Dear Commissioner

RE: NOTIFICATION OF CHANGES TO RECORDS [AR2018/65]

I am required to notify the Commission of a change in the records required to be kept under s 230 of the *Fair Work (Registered Organisations) Act 2009* and regulation 147 of the *Fair Work (Registered Organisations) Regulations 2009*.

As you would be aware the recent amalgamation of our union has brought a number of changes to the union's structure. On 25 March 2019 the Delegate of the Commissioner issued an Amending Decision to the original decision [2018] ROCD 65 issued on 11 April 2018 with regards to the scheduled election for State Branch officers – E2018/31. After extensive communications we are now in a position to notify the establishment of certain Joint Vice President positions in the State Branches.

There are a several other changes as a result of the amalgamation and recent elections that are required to be notified. I acknowledge the notification of some of the changes has occurred more than 35 days after they took effect. It is regrettable these changes were not notified earlier – the delay was caused by a staff member's misunderstanding. This misunderstanding has now been resolved and future changes of national officeholders in the amalgamated union will continue to be notified within 35 days in accordance with our procedures. I respectfully request that the Commission accept the late lodgement of this information.

In accordance with s 233(2) of the *Fair Work (Registered Organisations) Act 2009*, I make the following declaration:

I, Michael O'Connor, National Secretary of the Construction, Forestry, Maritime, Mining and Energy Union, declare the following:

1. I am authorised to make this declaration;
2. this is a correct statement of the changes made to the information contained in the records required to be kept by the organisation in accordance with s 230(1) (b), (c), and (d) of the *Fair Work (Registered Organisations) Act 2009*.

A list of changes to offices and the names, postal addresses and occupations of persons holding those offices is attached to this declaration at Annexure A and forms part of this declaration.

Yours sincerely

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

I note that the notification received on 22/1/2019 was two days late, I also note that the five notifications I have processed since then have been received on time.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe. Further information about training is provided in our [officer financial training fact sheet](#).

Thank you for your correspondence.

Yours faithfully,

Christine Hibberd

Dear Commissioner

RE: NOTIFICATION OF CHANGES TO RECORDS

It has been brought to my attention that a notification of a change to the union's records required to be kept under s 230(1)(c) of the Fair Work (Registered Organisations) Act 2009 is overdue for lodgement.

Mr Aaron McDonough was appointed to a vacancy on the Manufacturing Division's Victorian District Forestry, Furnishing, Manufacturing and Building Products Division [FFPD] Committee of Management on 8 June 2018.

Due to a breakdown in internal procedures, the appointment only came to the attention of the relevant staff on 28 August 2018. This delay in notification of a change to the union's records is regrettable and we take full responsibility for it.

I respectfully request that the Commission accept the late lodgement of this information.

In accordance with s 233(2) of the *Fair Work (Registered Organisations) Act 2009* I make the following declaration:

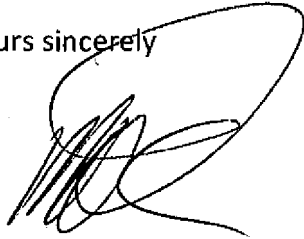

I, Michael O'Connor, National Secretary of the Construction, Forestry, Maritime, Mining and Energy Union – Manufacturing Division declare the following:

1. I am authorised to make this declaration;

2. this is a correct statement of the changes made to the information contained in the records required to be kept by the organisation in accordance with s.230(1) (b), (c), and (d) of the *Fair Work (Registered Organisations) Act 2009*.

Dear Registrar,

Please see **attached** notifications pursuant to s.230(1)(b),(c) and (d) of the *Fair Work (Registered Organisations) Act 2009*. The notifications relate to the Construction & General Division of the Union.

