Dear Ricky Gale,

Construction, Forestry, Maritime, Mining and Energy Union-Mining and Energy Division Tasmanian District Branch

Financial Report for the year ended 31 December 2019 – (FR2019/291)

I acknowledge receipt of the financial report for the year ended 31 December 2019 for the Construction, Forestry, Maritime, Mining and Energy Union-Mining and Energy Division Tasmanian District Branch. The documents were lodged with the Registered Organisations Commission (**the ROC**) on 25 May 2020.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (**RO Act**) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 31 December 2020 may be subject to an advanced compliance review.

Reporting Requirements

The ROC website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 reporting guidelines and a model set of financial statements.

The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the s.253 reporting guidelines and Australian Accounting Standards. Access to this information is available via this link.

If you have any queries regarding this letter, please contact me on (03) 9603 0764 or via email at kylie.ngo@roc.gov.au.

Yours sincerely,

Kylie Ngo

Registered Organisations Commission

CONSTRUCTION, FORESTRY, MARITIME, MINING & ENERGY UNION MINING & ENERGY DIVISION, TASMANIAN DISTRICT BRANCH

DESIGNATED OFFICER CERTIFICATE

Certificate for the period ended 31 December 2019

I, Ricky Gale, being the Honorary District President of the Construction, Forestry, Maritime, Mining & Energy Union Mining & Energy Division, Tasmanian District Branch, certify:

- That the documents lodged herewith are copies of the full report for the Construction, Forestry, Maritime, Mining & Energy Union Mining & Energy Division, Tasmanian District Branch, for the period ended 31 December 2019, referred to in s.268 the Fair Work (Registered Organisations) Act 2009; and
- That the full report, was provided to members of the reporting unit through the Union website and circulation at work sites on 22nd May 2020, and
- That the full report was presented to a Committee of Management of the reporting Unit on 22nd May 2020; in accordance with section 266 of the Fair Work (Registered Organisations) Act 2009.

Ricky Gale

Honorary District President

Operating Report

For the Year Ended 31 December 2019

The Committee of Management present their report on Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch ("the Union") for the financial year ended 31 December 2019.

Names of committee of management members and period positions held during the financial year

The names of each person who has been a Committee of Management member during the year:

Name	Position	Period of Appointment
Ricky Gale	Honorary District President	1/1/2019 - 31/12/2019
Brent Ashman	Committee Member	1/1/2019 - 31/12/2019
Pren Cetaj	Committee Member	1/1/2019 - 31/12/2019
Darren Redshaw	Committee Member	1/1/2019 - 31/12/2019

Review of principal activities, the results of those activities and any significant changes in the nature of those activities during the year

The principal activities of Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch during the financial year were:

- Representing individual members in grievance disputes with employers. The level of activity in this area
 was consistent with the previous year's activity.
- Representing groups of members at various workplaces regarding disputes with employers.
- Negotiating Collective Bargaining Agreements resulting in increased wages and conditions for members covered by those Agreements. Agreements were renegotiated as they expired and new agreements were entered into. The number of members covered by Collective Bargaining Agreements was at approximately the same level as the previous year.
- Providing Union Delegates and Worksite Committee members with training and education to enable them
 to better represent members in the workplace. There was an increased in the amount of training provided
 to delegates and the number of delegates accessing that training.

No significant changes in the nature of the Union's activity occurred during the financial year.

The surplus of the Union amounted to \$35,890 (2018: \$26,602).

ABN: 23 112 347 338

Operating Report

For the Year Ended 31 December 2019

A review of the operations and results of the Union is performed in the meetings of the Executive officers and by the Committee of Management. Additionally, such matters are considered periodically at a regular meeting of the General Officers of the Union. The Committee of Management believe that they have furthered the interests of their members throughout the financial year through the conducting of the Union's principal activities.

Significant changes in financial affairs

There have been no significant changes in the financial affairs of the Union during the year.

Events after the reporting date

Unprecedented developments have arisen subsequent to balance date due to the COVID-19 pandemic. Given the ongoing measures implemented by the State and Federal Government's, there has already been a significant impact upon the economy, which is yet to be fully realised, notwithstanding stimulus measures announced. It is likely that there will be wide-ranging impacts for the Union, including the potential:

- loss of membership;
- worsening debtor collections and possible impairment; and
- favourable stimulus measures by the government

The ultimate extent of the financial outcomes as they affect the Union are currently unable to be reliably quantified.

