Dear Mr Ravbar,

Section 271 application for certificate of exemption from the requirements of Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the Act) (FR2018/325)

I refer to the application lodged pursuant to section 271(1) of the Act by the Construction, Forestry, Maritime, Mining and Energy Union-Queensland Branch (**the reporting unit**) for the financial year ended 31 December 2018. The application was lodged with the Registered Organisations Commission on 31 January 2019.

The application has been granted. The certificate is attached.

As you are aware, on 27 March 2018 the Construction, Forestry, Mining and Energy Union, the Maritime Union of Australia and the Textile, Clothing and Footwear Union of Australia amalgamated to form the Construction, Forestry, Maritime, Mining and Energy Union. I note that the section 271(1) application lodged with the ROC on 31 January 2019 refers to the reporting unit's previous name that is, the Construction, Forestry, Mining and Energy Union.

In future years, please ensure that the section 271(1) application is lodged under the reporting unit's correct name.

If you wish to discuss this matter, please contact Kylie Ngo on (03) 9603 0764 or by email at Kylie.Ngo@roc.gov.au.

Yours sincerely,

Dear Mr Ravbar,

**Re: Lodgement of Financial Report - [FR2018/325]
Fair Work (Registered Organisations) Act 2009 (the RO Act)**

The financial year of the Construction, Forestry, Maritime, Mining and Energy Union-Queensland Branch (the reporting unit) ended on 31 December 2018. This is a courtesy letter to remind you of the reporting unit's obligations regarding financial reporting.

Loans Grants and Donations Statement

The reporting unit is required to lodge a statement showing the relevant particulars in relation to each loan, grant or donation of an amount exceeding \$1,000 for the reporting unit during its financial year. Section 237 of the RO Act requires this statement to be lodged with the Registered Organisations Commission (the ROC) within 90 days of the end of the reporting unit's financial year, namely on or before 31 March 2019.

The attached fact sheet *Loans Grants and Donations* (FS 009) summarises the requirements of the Loans Grants and Donations Statement. A sample statement of loans, grants or donations is available on our [website](#).

It should be noted that s.237 is a civil penalty provision. If a loan, grant or donation over \$1000 has been made, failure to lodge a statement of loans, grants and donations (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty. Currently penalties are up to \$105,000 for each contravention for a body corporate and up to \$21,000 for each contravention for an individual and may be imposed upon your organisation and/or an officer whose conduct led to the contravention.

Financial report

The RO Act sets out a particular chronological order in which your financial report must be prepared, audited, provided to members, presented to a meeting and then lodged with the ROC. The attached document *Summary of Financial Reporting timelines* (FS 008) summarises these requirements.

We emphasise that the reporting unit is required to present its audited financial report to a meeting (either of members or of the committee of management, depending on its rules) no later than 30 June 2019 (s.266). The full financial report must be lodged with the ROC within 14 days of that meeting (s.268).

When assessing your financial report, we will continue to focus closely on timelines as well as how loans, grants and donations are reported (see attached *Loans Grants and Donations* fact sheet FS 009). The financial report must break down the amounts of grants and donations and these figures will be compared to the loans, grants and donations statement.

You can visit our website for more information regarding [financial reporting](#), and fact sheets regarding [financial reporting processes and requirements](#). A model set of financial statements developed by the ROC is also available on our website. It is not obligatory to use this model but it is a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards.

It should be noted that s.268 of the RO Act is a civil penalty provision. Failure to lodge the full financial report (including failure to lodge on time) may result in legal proceedings being issued with the possibility of a pecuniary penalty, as set out above, being imposed upon your organisation and/or an officer whose conduct led to the contravention (s.268).

Subsection 255(2A) report

A general purpose financial report prepared under section 253 of the RO Act must also include the expenditure report required to be prepared under subsection 255(2A) as prescribed by reporting guideline 22. A copy of the latest reporting guidelines for the purpose of section 253 is available on our [website](#).

It should be noted that the subsection 255(2A) report must be identified by title in the auditor's report in accordance with paragraph 24(c) of Australian Auditing Standard ASA 700 *Forming an Opinion and Reporting on a Financial Report*.

A [fact sheet](#) is available on our website which provides guidance on the reporting requirements under subsection 255(2A) of the RO Act.

REMINDER

YOUR AUDITOR MUST BE REGISTERED (s.256)

You must ensure that your auditor is registered by the Registered Organisations Commissioner. A list of registered auditors is available on our [website](#).

Should you require any clarification in relation to the above, please email regorgs@roc.gov.au.

