Dear Grahame,

National Returning Officer's Report CFMMEU Mining and Energy Division General Elections

The CFMMEU Mining and Energy Division General Elections have been completed.

At the close of nominations on Monday 27 April 2020 one position was contested, being the South Western District Board of Management – Southern Region – Area 2 position. All other positions were declared on this date. Because of the restrictions from the COVID 19 pandemic a postal ballot was conducted for this position. This has now been completed.

The details of this ballot are as follows:

At the close of nominations there were two nominations received for South Western District Board of Management – Southern Region – Area 2.

In respect to the position there were:-

Number of ballot papers issued: 459
Number of duplicate ballot papers issued: 1
Number of ballot papers admitted as formal: 140
Number of ballot papers rejected as informal: 6

In accordance with my previous correspondence I declared Steven Ockers duly elected on the morning of 5 June 2020.

There were no issues raised through the ballot process from any party. I would like to thank Melanie Mitchell for her assistance through this process, especially with the difficulties faced due to COVID 19.

Given the above can you advise the appropriate authority on the outcome of this ballot.