Apart from the above, no other matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Union, the results of those operations or the state of affairs of the Union in future financial years.

Right of members to resign

Section 174 of Fair Work (Registered Organisations) Act 2009 states that a member of the Union may resign from membership by written notice addressed and delivered to the State Secretary giving two weeks' notice.

Officers or employees who are superannuation fund trustee(s) or director of a company that is a superannuation fund trustee where being a member or officer of a registered organisations a criterion for them holding such a position

No officers or employees were superannuation fund trustee(s) or directors of a company that is a superannuation fund trustee during the financial year.

ABN: 23 112 347 338

Operating Report

For the Year Ended 31 December 2019

Number of members

The number of persons that were members of the Union at 31 December 2019 was 111 (2018: 110).

Number of employees

As at 31 December 2019 the number of full-time equivalent persons who were employees of the Union was nil (2018: nil).

Signed in accordance with a resolution of the Committee of Management:

Ricky Gale

Honorary District President

Dated 22 May 2020

ABN: 23 112 347 338

Committee of Management Statement

For the year ended 31 December 2019

On 22 May 2020, the Committee of Management of the Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch ("the Union"), passed the following resolution in relation to the general purpose financial report for the financial year ended 31 December 2019:

The Committee of Management declares that in its opinion:

- a) the financial statements and notes comply with the Australian Accounting Standards;
- b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 ("the RO Act");
- c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- e) during the financial year to which the general purpose financial report relates and since the end of that year:
 - i. meetings of the Committee of Management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - ii. the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - iii. the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each or the other reporting units of the organisation; and
 - where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act, it has been provided to the member or Commissioner; and
 - vi. where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Committee of Management.

Ricky Gale

Honorary District President

Notes to the Financial Statements

For the Year Ended 31 December 2019

1 Basis of Preparation

These general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards and Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisations) Act 2009.* For the purpose of preparing the general purpose financial statements the Union is a not-for-profit entity.

The financial statements have been prepared on an accruals basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position.

The financial statements are presented in Australian dollars which is the entity's functional and presentation currency.

Where required, comparative figures have been adjusted to conform with changes in presentation in the current financial year.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Revenue from contracts with customers - accounting policy applied from 1 January 2019

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Union expects to receive in exchange for those goods or services.

Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

2 Summary of Significant Accounting Policies (Continued)

(a) Revenue and other income (Continued)

Revenue from contracts with customers - accounting policy applied from 1 January 2019 (Continued)

None of the revenue streams of the Union have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Union are:

Membership income

Membership subscriptions contain promises to provide various services over a specified period of time. Revenue is recognised over time during the period of membership.

Interest revenue

Interest is recognised using the effective interest rate method.

Revenue - accounting policy applied prior to 1 January 2019

Revenue from the sale of goods is recognised when, the risks and rewards of ownership have been transferred to the buyer, the entity retains no managerial involvement or effective control over the goods, the revenue and transaction costs incurred can be reliably measured and it is probable that the economic benefits associated with the transaction will flow to the entity.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Membership revenue

Revenue from the provision of membership subscriptions is accounted for on an accruals basis and is recorded as revenue in the year to which it relates.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

2 Summary of Significant Accounting Policies (Continued)

(b) Income Tax

The Union is exempt from income tax under section 50.1 of the *Income Tax Assessment Act* 1997, however still has an obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

(c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(d) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, on-demand deposits and short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(e) Financial instruments

The Union classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

2 Summary of Significant Accounting Policies (Continued)

(e) Financial instruments (Continued)

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the Union has made an irrevocable election at the time of initial recognition to account for the equity instrument at fair value through other comprehensive income.

Subsequent measurement of debt instruments depends on the Union's business model for managing the asset and the cash flow characteristics of the asset. All the Union's debt instruments are classified as amortised cost, whereby all assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. These are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

The Union subsequently measures all equity instruments at fair value. Where the Union's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit or loss and other comprehensive income as applicable.

Impairment

The Union assesses on a forward looking basis the expected credit losses associated with its debt instruments carried at amortised cost. The impairment methodology applied depends on whether there has been significant increase in credit risk. Note 11 details how the Union determines whether there has been a significant increase in credit risk.

