10 July 2018

Mr Andrew Honeysett
District President
Construction, Forestry, Maritime, Mining and Energy Union
Mining and Energy Division South Western District Branch

By e-mail: andy@umfa.com.au

Dear Mr Honeysett

Construction, Forestry, Maritime, Mining and Energy Union Mining and Energy Division South Western District Branch Financial Report for the year ended 31 December 2017 - FR2017/291

I acknowledge receipt of the financial report for the year ended 31 December 2017 for the Construction, Forestry, Maritime, Mining and Energy Union, Mining and Energy Division South Western District Branch (CFMEU-SWDT). The financial report was lodged with the Registered Organisations Commission (ROC) on 12 June 2018.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

Whilst the 2017 report has been filed the following should be addressed in the preparation of the next financial report.

1. Committee of Management Statement

Reference to s.272 & s.273

Following the enactment of the *Fair Work (Registered Organisations) Amendment Act 2016*, with effect from 1 May 2017, section 272 refers to Commissioner of the ROC instead of the General Manager, Fair Work Commission. However, section 273 continues to refer to the Fair Work Commission.

The CFMEU-SWDT Committee of Management statement, at reference (e)(vi), refers to the 'Registered Organisations Commission'. In future, please ensure that this reference is to the 'Fair Work Commission'.

2. General Purpose Financial Report (GPFR)

Activity under Reporting Guidelines (RG) not disclosed

Item 15 of the RG states that if the activities identified in item 14 have not occurred in the reporting period, a statement to this effect must be included in the notes to the GPFR. I note that no such disclosure has been made for Item 14(b) - capitation fees received.

Should you wish to discuss the matters raised in this letter, or if you require further information on the financial reporting requirements of the Act, I may be contacted on (03) 9603 0707 or by email at ken.morgan@roc.gov.au

Yours faithfully

KEN MORGAN

Financial Reporting Advisor

Operating Report

31 December 2017

Principal activities

The principal activities of Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District ("the Union") during the financial year were:

- · Implementation of Divisional Executive Decisions.
- · Maintenance of Union Rules, Registrations and Affiliations.
- Organising Executive Meetings and Divisional Conferences as well as National Safety Officer Meetings.
- Conducting Activities for Parliamentary, Divisional and Divisional Branch elections, including assisting with statutory requirements.
- Co-ordinating seminars/education courses for Lodge Officers to inform them of current developments or to seek
 collective input in the development of national policies.
- · Representing the Division's interest on various national committees and organisations.
- Co-ordinating the involvement of the Union in relevant international trade union bodies and conferences.
- Responsibility for servicing national awards and enterprise agreements and maintaining related information services.
 Divisional Office also advises Lodges on industrial matters.
- Provision to Lodges with economic and industrial research.
- Provision to Lodges of assistance with administration and financial management.
- Co-ordinating O H & S nationally and maintaining a national policy database and information service.
- · Leading the conduct of legal action launched in defence of the Division's constitutional work.
- · Provision of a National Training Agenda by representing the Union on various Boards and Committees

No significant changes in the nature of the Union's activity occurred during the current financial year.

Operating results

The net surplus of the Union amounted to \$150,866 (2016: loss of \$118,718).

Review of operations

A review of the operations and results of the Union is performed in the meetings of the Executive Officers and also at each meeting of the Divisional Executive. Additionally, such matters are considered at the regular meeting of the General Officers of the Union.

Significant changes in state of financial affairs

There have been no significant changes in the state of affairs of the Union during the year.

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Union, the results of those operations or the state of affairs of the Union in future financial years.

ABN: 49 954 293 181

Operating Report

31 December 2017

Right of members to resign

All members of the Union have the right to resign in accordance with Rule 5(iv)(a) of the Union Rules [and section 174 of the Fair Work (Registered Organisations) Act 2009], namely, by providing written notice addressed and delivered to either the District Secretary, or a Lodge Secretary or authorised delegate.

Number of members

There were 3,309 members of the Union as at 31 December 2017 (2016: 3,232)

Number of employees

As at 31 December 2017 the Union had 12 employees (2016: 12).

Officers or members who are superannuation fund trustee(s) or directors of a company that is a superannuation fund trustee

Graeme Osborne is a director of Auscoal Superannuation Pty Ltd.

No other officer or member of the Union acts:

ALMA.

- i) as a trustee of a superannuation entity or an exempt public sector superannuation scheme; or
- as a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme.

