Dear Mr Reynolds

**Re: Construction, Forestry, Mining and Energy Union-Western Australian Branch
Financial Reporting Obligations under *Workplace Relations Act 1996***

This is a courtesy letter to remind you of the financial reporting obligations of the abovenamed body under the *Workplace Relations Act 1996* ('the Act') for the financial year ended 31 December, 2003.

While the accounting, auditing and reporting obligations have changed with the introduction of the *Registration and Accountability of Organisations Schedule* (the RAO Schedule) which generally came into operation on 12 May 2003, Part IX, Division 11 of the Act continues to apply in relation to a financial year of an organisation that ends on 31 December, 2003. The corresponding obligations set out in the RAO Schedule apply to each financial year of an organisation that starts on or after 1 July 2003.

Now that the financial year for 31 December, 2003 has ended, it is timely that you put in train the various steps of the financial reporting requirements. To assist you with this process I have enclosed for your information a notice summarising these requirements including the time-scales prescribed by the legislation.

Please note that a branch of an organisation may be exempted from the accounting, auditing and reporting obligations in respect of a financial year by satisfying a Registrar that the branch did not have any financial affairs during the financial year. An application under subsection 271A(1) of the Act must be made within 90 days (unless extended by a Registrar) after the end of the financial year.

Please do not hesitate to contact me on (02) 8374 6618 if you wish to discuss the financial reporting requirements, especially if you anticipate any difficulty in meeting any step in the time-scales prescribed.

Yours sincerely

Belinda Penna