You will see that the notifications have not been made within 35 days of the relevant changes occurring. We apologise for this oversight; the notifications all relate to changes which are consequential to other changes that have already been notified to ROC, within the relevant 35 days. Specifically:

- The first notification relates to **Jade Ingham**, who was elected in a casual vacancy election to the position of Divisional President on 2 July 2018 (E2018/94). ROC was notified of this on 10 July 2018. Mr Ingham had previously been elected to the position of Additional Divisional Executive Member – Queensland – Northern Territory (E2017/161). It has since come to our attention that, when Mr Ingham took up the office of President, the Additional Divisional Executive Member position became vacant by virtue of r9.7 of the Divisional Rules;
- The second notification relates to **Aaron Cartledge**, who resigned as Branch Secretary of the South Australian Construction & General Division, and as Divisional Branch Delegate to Divisional Conference, on 27 June 2018. ROC was notified of these matters on 29 June 2018. Prior to his resignation, Mr Cartledge was also an ex officio member of the (National) Divisional Executive by virtue of being the Divisional Branch Secretary in South Australia (r9.1.A of the Divisional Rules);
- **Dean Hall** resigned as Divisional Branch Secretary / Treasurer of the ACT Branch on 20 March 2018. **Jason Lawrence O'Mara** took over this role on 27 March 2018. These changes were notified to ROC on 29 March 2018. The third and fourth notifications arise because:
 - the Secretary / Treasurer of the ACT Branch is an ex officio member of the Divisional Executive (r.9.1.A); and

- the Secretary / Treasurer of the ACT Branch is also an ex officio delegate to Divisional Conference (r8(ii));
- **Zachary Alan Smith** became Divisional Branch Assistant Secretary of the ACT Branch on 26 June 2018. Mr Smith vacated the elected office of Divisional Branch Organiser on that same day. ROC was notified of these matters on 29 June 2018. The fifth to seventh notifications arise because:
 - the ACT Divisional Branch Assistant Secretary – Plasterer (held by Mr O'Mara prior to 27 March 2018) and the Divisional Branch Assistant Secretary (post the rule change in matter R2018/93) were and are ex officio delegate to Divisional Conference (r8(ii)); and
 - Mr Smith had previously been elected as a member of the Divisional Branch Management Committee (E2016/124). As a result of his appointment as Divisional Branch Assistant Secretary on 26 June 2018, and by virtue of r42(a)(iii) of the Divisional Rules, a vacancy has arisen on the Divisional Branch Management Committee.

Yours sincerely,

Dave Noonan

Dear Commissioner

RE: ANNUAL RETURN OF INFORMATION [AR2018/65]

On 26 March 2018, the *Annual Return of Information* for the Construction, Forestry, Mining and Energy Union was lodged with the Registered Organisations Commission, pursuant to section 233(1) of the *Fair Work (Registered Organisations) Act 2009* [the Act].

On recent review of that information, errors have been located in records lodged according to sections 230(1)(b) and (c) of the Act.

The errors are:

- a) Construction and General Division, Victoria-Tasmania Divisional Branch: two offices were incorrectly recorded as vacant when they were not vacant;
- b) Construction and General Division, Victoria-Tasmania Divisional Branch: two officers were identified each as holding particular offices in the Divisional Branch which they do not hold.

The error does not render either of those offices vacant – they were incorrectly identified in the first place and do not exist; they are surplus to the existing number of offices in the Divisional Branch Council. The office-holders named do, however, hold other offices in the Division.

Further, one office held by one of these officers had been given an incorrect title.

The errors, and the failure to identify them earlier, are regrettable. They are the result solely of misunderstanding by staff during the collation of the information and further in the transcription of the information, and are not indicative of any common failure in the union's processes for the collation of information for the *Annual Return*.

Dear Commissioner

RE: NOTIFICATION OF CHANGES TO RECORDS [AR2018/65]

I am required to notify the Commission of a change in the records required to be kept under s 230(1)(c) of the *Fair Work (Registered Organisations) Act 2009* and regulation 147 of the *Fair Work (Registered Organisations) Regulations 2009*.

In addition to changes in office-holders during March, I am notifying also of a correction to a record which was provided in the union's Annual Return, lodged on 26 March 2018. Unfortunately, an officer was incorrectly allocated to a position on the union's National Executive Committee recently vacated by another officer - however, the office is currently still vacant. This error was identified and is now corrected in the attached annexure.

In accordance with s 233(2) of the *Fair Work (Registered Organisations) Act 2009* I make the following declaration:

I, Michael O'Connor, National Secretary of the Construction, Forestry, Maritime, Mining and Energy Union, declare the following:

1. I am authorised to make this declaration;
2. this is a correct statement of the changes made to the information contained in the records required to be kept by the organisation in accordance with s.230(1) (b), (c), and (d) of the *Fair Work (Registered Organisations) Act 2009*.

