Mr Andrew (Andy) Smith
CPSU, the Community and Public Sector Union - SPSF Group, Western Australian Prison Officers'
Union Branch
wapou@wapou.asn.au
CC: kbatt@cpsu.vic.org

Dear Mr Smith,

Notification of changes made to records [AR2018/2]

I acknowledge receipt of a Notification of Change to the office holders of the CPSU, the Community and Public Sector Union. I note that all of the results of elections held have been listed, including vacant offices that are still vacant and officers that have been re-elected to the same office. While it is still possible to ascertain the changes that have taken place, it is not immediately clear to the reader what has changed. It is our recommendation that future notifications only list changes to the Annual Return. This allows for the information published to the Registered Organisations Commission website to be clear and concise for all those who access it.

This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

Date of lodgement	Branch	Change	Within prescribed period (Yes/No). If No, how many days late
3/07/2018	WAPOU	Vice President Branch Executive, Executive to Branch Council (2), Delegates to Branch Council (6), vacancy for Delegate to Branch Council	Y
3/07/2018	WAPOU	Delegate to Branch Council (13)	N – 12 days late

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Late notification

The notification from your organisation indicates that changes to the Delegates to Branch Council occurred more than 35 days prior to its lodgement. Please ensure that future notifications of change are lodged within 35 days of the change occurring.

It appears from the ROC's records that this is the third time that a late notification has been received from the Prison Officers' Branch of the CPSU SPSF group. This appears to be a result of confusion regarding the appropriate regulatory body to lodge the notification with. Fair Work Commission (FWC) no longer handles Annual Returns and no longer receives the Notifications of Change. The email address used by FWC previously is no longer used and is not monitored, so anything sent there will not be seen. All Annual Returns and Notifications of Change have been the responsibility of the Registered Organisations Commission since the 1st of May 2017. Please ensure that future notifications of change are lodged with ROC at regorgs@roc.gov.au within 35 days of the change occurring in order to ensure compliance with section 233(2).

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe.

Thank you for your correspondence.

Yours faithfully,

Christine Hibberd

Dear Ms Batt,

Declaration and information lodged under subsection 233(1) [Annual Return] for 2018 [AR2018/2]

I acknowledge receipt by the Registered Organisations Commission (the ROC) on 26 March 2018 of your organisation's Annual Return which provides information under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

Thank you for providing your Annual Return.

The documents lodged provide most of the required information for the 2018 Annual Return of the CPSU, the Community and Public Sector Union.

Branches – CSIRO Section

Further information was requested from the organisation when it became clear that the CSIRO section had not been included within the list of branches of the organisation. The organisation provided a further declaration on 4 June 2018 amending the original Annual Return to include the name and address of the CSIRO Section. Thank you for this further information.

Please ensure that the full list of branches are included in next year's Annual Return.

The ROC will examine next year's Annual Return to confirm that the matters giving rise to these concerns are not repeated.

Following receipt of the further declaration, the Annual Return has been filed and no further action is required. Annual Returns are publicly available on the website through the [List of Registered Organisations](#).

The ROC aims to help organisations comply with all the requirements of subsection 233(1) of the RO Act. I make the following comments to assist with future lodgements.

List of Offices

The list of offices was broken down into three main sections – national offices, PSU offices and SPSF offices. The SPSF Group was then further divided into branches, with the offices allocated to each state, such that the branch secretary was in the same part of the AR as the branch representative to Federal Council.

The Federal Secretary and Federal President of the SPSF Group were placed within the CPSU National section of the Annual Return rather than the SPSF Group. These two offices are not properly CPSU National offices, though I note that their ex officio offices of Joint National President and Joint National Secretary were also listed here quite appropriately. This positioning within the

Annual Return made it difficult to identify the Federal Secretary and Federal President as being of the SPSF Group.

It is recommended that the organisation more clearly identify these two offices as belonging to the SPSF Group in future returns.

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Late notification

The notification from your organisation indicates that some of the changes occurred more than 35 days prior to their lodgement. Please ensure that future notifications of change are lodged within 35 days of the change occurring.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe.