For trade receivables, the Union applies the simplified approach permitted by AASB 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

2 Summary of Significant Accounting Policies (Continued)

(f) Impairment of non-financial assets

At the end of each reporting period the Union determines whether there is an evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

(g) Property, plant and equipment

Each class of property, plant and equipment is carried at cost less any accumulated depreciation and impairment.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Plant and equipment is depreciated on a straight-line basis over the assets useful life to the Union, commencing when the asset is ready for use.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

2 Summary of Significant Accounting Policies (Continued)

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class

Depreciation rate

Plant and Equipment

20 - 25%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(h) Capitation fees

Capitation fees and levies are recognised on an accrual basis and recorded as an expense in the year to which it relates.

(i) Adoption of new and revised accounting standards effective this financial period

The Union has adopted all standards which became effective for the first time during the year 31 December 2019. Refer to note 19 for the details of the changes due to the standards adopted.

(j) New Accounting Standards and Interpretations not yet adopted

Certain new accounting standards have been published that are not mandatory for 31 December 2019 reporting periods and have not been early adopted by the Union. These standards are not expected to have a material impact on the Union in the current or future reporting periods and on foreseeable future transactions.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

3 Critical Accounting Estimates and Judgments

The Committee of Management make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below:

Key estimates - useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain property, plant and equipment.

ABN: 23 112 347 338

	Provision for impairment	-	-
	Other receivables	265	-
		473	

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

7 Trade and Other Receivables (Continued)

(a) Impairment of receivables

The Union applies the simplified approach to providing for expected credit losses prescribed by AASB 9, which permits the use of the lifetime expected loss provision for all trade receivables. To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. The loss allowance provision as at 31 December 2019 is determined as follows, the expected credit losses incorporate forward looking information.

31 December 2019	Current	< 30 days overdue	< 90 days overdue	> 90 days overdue	Total
Expected loss rate (%)	-				-
Gross carrying amount (\$)	208	-		-	- 208
ECL provision	-	-			

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

Total financial liabilities	_	32,282	22,000

Liquidity risk

Liquidity risk arises from the Union's management of working capital and the finance charges and principal repayments on its debt instruments. It is the risk that the Union will encounter difficulty in meeting its financial obligations as they fall due.

The Union's policy is to ensure that it will always have sufficient cash to allow it to meet its liabilities as and when they fall due.

The Union's liabilities have contractual maturities which are summarised below:

	Less than	ı 1 year
	2019 \$	2018 \$
Trade and other payables	32,282	22,000

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

11 Financial Risk Management (Continued)

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Union.

Credit risk arises from cash and cash equivalents, arising from deposits with banks and financial institutions, as well as credit exposure to customers, including outstanding receivables and committed transactions.

The Union has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

Management considers that all the financial assets that are not impaired for each of the reporting dates under review are of good credit quality, including those that are past due.

The credit risk for liquid funds and other short-term financial assets is considered negligible, since the counterparties are reputable banks.

The Union does not have any material credit risk exposure to any single receivable or group of receivables.

Market Risk

The Union is not exposed to a material level of interest rate risk or equity price risk.

12 Key Management Personnel Remuneration

The totals of remuneration paid to the key management personnel of Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch during the year was nil (2018: \$nil).

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

13 Auditors' Remuneration

	2019 \$	2018 \$
Remuneration of the auditor for audit of financial report:		
- Daley Audit	4,300	-
- Camerons	4,290	4,290
	8,590	4,290

14 Fair Value Measurement

Fair value hierarchy

AASB 13 Fair Value Measurement requires all assets and liabilities measured at fair value to be assigned to a level in the fair value hierarchy as follows:

Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities that the

entity can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the

asset or liability, either directly or indirectly.

Level 3 Unobservable inputs for the asset or liability.

The table below shows the assigned level for each asset and liability held at fair value by the union:

	Level 1	Level 2	Level 3	Total
31 December 2019	\$	\$	\$	\$
Recurring fair value measurements				
Financial assets				
Unlisted Shares	-	-	10	10

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

14 Fair Value Measurement (Continued)

Fair value hierarchy (Continued)

,,	Level 1	Level 2	Level 3	Total
31 December 2018	\$	\$	\$	\$
Recurring fair value measurements				
Financial assets				
Unlisted Shares	-:	-	10	10

Level 3 measurements

The Committee of Management believe that the fair value of these shares is equal to the cost that was paid for them, as they have no right to variable return for the entities.

