### Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

### Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

### Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

### Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe. Further information about training is provided in our [officer financial training fact sheet](#).

Thank you for your correspondence.

Yours faithfully,

**Cynthia Lo-Booth**

Dear Michael O'Connor,

**Declaration and information lodged under subsection 233(1) for 2019 (AR2019/63)**

I acknowledge receipt by the Registered Organisations Commission (the ROC) on 30 March 2019 of your organisation's Annual Return which provides information under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

On 29 October 2019, an amended Annual Return was lodged to correct several clerical errors in the Annual Return lodged on 30 March 2019 which was discovered by your organisation's internal processes.

On 13 November 2019, Grahame Kelly, the General Secretary of Mining and Energy Division (M&E Division) wrote to the ROC to advise that the Queensland District Branch has come to the view that the position of District Union Inspector of the Queensland District Branch, is not an "office" as defined in section 9 of the RO Act.

After discussions with Alister Kentish (legal officer of the M&E Division) and a close examination of your organisation's rules and section 9 of the RO Act, it appears that the position of District Union Inspectors do not have the characteristics of an "office" as defined by the RO Act. To ensure that your organisation's 2019 Annual Return is accurate regarding the list of offices and the names of persons holding the offices, on 15 November 2019 the ROC requested that an amended Annual Return be lodged to exclude the position District Union Inspectors. Accordingly, a further amended annual return was lodged on 11 December 2019 to replace the previously lodged 2019 Annual Return.

Thank you for providing the Annual Return.

The documents lodged provide the required information for the 2019 Annual Return of the Construction, Forestry, Maritime, Mining and Energy Union.

The Annual Return has been filed. Annual returns are publicly available on the website through the [List of Registered Organisations](#).

## **Notifications of Change**

Any changes to these records must be notified to the ROC within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. The Construction, Forestry, Maritime, Mining and Energy Union is encouraged to use this template if any changes occur.

The ROC will accept notifications of change from the relevant branches or from the national office. If the national office of Construction, Forestry, Maritime, Mining and Energy Union does NOT intend to file notifications of change, please ensure that all branches are aware of their continuing obligation to notify changes and the requisite time frames within which that must happen.

If a branch lodges a notification of change with the ROC, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233 of the RO Act.

If you have any queries regarding this correspondence I can be contacted on 1300 341 665 or by email at [regorgs@roc.gov.au](mailto:regorgs@roc.gov.au).

Yours sincerely

**Cynthia Lo-Booth**
