Dear Registrar

Re: Changes within the CFMEU Mining & Energy Division

Please be advised that there have been several changes of officials within the CFMEU Mining & Energy Division over the past 12 months.

I understand that under s233 of Schedule 1B of the *Workplace Relations Act 1996* that it is a requirement of all unions to advise the Registry of any changes within their organisation within a certain timeframe. Due to a change in the position of General Secretary late last year, unfortunately some of these notifications have not taken place within the timeframe.

I apologise for any inconvenience this may cause and hope that the attached document brings our records up to date. Please contact me should you need any further information.

Yours sincerely
