

18 February 2010

Mr Stephen Jones Secretary CPSU, the Community and Public Sector Union PSU Group Level 6, 191–199 Thomas Street HAYMARKET NSW 2000

By email: members@cpsu.org.au

Dear Mr Jones

Fair Work (Registered Organisations) Act 2009 – (RO Act) Financial report for year ended 30 June 2009 – FR2009/244

I acknowledge receipt of the financial report of the PSU Group of the CPSU, the Community and Public Sector Union for year ended 30 June 2009. The document was lodged with Fair Work Australia on 22 January 2010.

The financial report has been filed.

Although the financial report has been filed, there are a couple of matters for you to note in the preparation of future financial reports.

1. Recovery of wages activity

There is a financial reporting obligation regarding the recovery of wages activity. This obligation is provided for in items 16 to 23 of the General Manager's Reporting Guidelines. Where there is no recovery of wages activity undertaken by the reporting unit for the financial year, a statement by the auditor in his auditor's report or by the committee of management in the committee of management statement declaring there was no recovery of wages activity for the financial year would satisfy the reporting obligations imposed by the Reporting Guidelines. This was previously mentioned in our correspondence to you dated 18 March 2009. Please ensure this is done in future financial reports.

2. Legislative references for future financial reports

The Fair Work (Registered Organisations) Act 2009 and the Fair Work (Registered Organisations) Regulations 2009 both commenced on 1 July 2009. The Act was formerly Schedule 1 of the Workplace Relations Act 1996 and the Regulations were formerly the Workplace Relations (Registration and Accountability of Organisations) Regulations 2003. The section numbering and generally the content of the legislation have remained the same with the exception of the Industrial Registrar and the Deputy Industrial Registrar having been replaced with the General Manager and the Delegate to the General Manager, respectively. Financial reports for future years should refer to the new legislation.

Yours sincerely

Cynthia Lo-Booth Tribunal Services and Organisations

lyel Briel

Certificate Of Secretary

s268 of Schedule 1B Workplace Relations Act 1996

- I, Stephen Jones, being the National Secretary of the Community and Public Sector Union (PSU Group) certify:
 - that the document lodged on the 22nd of January 2010 is a copy of the full report as referred to in s268 of the RAO Schedule; and
 - that the full report was provided to members on the 17th of December 2009; and
 - that the full report was presented to a meeting of the committee of management of the reporting unit on the 13th and 14th of January 2010; in accordance with section 266 of the RAO Schedule

Stephen Jones National Secretary

22 January 2010

OPERATING REPORT for the year ended 30 June 2009

FROM THE NATIONAL SECRETARY

The year 2008–09 was marked by the end of WorkChoices, the commencement of the Fair Work Act and the big challenges of the Global Financial Crisis. The change in the global economy has had a dramatic impact on the work of members and the outcomes in bargoining. In six short months the Government moved from fighting inflation (through budget cuts) to pump priming the economy to save jobs. Despite all of this, we have managed to deliver on a number of our Agenda for Change objectives.

Fair Work Act — a chance to secure fairer, more democratic workplaces

CPSU was part of the ACTU committee that negotiated with Government over the Fair Work Bill. Its passage means that employers will, at last, be obliged to bargain in good faith and workers will have new protections for the right to organise and represent union members in their workplace. The new laws will enable us to include delegates' rights in collective agreements.

Agenda for Change

After months of detailed research and consultation with members and delegates, the CPSU's Agenda for Change was endorsed by Governing Council in October 2008. The Agenda for Change initiative has given CPSU members and activists the opportunity to shape a new long-term Agenda for Change for the union and the industries we cover. While continuing to focus on the 'core business' of improving pay and conditions, through Agenda for Change we will explore options for tackling a range of longer term issues such as:

- maintaining a skilled workforce in a tight labour market
- managing the imminent baby-boomer exodus
- protecting and promoting the value of the public sector
- ensuring workers with caring responsibilities can balance their work and life
- closing the pay gaps between public and private sector and between APS different agencies.

Agenda for Change is a clear statement of our objectives. But we will not be able to deliver on the Agenda without improving our capacity and density.

Bargaining

2008–09 was also a very busy year for making agreements with positive new CPSU agreement being delivered for tens of thousands of members in agencies including Centrelink, FaHCSIA, DAFF, DFAT, GeoScience Australia, Medicare and DVA.

Membership

Continuing growth is a priority for the CPSU, especially with the increasing rate of retirement of 'baby boomer' generation members. During the 2008–09 year planning began on a range of new projects designed to boost our recruitment level in key sectors. During this financial year our membership went from 55,462 to 55,310 (excluding CSIRO section).