Signed in accordance with a resolution of the Committee of Management:

Lee Webb

District Secretary

Dated 19 March 2018

Committee of Management Statement

31 December 2017

On 19 March 2018 the Board of Management of the Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 31 December 2017:

The Board of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 ("RO Act");
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - meetings of the board of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - where the organisation consists of two or more reporting units, the financial records of the reporting unit, have been kept, as far as practicable, in a manner consistent with each of the other reporting units of the organisation; and
 - v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
 - vi) where any order for inspection of financial records has been made by the Registered Organisations Commission under section 273 of the RO Act, there has been compliance.
- (f) No revenue has been derived from undertaking recovery of wages activity during the reporting period.

This declaration is made in accordance with a resolution by the Committee of Management.

Notes to the Financial Statements

For the Year Ended 31 December 2017

The financial report covers Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District as an individual entity. Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District is a not-for-profit Union limited by guarantee, incorporated and domiciled in Australia.

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presented for the current financial year.

1. Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards and Interpretations issued by the Australia Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisations) Act 2009*. For the purpose of preparing the general purpose financial statements the Union is a not-for-profit entity.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2. Summary of Significant Accounting Policies

(a) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Union, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(a) Property, plant and equipment

Depreciation

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	2.5%
Leasehold Improvements	5%
Plant and Equipment	20-50%
Office Equipment	20-50%
Motor Vehicles	25%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(b) Financial instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that Union becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial Assets

Financial assets are divided into the following categories which are described in detail below:

- · loans and receivables;
- available-for-sale financial assets; and
- held-to-maturity investments.

Financial assets are assigned to the different categories on initial recognition, depending on the characteristics of the instrument and its purpose. A financial instrument's category is relevant to the way it is measured and whether any resulting income and expenses are recognised in profit or loss or in other comprehensive income.

All income and expenses relating to financial assets are recognised in the statement of profit or loss and other comprehensive income in the 'finance income' or 'finance costs' line item respectively.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(b) Financial instruments

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The Union's trade and other receivables fall into this category of financial instruments.

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

In some circumstances, the Union renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the Union does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity. Investments are classified as held-to-maturity if it is the intention of the Union's management to hold them until maturity.

Held-to-maturity investments are subsequently measured at amortised cost using the effective interest method, with revenue recognised on an effective yield basis. In addition, if there is objective evidence that the investment has been impaired, the financial asset is measured at the present value of estimated cash flows. Any changes to the carrying amount of the investment are recognised in profit or loss.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that do not qualify for inclusion in any of the other categories of financial assets or which have been designated in this category. The Union's available-for-sale financial assets comprise listed securities.

All available-for-sale financial assets are measured at fair value, with subsequent changes in value recognised in other comprehensive income.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(b) Financial instruments

Gains and losses arising from financial instruments classified as available-for-sale are only recognised in profit or loss when they are sold or when the investment is impaired.

In the case of impairment or sale, any gain or loss previously recognised in equity is transferred to the profit or loss.

Losses recognised in the prior period statement of profit or loss and other comprehensive income resulting from the impairment of debt securities are reversed through the statement of profit or loss and other comprehensive income, if the subsequent increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss.

Impairment of financial assets

At the end of the reporting period the Union assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

Financial assets at amortised cost

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial assets original effective interest rate.

Impairment on loans and receivables is reduced through the use of an allowance accounts, all other impairment losses on financial assets at amortised cost are taken directly to the asset.

Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(b) Financial instruments

Financial liabilities

Financial liabilities are classified other financial liabilities depending on the purpose for which the liability was acquired.

The Union's financial liabilities include borrowings, trade and other payables (including finance lease liabilities), which are measured at amortised cost using the effective interest rate method.

(c) Impairment of non-financial assets

At the end of each reporting period Union determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss

(d) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(e) Employee benefits

Provision is made for Union's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(e) Employee benefits

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

(f) Principles of Consolidation

Associates

Interests in associates, where the investor has significant influence over the investee, are accounted for using the equity method in accordance with AASB 128 *Investments in Associates and Joint Ventures*. Under this method, the investment is initially recognised as cost and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss and other comprehensive income of the investee after the date of acquisition.

(g) Leases

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred. The lease is not recognised in the balance sheet.

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

The minimum rental revenue of operating leases with fixed rental increases, where the lessor effectively retains substantially all of the risks and benefits of ownership of the leased item, are recognised on a straight line basis.

Revenue from other leases is recognised in accordance with the lease agreement, which is considered to best represent the pattern of service rendered through the provision of the leased asset.

(h) Income tax

The Union is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(i) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Union and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Interest revenue

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Lodge contributions

Lodge contributions are recognised when the Union's right to receive payment is established and the amount of the revenue can be measured reliably and it is probable that economic benefits associated with the transaction will flow to the Union.

