Notes to the financial statements for the year ended 31 December 2001

1. STATEMENT OF ACCOUNTING POLICIES

This special purpose financial report has been prepared for distribution to the members to fulfil the Committee of Management's financial reporting requirements under the Workplace Relations Act 1996. The accounting policies used in the preparation of this report, as described below, are consistent with the financial reporting requirements of the Workplace Relations Act 1996 and with previous years, and are, in the opinion of the Committee of Management, appropriate to meet the needs of members.

- (a) The financial report has been prepared on a modified accrual basis of accounting including the historical cost convention and the going concern assumption. In accordance with Section 272 (3) of the Workplace Relations Act 1996, membership contributions have been accounted for on a cash basis.
- (b) The requirements of Australian Accounting Standards and other professional reporting requirements (UIG Consensus Views), do not have mandatory applicability to The Construction, Forestry, Mining and Energy Union, Construction and General Division, Queensland Construction Workers Division because it is not a "reporting entity". The Committee of Management has, however, prepared the financial report in accordance with the following Australian Accounting Standards:

AAS 5: Materiality

AAS 8: Events Occurring After Balance Date

No other Australian Accounting Standards or other mandatory professional reporting requirements have been applied.

- (c) Provisions for employee benefits in the form of Long Service Leave and Annual Leave have been made for the estimated accrued entitlements of all employees on the basis of their terms of employment.
- (d) No provision for income tax is necessary as the Construction, Forestry, Mining and Energy Union, Construction and General Division, Queensland Construction Workers Divisional Branch, is exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.
- (e) As a sponsor of the BERT Fund the Union may receive distributions of income from the Fund. In accordance with the Sponsors Deed all distributions must be loaned back to the Fund until they are expended on welfare or related assistance as agreed upon by the Sponsors. The distributions from the Fund and welfare assistance paid from the loan account are not shown as income or expenditure of the Union as the Union has no control over the funds nor are the funds available for Union purposes.

Receipt is acknowledged of the above financial statements which were lodged in the Registry on 9 October 2002. I apologize for the delay in acknowledgement.

I also acknowledge receipt of a statement pursuant to s269(1) of the *Workplace Relations Act 1996* regarding donations exceeding \$1,000 for the year ended 31 December 2001. The document has been placed on a file that can only be viewed by members of your organization.

Before the documents can be filed however, the following further information is requested:

• the date of the second Committee or General meeting at which the statements were presented and finally ratified.

This information was not included in the Secretary's Certificate lodged. The Secretary's Certificate indicated that the accounts were published on 5 April 2002 but only made reference to the earlier meeting of the Committee of Management on 28 February 2002.

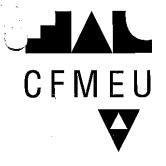

If you have any queries regarding the above, please contact me on (02) 8374 6506.

Yours sincerely
