Councillors' responsibility for the financial report

The Councillors of the Branch are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009* and for such internal control as the Councillors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Fair Work (Registered Organisations) Act 2009* and Australian Accounting Standards, a true and fair view which is consistent with our understanding of the Branch's financial position and of its performance and cash flows.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Accounting Professional and Ethical Standards Board.

Auditor's opinion

In our opinion the financial report of Community and Public Sector Union/SPSF Group South Australia Branch presents fairly, in all material respects, in accordance with Australian Accounting Standards, the *Fair Work (Registered Organisations) Act 2009* and Registered Organisations reporting guidelines, the Branch's financial position as at 30 June 2015 and its financial performance and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

In our opinion, Councillors' use of the going concern basis of accounting in the preparation of the financial report is appropriate.

(b) Basis of Preparation

The financial report is presented in Australian dollars. The financial report is prepared on the historical cost basis.

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. These accounting policies have been consistently applied by the Branch.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and the future periods if the revision affects both current and future periods.

The accounting policies set out below have been applied consistently to all periods presented in the financial report.

7. Financial risk management
Overview

The Branch has exposure to the following risks from use of financial instruments:

- credit risk
- liquidity risk
- market risk

This note presents information about the Branch exposure to each of the above risks, its objectives, policies and processes for measuring and managing risk. Further quantitative disclosures are included throughout this financial report. The Council has overall responsibility for risk management and oversight of the Branch's investments. Management policy has been established to identify and analyse the risk faced by the Branch, to set appropriate risk limits and controls, and to monitor risks and adherence to limits.

Credit Risk

Credit risk is the risk of financial loss to the Branch if a customer fails to meet payment obligations, and arises principally from the Branch's receivables from customers.

Trade receivables

The Branch's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Branch's only customer is The Public Service Association of SA.

Investments

The Branch limits its exposure to credit risk by only investing in a Cheque Account with a regulated Financial Institution.

Liquidity Risk

Liquidity risk is the risk that the Branch will not be able to meet its financial obligations as they fall due. The Branch's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Branch's reputation. The Branch has no borrowings or overdraft facilities in place and is always in a position to meet expected operational expenses, including the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

Market Risk

Market risk is the risk that changes in interest rates will affect the Branch's income or the value of financial instruments.

Interest Rate Risk

The Branch adopts a policy of ensuring that investments are for fixed term with a fixed interest rate for that chosen term.

Capital Management

The Branch policy is to maintain a strong capital base so as to maintain member and creditor confidence and to sustain future development of the Branch. There were no changes in the Branch's approach to capital management during the year. The Branch is not subject to externally imposed capital requirements.
