Dear Sir,

Re: Correspondence of 19 November, 2013

We refer to correspondence to the General Manager from the CFMEU date 19 November, 2013 (copy enclosed).

The correspondence sets out the details of changes to a number of CFMEU office holders which occurred as a result of various rule changes approved by the FWC in 2013 and an election of Divisional officers in E2013/233.

It has recently come to our attention that this correspondence may not have been sent to FWC after it was prepared and signed in November 2013. We are unable to confirm from our records whether or not it was sent at that time. In the event it was not received by FWC, this has occurred because of an administrative oversight and we apologise for any inconvenience caused.

Yours sincerely,

Tom Roberts

Election E2013/131**

I refer to the above election for your organisation.

Section 197(1) of Schedule 1 of the Fair Work (Registered Organisations) Act 2009 requires the AEC to provide a written report on the conduct of the election to Fair Work Australia and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of Schedule 1 requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members.

Further, Regulation 141(4) of the Fair Work (Registered Organisations) Act 2009 requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please find enclosed the Annual Return of Information for the CFMEU as required to be lodged under the Fair Work (Registered Organisations) Act 2009.

We note that the Return is lodged outside of the time prescribed in the Act for lodging returns and we seek that the Commission extend the time for lodgement of this return.

We note that the delay in lodgement is relatively short and can indicate that the reason for the delay arose out of administrative difficulties in co-ordinating the various returns for the three Divisions.

If you have any queries in relation to this matter we ask that you please contact the Forestry and Furnishing Products Division's National Legal Officer, Rosalind Read, in the first instance. Ms Read may be contacted on 03 9274 9200.

Yours sincerely,

Dear Mr O'Connor

**Construction, Forestry, Mining and Energy Union
Annual Return of Information for 2013 [AR2013/131]**

I refer to our letter dated 14 February 2013 reminding you of the obligation to lodge an Annual Return of Information for 2013 in respect of the above by **31 March 2013**. As it is noted that you have not as yet lodged your Annual Return, we provide the following as a second and final reminder. Please ignore this letter if you have lodged the Annual Return for 2013 in the last few days.

A signed and dated declaration certifying matters prescribed in the *Fair Work (Registered Organisations) Act 2009* [the 'RO Act'] must be lodged with the Fair Work Commission ('the Commission') by that date. The matters to be included in the declaration are set out in the attached checklist.

The declaration must be signed by the Secretary, or where applicable, such other elected official who is required under the rules or by resolution of the organisation, to keep the relevant records. A declaration signed by a non-elected person does not meet this requirement. The Secretary or other prescribed officer must also notify the Commission within 35 days of any changes to such records.

Once an Annual Return or change of records has been lodged, a copy will be posted on the Commission's website at www.fwc.gov.au— under *Registered organisations - List of registered organisations*. In order to protect the privacy of the relevant office holders listed in declarations, you may wish to list their official mailing address rather than personal home address.

The Commission encourages you to lodge all returns electronically e.g. as pdf files at orgs@fwc.gov.au. Please ensure that emailed documents include signatures where required.

Please note: failure to comply with these obligations is subject to a civil penalty provision (up to \$33,000 for a body corporate and \$6,600 for an individual per contravention) - see s.305 of the RO Act. Further, in maintaining the register of members, your attention is drawn to s.171A of the RO Act that outlines the circumstances where membership ceases to exist.

Please do not hesitate to contact me on (03) 8661 7936 or by e-mail at robert.pfeiffer@fwc.gov.au if you wish to discuss the requirements outlined in this correspondence.

Yours sincerely

Robert Pfeiffer

A copy of each of the following records must be lodged with the Fair Work Commission ('The Commission') between 1 January and 31 March each year.