Yours faithfully,

Misconceptions

Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Financial Reporting Process. They include:

Misconception	Requirement
<p> The Committee of Management statement is just copied from the Reporting Guidelines</p>	<p> The Committee of Management statement must have the date of the Committee of Management resolution recorded upon it and it must be signed and dated BEFORE the auditor signs their report</p> <p>Further, if any of the statements within it need to be modified to suit the reporting unit (for instance not holding meetings) these changes must also be made</p>
<p> The Auditor's Report does not need to be signed until just before it is lodged with the ROC</p>	<p> The Auditor's Report must be signed and dated BEFORE the full report (including the Auditor's Report) is sent to members and presented to the second meeting</p>
<p> The Designated Officer's Certificate must be signed before the report is sent to members</p>	<p> The Designated Officer's Certificate declares what the reporting unit HAS ALREADY DONE to provide the report to members and present it to the meeting. It must be signed and dated AFTER sending the report to members and the second meeting</p>
<p> Documents can be dated when they should have been signed or when the events in the document occurred</p>	<p> Documents must always be dated at the date they are actually signed by an officer or auditor</p>
<p> Any auditor can audit a financial report</p>	<p> Only registered auditors can audit the financial report</p>
<p> The Committee of Management statement can be signed at any time</p>	<p> The resolution passing the Committee of Management Statement must occur and the statement signed and dated BEFORE the auditor's report is signed and dated</p>
<p> Any reporting unit can present the Full Report to a second COM meeting</p>	<p> Only reporting units with a 5% rule in their rulebook are able to present their report to a second Committee of Management Meeting. Otherwise, it must be presented to a General Meeting of members</p>
<p> Everything can be done at one Committee of Management meeting</p>	<p> If the rules allow for presenting the report to the Committee of Management, there must still be <u>two meetings</u>. The first meeting resolves the Committee of Management statement (including signing and dating it). Between the two meetings the Auditor's report is signed and dated. Only then can the full report be presented to the second Committee of Management meeting (if the rules allow)</p>
<p> The reporting unit has 6 months and 14 days to lodge their financial report with the ROC</p>	<p> The reporting unit must lodge the financial report within 14 days of the second meeting</p>

Fact sheet

Loans, Grants & Donations

The Loans, Grants & Donations Requirements

The Fair Work (Registered Organisations) Act 2009 (the RO Act) requires an organisation or branch to lodge a loans, grants and donations statement (the statement) within 90 days of the ending of the financial year.

Under the Commissioner's Reporting Guidelines, a reporting unit's General Purpose Financial Report (the financial report) must break down the amounts of grants and donations (see below). The figures in the financial report will be compared to the loans, grants and donations statement.

The Loans, Grants & Donations Statement

Section 237 of the RO Act applies to every loan, grant and donation made by an organisation or branch during the financial year that exceeds \$1000. The following information must be supplied to the Registered Organisations Commission (the ROC) for each relevant loan, grant or donation:

- the amount,
- the purpose,
- the security (if it is a loan),
- the name and address of the person to whom it was made,* and
- the arrangements for repaying the loan.*

*The last two items are not required if the loan, grant or donation was made to relieve a member of the organisation (or their dependent) from severe financial hardship.

The statement must be lodged within 90 days of the end of the financial year and the ROC has a [Template Loans, Grants and Donations Statement](#) on its website. The ROC encourages branches and organisations to lodge the statement even if all of the figures are NIL.

Common misconceptions

Over the years, staff of the Commission have noted that there are some common misunderstandings made in relation to the Statement. They include:

Misconception	Requirement
<p>X Only reporting units must lodge the Statement.</p>	<p>✓ All branches and organisations, regardless of whether they lodge a financial report, must lodge the statement within 90 days of the end of the financial year. An organisation cannot lodge a single statement to cover all of its branches.</p>
<p>X Employees can sign the Statement.</p>	<p>✓ The statement must be signed by an elected officer of the relevant branch.</p>
<p>X Statements can be lodged with the financial report.</p>	<p>✓ The deadline for the statement is much shorter (90 days) and if it is lodged with the financial report it is likely to be late.</p>

Grants & Donations within the Financial Report

Item 14(e) of the Commissioner’s Reporting Guidelines requires the reporting unit to separate the line items relating to grants and donations into grants or donations that were \$1000 or less and those that exceeded \$1000.

As such, the note in the financial report relating to grants and donations will have four lines.

In the [ROC's Model Statements](#) the note appears as follows:

Note 4E: Grants or donations*

Grants:	2017	2016
Total expensed that were \$1,000 or less	-	-
Total expensed that exceeded \$1,000	-	-
Donations:		
Total expensed that were \$1,000 or less	-	-
Total expensed that exceeded \$1,000	-	-
Total grants or donations	-	-

The Commissioner’s Reporting Guidelines requires that these line items appear in the financial statements, the notes or in the officer’s declaration statement, even if the figures are NIL.

Implications for filing the Financial Report

During their review of the financial report staff of the ROC may confirm that the figures in the financial report match the disclosures made in the statement. Any inconsistencies in these figures will be raised with the organisation or branch for explanation and action.

This may involve lodging an amended loans, grants or donations statement. Any failure to lodge a loans, grants or donations statement or lodging a statement that is false or misleading can attract civil penalties under the RO Act.

If a reporting unit did not fully comply with these requirements in their last financial report, its filing letter will have included a statement reminding the reporting unit of its obligations.

It is strongly recommended that all reporting units review their filing letters from the previous financial year to ensure any targeted concerns are addressed in their latest financial report. Failure to address these individual concerns may mean that a financial report cannot be filed.

Previous financial reports and filing letters are available from the website.

If you have any further questions relating to the loan, grant and donation disclosure requirements in the statement or the financial report, please contact the ROC on regorgs@roc.gov.au