Net fair value

The fair values of financial assets and financial liabilities are materially consistent with their carrying values as presented in the balance sheet. Fair values are those amounts at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Fair values derived may be based on information that is estimated or subject to judgment, where changes in assumptions may have a material impact on the amounts estimated.

15 Contingencies

In the opinion of the Committee of Management, the Union did not have any contingencies at 31 December 2019 (31 December 2018: None).

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

16 Related Parties

(a) Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Union, directly or indirectly, including any Committee of Management member (whether executive or otherwise) of that Union is considered key management personnel.

For details of disclosures relating to key management personnel, refer to Note 12: Key Management Personnel Compensation.

(b) Related party balances

Refer to Note 10 for payables to other reporting units.

(c) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated. Capitation fees are disclosed in note 5 to the financial report.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

17 Cash Flow Information

(a) Reconciliation of result for the year to cashflows from operating activities

		2019 \$	2018 \$
	Surplus for the year	35,890	26,602
	Cash flows excluded from profit attributable to operating activities		
	Non-cash flows in profit:		
	- depreciation	149	501
	Changes in assets and liabilities:		
	- (increase)/decrease in trade and other receivables	(208)	~
	- (increase)/decrease in other assets	(266)	-
	- increase/(decrease) in trade and other payables	10,283	(17,513)
	Cashflows from operations	45,848	9,590
(b)	Cash flow information		
	Cash outflows to other reporting units CFMMEU Mining and Energy Division - National Office	57,557	28,831

18 Financial affairs administered by another entity

The financial affairs of the Union are administered by the Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division. These services are provided free of charge and cannot be quantified.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

19 Change in Accounting Policy

On 1 January 2019 the Union adopted the following new accounting standards that were mandatory for the first time:

- AASB 15 Revenue from contracts with customers
- AASB 16 Leases
- AASB 1058 Income for Not-for-Profit Entities

All standards have been applied to the year ended 31 December 2019, however, as allowed, comparatives have not been restated.

AASB 15, AASB 16 and AASB 1058 resulted in changes to accounting policies, however no adjustments were required to be recognised in the financial statements.

20 Events Occurring After the Reporting Date

Unprecedented developments have arisen subsequent to balance date due to the COVID-19 pandemic. Given the ongoing measures implemented by the State and Federal Government's, there has already been a significant impact upon the economy, which is yet to be fully realised, notwithstanding stimulus measures announced. It is likely that there will be wide-ranging impacts for the Union, including the potential:

- loss of membership income; and
- favourable stimulus measures by the government.

The ultimate extent of the financial outcomes as they affect the Union are currently unable to be reliably quantified. However, the Union has liquid financial reserves represented by current assets that have been accumulated; which will allow the Union to withstand a period of a downturn in the general economy – prior to any consideration of further government stimulus measures. Accordingly, at the date of signing this financial report, the Committee of Management remain confident that the Union will remain a going concern.

No other matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Union, the results of those operations, or the state of affairs of the Union in future financial years.

ABN: 23 112 347 338

Notes to the Financial Statements

For the Year Ended 31 December 2019

21 Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of the members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or the Commissioner:

- 1. A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- 2. The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- 3. A reporting unit must comply with an application made under subsection (1).

ABN: 23 112 347 338

Report required under Subsection 255 (2A)

Independent Audit Report to the members of Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch ("the Union"), which comprises the balance sheet as at 31 December 2019, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, the committee of management statement, the subsection 255(2A) report and the officer declaration statement.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Construction Forestry Maratime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch as at 31 December 2019, and its financial performance and its cash flows for the year ended on that date in accordance with:

- (i) the Australian Accounting Standards; and
- (ii) any other requirements imposed by the reporting guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

We declare that management's use of the going concern basis in the preparation of the financial statements of the Union is appropriate.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Union in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Independent Audit Report to the members of Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditors Report Thereon

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Committee of Management's for the Financial Report

The Committee of Management of the Union is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

Independent Audit Report to the members of Construction Forestry Maritime Mining and Energy Union - Mining and Energy Division - Tasmanian District Branch

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Union's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Union's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Union to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

I declare that I am an auditor registered under the RO Act.
