Accounting Standards for application in future periods (continued)

Reference	Title	Summary
AASB 9 (continued)	<i>Financial Instruments (continued)</i>	<p>b. Allows an irrevocable election on initial recognition to present gains and losses on investments in equity instruments that are not held for trading in other comprehensive income. Dividends in respect of these investments that are a return on investment can be recognised in profit or loss and there is no impairment or recycling on disposal of the instrument.</p> <p>c. Financial assets can be designated and measured at fair value through profit or loss at initial recognition if doing so eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities, or recognising the gains and losses on them, on different bases.</p> <p>d. Where the fair value option is used for financial liabilities the change in fair value is to be accounted for as follows:</p> <ul style="list-style-type: none"> ▶ The change attributable to changes in credit risk are presented in other comprehensive income (OCI) ▶ The remaining change is presented in profit or loss <p>AASB 9 also removes the volatility in profit or loss that was caused by changes in the credit risk of liabilities elected to be measured at fair value. This change in accounting means that gains caused by the deterioration of an entity's own credit risk on such liabilities are no longer recognised in profit or loss.</p> <p>Consequential amendments were also made to other standards as a result of AASB 9, introduced by AASB 2009-11 and superseded by AASB 2010-7, AASB 2010-10 and AASB 2014-1 – Part E.</p> <p>AASB 2014-7 incorporates the consequential amendments arising from the issuance of AASB 9 in Dec 2014.</p> <p>This may impact the classification and measurement of the Union's financial assets and liabilities.</p>

Reference	Title	Summary
AASB 1058 1-1-19	<i>Income of Not-for-Profit Entities</i>	<p>AASB 1058 and AASB 2016-8 <i>Amendments to Australian Accounting Standards – Australian Implementation Guidance for Not-for-Profit Entities</i> will defer income recognition in some circumstances for NFP entities, particularly where there is a performance obligation or any other liability. In addition, certain components in an arrangement, such as donations, may be separated from other types of income and recognised immediately. The Standard also expands the circumstances in which NFP entities are required to recognise income for goods and services received for consideration that is significantly less than the fair value of the asset principally to enable the entity to further its objectives (discounted goods and services), including for example, peppercorn leases.</p> <p>AASB 1004 <i>Contributions</i> is also amended, with many of its requirements being revised and relocated AASB 1058. The scope of AASB 1004 is effectively limited to address issues specific to government entities and contributions by owners in a public sector entity context.</p> <p>AASB 1058 will be effective for annual periods beginning on or after 1 January 2019. Early application is permitted, provided AASB 15 <i>Revenue from Contracts with Customers</i> is applied on or before the date of initial application.</p> <p>The Union is currently assessing the impact of AASB 1058.</p>

o) New Accounting Standards for application in future periods (continued)

Reference	Title	Summary
AASB 16	<i>Leases</i>	<p>The key features of AASB 16 are as follows:</p> <p>Lessee accounting</p> <ul style="list-style-type: none"> • Lessees are required to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. • Assets and liabilities arising from a lease are initially measured on a present value basis. The measurement includes non-cancellable lease payments (including inflation-linked payments), and also includes payments to be made in optional periods if the lessee is reasonably certain to exercise an option to extend the lease, or not to exercise an option to terminate the lease. • AASB 16 contains disclosure requirements for lessees. <p>Lessor accounting</p> <ul style="list-style-type: none"> • AASB 16 substantially carries forward the lessor accounting requirements in AASB 117. Accordingly, a lessor continues to classify its leases as operating leases or finance leases, and to account for those two types of leases differently. • AASB 16 also requires enhanced disclosures to be provided by lessors that will improve information disclosed about a lessor's risk exposure, particularly to residual value risk. <p>Effective for periods commencing 1 January 2019.</p> <p>Based on the current number of operating leases held by the Union, the impact is not expected to be significant.</p>

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

1. Statement of significant accounting policies (continued)

p) Going concern

The financial statements have been prepared on a going concern basis. The ability to continue as a going concern is not dependent on the financial support of other reporting units.

q) Financial support

The Union does not provide financial support to another reporting unit.

r) Restructuring

There has been no amalgamation or restructuring of the Union during the year ended 31 December 2016.

s) s245(1) Certificate and s249 Revocation

There have been no assets or liabilities acquired during the financial year as a result of:

- (i) a determination by the General Manager under subsection 245(1) of the Fair Work (Registered Organisation) Act 2009 of an alternative reporting structure for the organisation; or
- (ii) a revocation by the General Manager under subsection 249(1) of the Fair Work (Registered Organisation) Act 2009 of a certificate issued to an organisation under s245(1).

t) Business combinations

There have been no assets and liabilities acquired during the financial year as part of a business combination (2015: \$Nil)

2. Information to be provided to members or Registrar

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of sub-sections (1), (2) and (3) of Section 272, which read as follows:

- (1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.*
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.*

**COMMUNICATION, ELECTRICAL, ELECTRONIC,

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

7. Trade and other receivables (continued)

The following table details the Union's receivables exposed to credit risk with ageing analysis and impairment provided for thereon. Amounts are considered as "past due" when the debt has not been settled within the terms and conditions agreed between the Union and the member or counterparty to the transaction. Receivables that are past due are assessed for impairment by ascertaining their willingness to pay and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Union.