Rental income

Investment property revenue is recognised on a straight-line basis over a period of the lease term so as to reflect a constant periodic rate of return on the net investment.

Membership subscriptions

Revenue from the provision of capitation fees is recognised on an accruals basis and is recorded as revenue in the year to which it relates.

All revenue is stated net of the amount of goods and services tax (GST).

(j) Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(k) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(I) Grants

Government grants are not recognised until there is reasonable assurance that the Union will comply with the conditions attaching to them and it is probable the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Union recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the Union should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Union with no future related costs are recognised in profit or loss in the period in which they become receivable.

(m) Adoption of new and revised accounting standards

During the current year, there have been no new or revised accounting standards that have become mandatory, which have had a material impact (in the current year or retrospectively) upon the measurement of assets, liabilities, equity, income or expenses, nor upon the disclosures required in this financial report.

(n) New Accounting Standards and Interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Union has decided not to early adopt these Standards. The following table summarises those future requirements, and their impact on the Union where the standard is relevant:

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(n) New Accounting Standards and Interpretations

AASB 9 Financial Instruments

AASB 9 Financial Instruments addresses the classification, measurement and derecognition of financial assets and financial liabilities and introduces new rules for hedge accounting and a new impairment model. The standard is not applicable until 1 January 2018 but is available for early adoption.

Following the changes approved by the AASB in December 2014, the AASB made further changes to the classification and measurement rules and also introduced a new impairment model. These latest amendments now complete the new financial instruments standard.

While the Union has yet to undertake a detailed assessment, it is expected that there will be no impact on the Union's accounting for financial instruments. The Union will make more detailed assessments of the impact over the next twelve months.

AASB 15 Revenue from contracts with customers

The AASB has issued a new standard for the recognition of revenue. This will replace AASB 118 which covers contracts for goods and services and AASB 111 which covers construction contracts.

The new standard is based on the principle that revenue is recognised when control of a good or service transfers to a customer – so the notion of control replaces the existing notion of risks and rewards.

The standard permits a modified retrospective approach for the adoption. Under this approach entities will recognise transitional adjustments in retained earnings on the date of initial application (eg 1 January 2018), ie without restating the comparative period. They will only need to apply the new rules to contracts that are not completed as of the date of initial application.

At this stage, the Union is not able to estimate the impact of the new rules on the Union's financial statements. The Union will make more detailed assessments of the impact over the next twelve months.

AASB 16 Leases

The standard will affect primarily the accounting for the Union's operating leases. However, the Union has not yet determined to what extent these commitments will result in the recognition of an asset and a liability for future payments and how this will affect the Union's profit and classification of cash flows.

Some of the commitments may be covered by the exception for short-term and low-value leases and some commitments may relate to arrangements that will not qualify as leases under AASB 16.

The standard is mandatory for annual reporting periods beginning on or after 1 January 2019. At this stage,

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

2. Summary of Significant Accounting Policies

(n) New Accounting Standards and Interpretations

AASB 16 Leases

the Union does not intend to adopt the standard before its effective date.

3. Critical Accounting Estimates and Judgments

The Committee of Management make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Union assesses impairment at the end of each reporting period by evaluating conditions specific to the Union that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

	716,349	966,754
Employees other than office holders:		
- Annual leave	111,159	14,369
- Long service leave	42,520	53,173
- Separation and redundancies	56,517	(4)
- Other	149,981	20,223
	360,177	87,765
Total	1,076,526	1,054,519

14. Reserves

Financial asset reserve

Change in the fair value of available for sale investments are recognised in other comprehensive income - financial asset reserve. Amounts are reclassified to profit or loss on disposal of the investment or when an impairment arises.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

15. Capital and leasing commitments

Operating Leases

	2017	2016
	\$	\$
Minimum lease payments under non-cancellable operating leases:		
- not later than one year	63,037	88,783
- between one year and five years	252,148	293,469
- later than five years	441,259	682,846
	756,444	1,065,098

The property lease commitments are non-cancellable operating leases contracted for but not capitalised in the financial statements with a maximum term of twenty years. Increases in lease commitments may occur in line with the Consumer Price Index (CPI).

16. Lessor Commitments

Operating lease commitments receivable - Union as lessor

The Union leases out its property (included in property, plant and equipment) under commercial leases. These non-cancellable leases have terms between 1 and 12 years. All leases include an option for the Union to increase rent to current market rental on an annual basis.