Members have the right to resign in accordance with Schedule 1b s174 of the Workplace Relations Act 1996 in conjunction with CPSU rule 5.3 Resignation of Membership.

Essential Services

One of our most important activities during 2008–09 was the Essential Services campaign to eliminate arbitrary budget cuts, protect essential jobs and services and develop a more sustainable approach to public sector funding. This campaign involved training workplace ambassadors, paid and free media campaigning, lobbying decision-makers and politicians. The good news is the Essential Services campaign resulted in the removal of the extra 2% efficiency dividend from all agency budgets.

Workplace Delegates

In 2008, the union set out a clear course to rebuild power in the workplace by providing more support for workplace delegates. Key steps so far include:

- electing more than 1000 new or renewed delegates in 12 months
- training more than 450 delegates
- holding regional delegates conferences in every State and Territory
- commencing discussions with Government to rationalise APS bargaining arrangements
- securing a positive statement about the role of workplace delegates at ALP Conference
- developing support materials and launching the CPSU Delegates' web centre.

Closing the pay gap

In August 2008 we published a comprehensive report – Far From Equal – which blew the lid on the lack of pay parity in the APS and caused a significant shift in member and employer attitudes. Far From Equal was quoted in a range of Government reports, including the Australian Public Service Commission's State of the Service report. This will help us achieve a service-wide agreement that will go some way to restoring pay parity in the APS.

Employment of Aboriginal and Torres Strait Islander peoples

In February 2009, we launched our National Aboriginal and Torres Strait Islander Cabinet (NATSIC) to help provide a united voice for Aboriginal and Torres Strait Islander members, delegates, activists and workers. Having established a clear charter and role, activists are now focussed on building regional networks.

Work/life balance

The CPSU has actively participated in the national campaign for paid parental leave, appearing with CPSU members before the Productivity Commission Inquiry. We also continue to make advances in members' entitlement to paid parental leave through bargaining. The CPSU has also lobbied Government through submissions to the Henry Tax Review in support of childcare arrangements.

Protecting people at work

Throughout 2008–09 the CPSU continued to work with all unions on the Government's review of occupational health and safety laws. We have also exposed the unacceptable incidence of violence directed at our members in customer contact roles. Our report – Securing Centrelink Safety – tells an alarming story of the level of violence in Centrelink workplaces and sets out a series of steps that must be taken to protect our members and clients in all front-line areas.

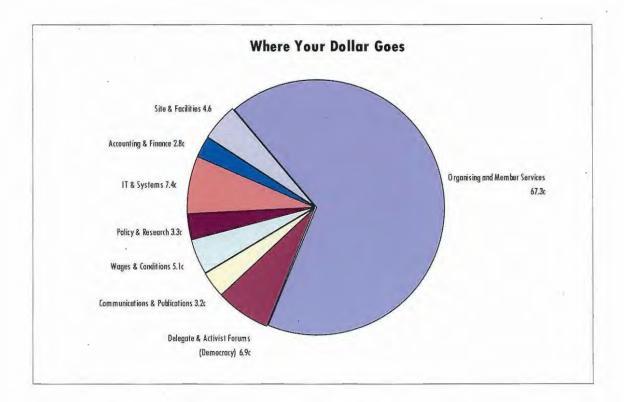

Finance matters

Through effective financial management, accurate forecasting and efficient budgeting, the CPSU ended the 2008–09 financial year with a modest surplus.

This has enabled the union to adequately resource its agenda for the past financial year without compromising our sound financial position.

The CPSU employed a total number of 206 staff as at 30 June 2009.

We continue to allocate the majority of resources directly to organising.

Executive Committee

Persons who were members of the Executive Committee during the year are as follows:

Name	Period in Office	
Stephen Jones	1 July 2008 — 30 June 2009	
Mark Gepp	1 July 2008 — 30 June 2009	
Lisa Newman	1 July 2008 — 30 June 2009	
Louise Persse	1 July 2008 — 30 June 2009	
Michael Tull	1 July 2008 — 30 June 2009	
Nodine Flood	1 July 2008 — 30 June 2009	
Rupert Evans	1 July 2008 — 30 June 2009	

During the year the Executive Committee held seven in face meetings and one by Teleconference.

Meeting Number	Date	Location
4.2008	2 — 3 July 2008	Melbourne
5.2008	21 -22 August 2008	Sydney
6.2008	28 – 29 October 2008	Brisbane
1.2009	5 — 6 February 2009	Sydney
2.2009	20 February 2009	Teleconference
3.2009	10 — 11 March 2009	Hobart
4.2009	28 — 29 May 2009	Sydney
5.2009	24 - 26 June 2009	Sydney

Statement on Superannuation Trustees

Mark Gepp, Peter Feltham and Louise Persse are CPSU officers who are known be:

- a trustee of a superannuation entity or an exempt public sector superannuation scheme;
 or
- a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme.

