<u>Elections:</u>	National, Governing Councillors and Section elections.

RULES

Action taken under section 193 of RAO Schedule

rectified/made complete after the close of nominations – the RO will reject the team but treat the nominations as individual nominations.

- TN must be signed by each candidate and contain two nominators for each candidate.
- A withdrawn candidate (withdrawn prior to the close of nominations) can be replaced by another person who is not a member of any other TN and who consents to becoming a member of a TN. If a withdrawn candidate is not replaced by the close of nominations and the withdrawal renders the TN invalid (no nomination for each contested office), the RO will reject the team but treat the nominations as individual nominations.
- Ineligibility of a TN candidate does not invalidate the TN.

CANDIDATE STATEMENTS

Rule 3.23d provides that candidates for certain positions may lodge a statement of up to 250 words for distribution with the ballot material and that the order of statements printed be in ballot paper order.

As no other guidance is provided in the rules in relation to the publication of these statements, the AEC took the following view in relation to issues surrounding the lodgement of candidate statements:

- Statements must be received by the returning officer not later than 14 days after the close of nominations or not later than the time for lodgement of election claims by candidates for inclusion in the National Journal or other PSU Group publication under rule 3.23(a).
- Statements can only be lodged for positions specifically mentioned in rule 3.23d, that is; candidates cannot lodge statements for the positions of Section Councillors, Sub-Section officers, etc.
- Photographs, pictures and diagrams are not permitted
- A candidate for multiple positions is entitled to lodge a statement for each office for which the person is nominating
- A combined statement of more than 250 words for a Team Nomination is not permitted–TN candidates need to lodge individual candidates
- More than one document was necessary, that is, one document for national positions and separate documents for Governing Councillor and Section Secretary offices.

In addition the permitted content of the statements is not prescribed in the rules (eg personal details, employment history, policies, how-to-vote tickets etc) – the AEC believes that rule 3.23d should be expanded to address this and some or all of the other issues mentioned above.

ROLL OF VOTERS (only complete details if Contested)

If Contested See Roll Of Voters Attachment

COMMENTS - THE ROLL OF VOTERS

- Rule 3.4d of the PSU Group rules provides that the roll of voters shall be closed 28 days before the date on which nominations open. Consideration should be given to altering this day to a day closer to the opening of nominations (whilst still complying with s143 (3) of Schedule 1B of the Act) as there were logistical and voter eligibility problems encountered by both the CPSU and the AEC in closing the roll at such an early date.
- Advice received by the AEC in relation to the rules concerning the close of the rolls and section 143(3) of Schedule 1B of the Act resulted in the following determinations by the returning officer:
 - No additions to the roll were permitted after the roll close day unless inadvertently omitted previously
 - Deletions were processed up to the opening date of the ballot – these included persons who were no longer members or deceased members
 - Members who became unfinancial after the roll close day were still entitled to vote provided they were still members on the opening day of the ballot
 - No changes were permitted to a member's Section or Sub- Section /Electorate details (and therefore eligibility to vote status) after the roll close date
- Rule 3.8d provides that ballot papers shall be posted to the home address of members unless requested otherwise. The AEC believes that the CPSU needs to be rigorous in urging members to advise it of not only change of workplace but also change of home address. Where no current home address was available ballot papers were posted to the voter's workplace address.
- See below concerning the roll of voters for Section 15 (Food Inspectorial Section)

ALLEGATIONS OF IRREGULARITIES RECEIVED

<u>Number of complaints / allegations</u>	<ol style="list-style-type: none">1. Complaints were received concerning the roll of voters for members attached to Section 15 (Food Inspectorial Section). Investigations revealed that the names and postal addresses for most members had been transposed on the list provided by the CPSU, that is, the addresses contained in the postal address field had slipped one line and were matched against the name next appearing after the correct member's name.2. Some complaints were received concerning the AEC's interpretation of the candidates' statement rule (r3.23d) in that candidates for Section Councillor could not lodge statements.3. One verbal complaint was received concerning the ineligibility of an elected candidate's nominators.4. One or two complaints were received concerning non-receipt of ballot material in time to cast a vote.
<u>Details of complaints / allegations</u>	

<u>Action taken by AEC</u>	<ol style="list-style-type: none"> 1. A corrected section 15 list of members was received from the CPSU and ballot papers were re-issued to all section 15 members. An information slip was included with the ballot material and a copy is attached to this report. 2. Complainants were advised of the AEC's view that only candidates for offices specifically mentioned in rule 3.23d were permitted to lodge candidate statements. 3. The complainant was advised to put his complaint in writing but is yet to do so. 4. Non-receipt of ballot material was generally due to failure of members to update their home address with the CPSU.

Dear Sir/Madam

Re: Sub-Section 189(1) of the RAO Schedule – Workplace Relations Act

I enclose a statement advising that an election is required for certain positions in the PSU Group of CPSU, the Community and Public Sector Union.

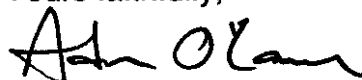

The advice is lodged pursuant to Sub-Section 189(1) of the RAO Schedule - Workplace Relations Act 1996.

To the extent necessary, the PSU Group of the CPSU requests that the AEC conduct the election for those positions that are positions other than an office in the organisation, in accordance with Section 187 of the RAO Schedule – Workplace Relations Act 1996. I have attached a copy of my correspondence to the AEC for your information.

Please note that the attached information does not include relevant information relating to our current Tax and CSA Section. A membership vote is currently underway among CSA members to test their views on forming a CSA Section. Once the Section electoral structures for Tax and CSA members are determined this information will be advised to you. I expect this to occur next week and request that this delay be allowed.

Please contact Lena Lind Duigu on 02 8204 6950 or lena.lindduigu@cpsu.org.au, to discuss this matter or if you require clarification of any matter relating to this notification.

Yours faithfully,