A list of changes to offices and the names, postal addresses and occupations of persons holding those offices is attached to this declaration at Annexure A and forms part of this declaration.

Yours sincerely

MICHAEL O'CONNOR
National Secretary

Dear Mr O'Connor,

Annual Return of Information for 2018 [AR2018/65]**

I refer to our letter dated 1 February 2018 reminding you of the obligation to lodge an Annual Return of Information (Annual Return). Please ignore this letter if you have lodged the Annual Return in the last few days.

When must you lodge the Annual Return?

The Annual Return 2018 must be lodged no later than **31 March 2018**.

What must you lodge?

Two signed declarations certifying matters prescribed in the Fair Work (Registered Organisations) Act 2009 (the RO Act) must be lodged along with copies of some of your records. The required declarations and records are set out in the table that follows this letter.

Please refer to our previous correspondence which provides information about maintaining the register of members, a recommendation that private information not be provided and which explains who must sign the declarations.

Consider using the ROC's template

The ROC provides a template Annual Return for an organisation without branches and a template Annual Return for an organisation with branches on our [Factsheets, templates and webinars](#) page. We recommend that you use this template to ensure that you make the correct declarations and include all the required information.

Failure to comply

Failure to comply with these obligations exposes your organisation to financial penalties (up to \$63 000 for a body corporate and \$12 600 for an individual per contravention), under s.305 of the RO Act.

Need more information?

If you require further information about an Annual Return you can refer to the [Annual returns](#) page on our website and, in particular, our Webinar slides. You can also contact the ROC by phone on 1300 341 665 or by e-mail at regorgs@roc.gov.au.

Mr Michael O'Connor
National Secretary
Construction, Forestry, Mining and Energy Union

Sent via email: nationalqueries@cfmeu.org

Dear Mr O'Connor,

**Construction, Forestry, Mining and Energy Union
Annual Return of Information for 2018 [AR2018/65]**

This is a courtesy letter to remind you of the obligation to lodge an Annual Return of Information for 2018 in respect of the Construction, Forestry, Mining and Energy Union by **31 March 2018**.

What must be lodged?

A signed and dated declaration certifying matters prescribed in the *Fair Work (Registered Organisations) Act 2009* (the RO Act) must be lodged with the Registered Organisations Commission (the Commission). The matters to be included in the declaration are set out in the attached checklist.

In maintaining the register of members, your attention is drawn to the circumstances where membership ceases to exist (s.230(2)(b) and s.171A of the RO Act).

Once an Annual Return has been lodged, a copy will be posted on our website at List of Registered Organisations. Therefore, to protect the privacy of the relevant office holders listed in the declarations, it is recommended that officers list their official mailing address rather than personal home address.

Who must sign the declaration?

The declaration must be signed by the Secretary, or where applicable, such other elected official who is required under the rules or by resolution of the organisation, to keep the relevant records (other prescribed officer). A declaration signed by a non-elected person does not meet this requirement.

Who lodges the Annual Return of information?

Section 233 places the onus of lodgement on the organisation and not on each individual branch. It is therefore the national body that is obliged to collate and lodge all of the required information. Annual Return templates are available on the Commission website at Registered Organisations fact sheets, one for an organisation with branches and one for an organisation without branches.

What happens if the information changes?

The Secretary, or other prescribed officer, must notify the Commission within 35 days of any changes to such records that may occur throughout the year.

Failure to comply with these obligations is subject to a civil penalty provision (up to \$63,000 for a body corporate and \$12,600 for an individual per contravention), under s.305 of the RO Act.

Please do not hesitate to contact the Commission by phone on 1300 341 665 or by e-mail at regorgs@roc.gov.au if you wish to discuss the requirements outlined in this correspondence.

Yours faithfully,

Sam Gallichio
Adviser
Registered Organisations Commission

A copy of each of the following records must be lodged with the Fair Work Commission (the Commission) between 1 January and 31 March each year. They must be certified by a declaration stating that it is a correct statement of the information contained in that record, signed by the Secretary or such other elected official who is required under the rules, or by resolution of the organisation, to keep the relevant records (**other prescribed officer** see r.150 of the RO Regulations).