The balances of receivables that remain within initial terms (as detailed in the table) are considered to be a high credit quality.

	Gross Amount	Past Due and Impaired	Past Due but Not Impaired (Days Overdue)				Within Initial Trade Terms
			< 30	31-60	61-90	>90	
2016	\$	\$	\$	\$	\$	\$	\$

14. Related party transactions (continued)

c) Key Management Personnel Compensation

Key management personnel comprise those individuals who have the authority and responsibility for planning, directing and controlling the activities of the Union. During the year, the key management personal of the Union were remunerated as follows:

Year ended 30 June 2016	Total
Short term employee benefits	\$
Wages and salaries	1,388,727
Annual leave accrued	188,813
Performance bonus	-
Fringe benefits tax	38,855
Payroll tax	96,787
Total short term employee benefits	1,713,182
Post-employment benefits Superannuation	277,304
Other long-term benefits	
Long service leave	5,276
Termination benefits	11,436
Total	2,007,198

c) Key Management Personnel Compensation (continued)

Year ended 30 June 2015	Total
Short term employee benefits	\$
Wages and salaries	1,154,328
Annual leave accrued	178,237
Performance bonus	-
Fringe benefits tax	44,041
Payroll tax	68,498
Total short term employee benefits	1,445,104
Post-employment benefits Superannuation	221,477
Other long-term benefits	
Long service leave	92,974
Termination benefits	19,478
Total	1,779,033

No payments have been made to key management personnel or close family members other than the remuneration paid as being employees of the Union.

**COMMUNICATION, ELECTRICAL, ELECTRONIC,
ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

14. Related party transactions (continued)

d) Other transactions with officers

Branch President, Mr Greg Wilton participated in a Mates In Construction Kokoda Trail walk which the Union contributed \$7,939 (2015: \$11,593).

There were no other transactions between the officers and the Union other than those relating to their membership in the Union and the reimbursement by the Union in respect of expenses incurred by them in the performance of their duties. Such transactions have been on conditions no more favourable than those which it is reasonable to expect would have been adopted by parties at arm's length.

15. Capital management

The primary focus of the Union's capital management policy is to ensure adequate working capital to fund the cost of protecting and improving the interests of members. This is done through careful budgeting and a membership fee approval process which involves obtaining approval from the Committee of Management.

The Union's working capital as at the balance date was:

	2016	2015
	\$	\$
Cash and cash equivalents	382,689	407,277
Other financial assets	5,142,225	5,502,037
Trade and other receivables	212,288	410,704
Trade and other payables	(666,955)	(831,770)
	<u>5,070,247</u>	<u>5,488,248</u>

16. Financial instruments

a) Financial Instruments

The Union's financial instruments consist mainly of deposits with banks, short-term investments, accounts receivables and payable.

The Union does not have any non-derivative instruments and is not exposed to any financial instrument risk at 31 December 2016 (2015: Nil).

**COMMUNICATION, ELECTRICAL, ELECTRONIC,
ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

16. Financial instruments (continued)

b) Interest Rate Risk and Liquidity Analysis

The Union's exposure to interest rate risk, which is the risk that the value of the financial instrument will fluctuate due to changes in market interest rates, and the effective interest rates on those financial assets and financial liabilities is as follows:

31 December 2016

	Floating Interest Rate Within 1 year \$	Fixed Interest \$	Non-Interest Bearing Within 1 year \$	Total \$
Financial assets				
Cash and deposits	381,549	-	1,140	382,689
Held to maturity investments	5,142,225	-	-	5,142,225

Interest Rate Sensitivity Analysis

The Union has performed a sensitivity analysis relating to its exposure to interest rate risk at balance date. This sensitivity analysis demonstrates the effect on the current year results and members funds which could result from a change in these risks.