The future minimum lease payments under non-cancellable leases are:

Total minimum lease payments	54,397	165,434
- between 1 year and 5 years	<u> </u>	99,454
- no later than 1 year	54,397	65,980

17. Financial risk management

The main risks Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District is exposed to through its financial instruments are credit risk, liquidity risk and market risk consisting of interest rate risk.

The Union's financial instruments consist mainly of deposits with banks, short-term investments, accounts receivable and payable.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

17. Financial risk management

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

		2017	2016
		\$	\$
Financial Assets			
Cash and cash equivalents	6	1,613,948	1,643,743
Held-to-maturity investments	8	2,797,929	2,727,569
Trade and other receivables	7	343,860	379,492
Available-for-sale financial assets:			
- Shares in listed corporations - at fair value	8	676	554
Total financial assets	=	4,756,413	4,751,358
Financial Liabilities			
Financial liabilities at amortised cost			
- Trade and other payables	11	491,729	618,277
Total financial liabilities	_	491,729	618,277

(a) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Union.

Credit risk arises from cash and cash equivalents, deposits with banks and financial institutions, as well as credit exposure to customers, including outstanding receivables and committed transactions.

The Union has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

Management considers that all the financial assets that are not impaired for each of the reporting dates under review are of good credit quality, including those that are past due.

The credit risk for liquid funds and other short-term financial assets is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

17. Financial risk management

(b) Credit risk - Trade and Other Receivables

The following table details the Union's trade and other receivables exposure to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as 'past due' when the debt has not been settled, within the terms and conditions agreed between the Union and the customer or counter party to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there is objective evidence indicating that the debt may not be fully repaid to the Union.

The balances of receivables that remain within initial trade terms (as detailed in the table) are considered to be of high credit quality.

Past due but not impaired

				(days ov	rerdue)		
	Gross amount	Past due and impaired	< 30	31-60	61-90	> 90	Within initial trade terms
	\$	\$	\$	\$	\$	\$	\$
2017							
Trade and term receivables	124,220	20	-	12	₽	-	124,220
Other receivables	219,641	*-	•			()=()	219,641
Total	343,861	ħ/					343,861
2016							
Trade and term receivables	132,251		1,000	1,000	1,000	17,232	112,019
Other receivables	247,541		7.1		2		247,541
Total	379,792		1,000	1,000	1,000	17,232	359,560

The Union does not hold any financial assets with terms that have been renegotiated, but which would otherwise be past due or impaired.

The other classes of receivables do not contain impaired assets.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

17. Financial risk management

(c) Liquidity Risk - Financial Liability

The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates and does not reflect management's expectations that banking facilities will be rolled forward. The amounts disclosed in the table are the undiscounted contracted cash flows and therefore the balances in the table may not equal the balances in the balance sheet due to the effect of discounting.

Financial liability maturity analysis - Non-derivative

autorioni raugu an araba 🗸 ultimas ballingus 🗚 silabah 🗚 1996 (k. 1996) - 1996 (k. 1996)	Within 1 year		
	2017	2016	
	\$	\$	
Financial liabilities due for payment			
Trade and other payables	491,729	618,277	

The timing of expected outflows is not expected to be materially different from contracted cashflows.

(d) Market risk - Cash flow interest rate sensitivity

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

(i) Interest rate risk

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period, whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments. The Union is also exposed to earnings volatility on floating rate instruments.

Sensitivity analysis

The following sensitivity analysis is based on the interest rate risk exposures in existence at the end of the reporting period.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

17. Financial risk management

(d) Market risk - Cash flow interest rate sensitivity

A 1% increase or decrease in interest rates would impact equity and profit or loss by the amounts shown below. This analysis assumes that other variables are held constant.

	Surplus/(Surplus/(deficit)		ity
	1% increase	1% decrease	1% increase	1% decrease
2017	35,116	(35,116)	35,116	(35,116)
2016	32,499	(32,499)	32,499	(32,499)

The sensitivity analysis is performed on the same basis as in 2016.

18. Fair Value Measurement

Net Fair Values

The fair values of financial assets and financial liabilities are presented in the following table and can be compared to their carrying values as presented in the balance sheet.