As 31 December 2016, the effect on the operating surplus and members funds as a result of changes in the interest rate, with all other variables remaining constant would be as follows:

**COMMUNICATION, ELECTRICAL, ELECTRONIC,
ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

16. Financial instruments (continued)

	Higher / (Lower)	Higher / (Lower)
	2016	2015
	\$	\$
<u>Change in operating surplus</u>		
- Increase in interest rate by 100 basis points	55,238	59,082
- Decrease in interest rate by 100 basis points	(55,238)	(59,082)
<u>Change in members' funds</u>		
- Increase in interest rate by 100 basis points	55,238	59,082
- Decrease in interest rate by 100 basis points	(55,238)	(59,082)

The movements in profit are due to higher / lower interest revenue from cash balances.

c) Credit risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, is the carrying amount of the financial assets as disclosed in the balance sheet and notes to the financial statements. The Union does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the Union.

d) Net fair values

The financial assets and liabilities as disclosed in the balance sheet and notes to the financial statements approximate their carrying values. This is largely due to the short term maturities of these instruments. No financial assets and liabilities are readily traded on organised markets in standardised form.

d) Net fair values (continued)

The aggregate net fair values and carrying amounts of the financial assets and liabilities are disclosed in the statement of financial position and in the notes to and forming part of the accounts.

**COMMUNICATION, ELECTRICAL, ELECTRONIC,
ENERGY, INFORMATION, POSTAL, PLUMBING AND
ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

17. Contingent liabilities

At the date of signing this report, there were no known contingent liabilities.

18. Employee numbers

	2016	2015
Number of full time equivalent employees at the end of financial year	15	16

19. Capital and leasing commitments

At the date of signing this report, there are no known outstanding capital commitments.

Operating lease commitments

Non-cancellable operating leases contracted for but not recognised in the financial statements:

	2016	2015
Minimum lease payments payable:	\$	\$
- Not later than 12 months	-	7,700
- Between 12 months and 5 years	-	-
- Later than 5 years	-	-
	-	7,700

The property lease commitment is a non-cancellable operating lease with an initial 36 month term, with rent payable monthly in advance.

Other commitments

The Union does not have any other contractual arrangements, guarantees or other commitments with third parties.

20. Fair value

The Union does not measure any assets or liabilities at fair value on a recurring or non-recurring basis.

ALLIED SERVICES UNION OF AUSTRALIA,
ELECTRICAL, ENERGY AND SERVICES DIVISION,
WESTERN AUSTRALIA DIVISIONAL BRANCH**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

21. Post balance date events

There were no events that occurred after 31 December 2016 prior to the signing of the financial statements that would affect the ongoing structure and financial activities of the Union.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
THE COMMUNICATION, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION,
POSTAL, PLUMBING AND ALLIED SERVICES UNION OF AUSTRALIA, ELECTRICAL,
ENERGY AND SERVICES DIVISION, WESTERN AUSTRALIA DIVISIONAL BRANCH
("THE UNION")**

Opinion on the Financial Report

We have audited the accompanying financial report of the Union, comprising the statement of financial position as at 31 December 2016, and the statement of profit or loss and other comprehensive income, the statement of changes in members' funds, the statement of cash flows, statement of recovery of wages activity for the year then ended, notes comprising a summary of significant accounting policies and other explanatory notes and the Committee of Management statement, for the year ended 31 December 2016.

In our opinion, the general purpose financial report of the Union is in accordance with the requirements of Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 including:

- a) presenting fairly the entity's financial position as at 31 December 2016 and its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards (including Australian Accounting Interpretations).

Opinion on the Recovery of Wages Activity

We have audited the Recovery of Wages Activity included on page 13 of the Union's general purpose financial report for the year ended 31 December 2016.

The members of the Committee of Management are responsible for the preparation and presentation of the Recovery of Wages Activity in accordance with Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

Our responsibility is to express an opinion on the Recovery of Wages Activity, based on our audit conducted in accordance with Australian Auditing Standards.

In our opinion the Recovery of Wages Activity is in accordance with the reporting guidelines of the Industrial Registrar for the year ended 31 December 2016, including:

- a) presenting fairly and properly the Recovery of Wages Activity's financial position as at 31 December 2016 and its performance for the year ended on that date, including:
 - (i) any fees charged to, or reimbursements of expenses claimed from, members and others for recovery of wages activity, and
 - (ii) any donations or other contributions deducted from recovered money.

Basis for Opinions

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Union in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Going Concern Basis of Preparation

Based on all reasonably foreseeable circumstances impacting the Union and the information obtained during the audit, we concur with management's decision to prepare the financial report on the going concern basis.

Committee's Responsibility for the Financial Report

The members of the Committee of Management of the Union are responsible for the preparation and fair presentation of the financial report with the Australian Accounting Standards (including the Australian Accounting Interpretations) and the and the Fair Work (Registered Organisations) Act 2009 and for such internal control as the Committee of Management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management of the Union is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Union or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

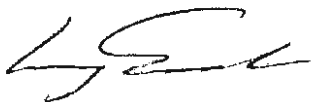

As part of an audit in accordance with the Australia Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain and understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Union's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Union's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Union to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