Fair values are those amounts at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

	2017		20	016
	Net Carrying Value	Net Fair value	Net Carrying Value	Net Fair value
	\$	\$	\$	\$
Financial assets				
Available-for-sale financial assets:				
- listed investments at fair value	676	676	554	554

Fair value hierarchy

AASB 13 Fair Value Measurement requires all assets and liabilities measured at fair value to be assigned to a level in the fair value hierarchy as follows:

the fall value meralti	ly as follows.
Level 1	Unadjusted quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date.
Level 2	Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
Level 3	Unobservable inputs for the asset or liability.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

18. Fair Value Measurement

Fair value hierarchy

The table below shows the assigned level for each asset and liability held at fair value by the Union:

	Level 1	Level 2	Level 3	Total

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

21. Interests in Associates

Material associates

Reconciliation of carrying amount of interest in associate to summarised financial information for associates accounted for using the equity method:

2017	2016
\$	\$
963.449	954.156

Union's share of 49.78% of net assets

Risks associated with the interests in associates

In the opinion of the Committee of Management, the Union did not have any contingencies in relation to the associate or contractual arrangements that would require the Union to provide financial support to the associate at 31 December 2017 (31 December 2016: None).

22. Related party transactions

(a) Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any Committee of Management (whether executive or otherwise) of that entity are considered key management personnel.

For details of remuneration disclosures relating to key management personnel, refer to Note 19: Interests of Key Management Personnel (KMP).

Other transactions with KMP and their related entities are shown below.

ABN: 49 954 293 181

Notes to the Financial Statements

For the Year Ended 31 December 2017

22. Related party transactions

(b) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

The following transactions occurred with related parties:

	2017	2016
	\$	\$

For the Year Ended 31 December 2017

23. Cash flow information

(b) Cash flow information

	2017	2016
	\$	\$
Cash inflows from reporting units (excluding GST)		
CFMEU Mining and Energy	85,042	350,420
Cash outflows to reporting units (excluding GST)		
CFMEU Mining and Energy	1,468,091	1,245,960

24. Additional disclosures required under the Fair Work (Registered Organisations) Act 2009

As required under the reporting guidelines provided for under section 255 of the Fair Work (Registered Organisations) Act 2009, it is confirmed that:

- The Union's ability to continue as a going concern is not reliant on the agreed financial support of another reporting unit; and
- The Union has not agreed or does not have an agreement to provide financial support to another reporting unit to ensure its ability as a going concern; and
- The Union has not acquired an asset or liability as a result of amalgamation, restructure or alternative reporting unit determination or revocation; and
- 4. Other specific disclosures funds: there are no funds operated, or required to be operated, by the Union.

25. Section 272 Fair Work (Registered Organisation) Act 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of the members is drawn to the provisions of Subsections [1] to [3] of Section 272, which read as follows:

Information to be provided to members or the Commissioner:

- 1. A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- 3. A reporting unit must comply with an application made under subsection (1).

Integrated Financial Solutions

Independent Audit Report to the members of Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District

Report on the Audit of the Financial Report

We have audited the financial report of Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District (the "Union"), which comprises the balance sheet as at 31 December 2017, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended 31 December 2017, and notes to the financial statements, including a summary of significant accounting policies, and the Committee of Management Statement.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial positions of the Union as at 31 December 2017, and its financial performance and its cash flows for the year ended on that date in accordance with:

- (i) the Australian Accounting Standards; and
- (ii) any other reporting requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

We declare that management's use of the going concern basis in the preparation of the financial statements of the Reporting Unit is appropriate.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Union in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Finacial Report and Auditor's Report Thereon

The Committee of Managements are responsible for the other information. The other information obtained at the date of this auditor's report is included in the Operating Report accompanying the Financial Report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Integrated Financial Solutions

Independent Audit Report to the members of Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District

Responsibilities of Committee Of Managements for the Financial Report

The Committee of Managements of the Union are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Committee of Managements determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Managements are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Managements either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to
 provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than
 for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Union's
 internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Managements.
- Conclude on the appropriateness of the Committee of Managements' use of the going concern basis of accounting
 and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that
 may cast significant doubt on the Union's ability to continue as a going concern. If we conclude that a material
 uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial
 report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence
 obtained up to the date of our auditor's report. However, future events or conditions may cause the Union to cease to
 continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether
 the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Integrated Financial Solutions

Independent Audit Report to the members of Construction, Forestry, Mining and Energy Union - Mining and Energy Division, South Western District

I declare that I am an approved auditor, a member of Chartered Accountants Australia and New Zealand and hold a current Public Practice Certificate.

Report on Other Legal and Regulator Requirements

In accordance with the requirements of section 257(7) of the RO Act, we are required to describe any deficiency, failure or shortcoming in respect of the matters referred to in section 252 and 257(2) of the RO Act. We have nothing to report in this regard.

Report on the Recovery of Wages Activity financial report

The scope of our work extended to the recovery of wages activity, however as noted in the Committee of Management Statement, no such activity was undertaken during the reporting period.