This report has been prepared in accordance with the requirements of the Registration and Accountability or Organisations (RAO) schedule 1b to the Workplace Relations Act 1996.

CPSU, THE COMMUNITY AND PUBLIC SECTOR UNION, PSU GROUP, GOVERNING COUNCIL

GENERAL PURPOSE FINANCIAL REPORT for the year ended 30 June 2009

CPSU, THE COMMUNITY AND PUBLIC SECTOR UNION, PSU GROUP GOVERNING COUNCIL

COMMITTEE OF MANAGEMENT STATEMENT

On 27 10 09 the Committee of Management of CPSU Group Governing Council passed the following resolution in relation to the general purpose financial report of the reporting unit for the financial year ended 30 June 2009:

The Committee of Management declares in relation to the general purpose financial report that in its opinion:

- a) the financial statements and notes comply with Australian Accounting Standards;
- b) the financial statements and notes comply with the Reporting Guidelines of the Industrial Registrar;
- c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- e) during the financial year to which the general purpose financial report relates and since the end of that year:
 - meetings of the committee of management were held in accordance with the rules of the organisation including the rules of the branch concerned; and
 - ii. the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of the branch concerned; and
 - iii. the financial records of the reporting unit have been kept and maintained in accordance with the RAO Schedule and the RAO Regulations; and
 - iv. where the organisation consists of 2 or more reporting units, the financial records of the reporting unit have been kept, as far as is practicable, in a consistent manner to each of the other reporting units of the organisation; and
 - v. the information sought in any request of a member of the reporting unit or a Registrar duly made under section 272 of the RAO schedule has been furnished to the member or Registrar; and
 - vi there have been no orders for inspection of the financial records made by the Commission under section 272 of the RAO schedule during the year.

Mark Gepp

Assistant National Secretar

CPSU, THE COMMUNITY AND PUBLIC SECTOR UNION, PSU GROUP **GOVERNING COUNCIL**

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Workplace Relations Act 1996 and the alteration to rules as approved by the industrial registrar.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. .

On 19 June 2001, the Deputy Industrial Registrar approved changes to certain rules pertaining to financial management. Those changes included, amongst others, preparation of a single set of accounts for the PSU group for the year ended 30 June 2002 and beyond. Resulting from the change, all funds, property and liabilities of the Sections, Branches and Professional Division as at 30 June 2001 were transferred to the National Council

The following is a summary of the material policies adopted by the Governing Council in the preparation of the financial statements.

Statement of Compliance

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards.

Impairment of Assets

Assets that are subject to depreciation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

Property, Plant and Equipment

Property, plant and equipment are brought to account at cost less, where applicable, any accumulated depreciation or amortisation.

The depreciable amount of all fixed assets and capitalised lease assets, excluding freehold land, is depreciated on a straight line basis over their useful lives commencing from the time the asset is held ready for use.

The depreciation rates used for each class of asset are:

CLASS OF FIXED ASSET

DEPRECIATION RATE

Land and Buildings Leasehold Improvement Freehold improvement Computer System	2.50% over lease period 10 - 20% 20%
Office Equipment	5-40%
Leased Office Equipment	19%
Telephone System	20 - 33.33%
Information Systems Project	20%
CRM Membership System	25%
Website	100%

All minor purchases of assets (under \$2,000) are considered by the committee as having a useful life relative only to the period of purchase and as such are written off during that period.

Income Tax

No provision for income tax is necessary as "Trade Unions" are exempt from income tax under Section 50-5 of the Income Tax Assessment Act 1997.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

e. Employee Leave Entitlements

Provision is made for the Union's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled withing one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Union to employee superannuation funds and are charged as expenses when incurred.

f leaces

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

The Governing Council complies with AASB 117 in respect of finance leases, Finance leases are capitalised; a lease asset and liability equal to the present value of the minimum lease payments, excluding executory costs, are recorded at the inception of the lease. Contingent rentals are written off as an expense of the accounting period in which they are incurred. Capitalised lease assets are amortised on a straight line basis against the income of the accounting periods which are expected to benefit from their use.

g. Investments

Investments are stated at cost less provision for diminution in value. This represents seed funding to the wholly controlled company Shared Advantage Limited (formerly CPSU Advantage Limited). Dividend income is brought to account on a receipts basis.

h. Revenue

Revenue from the rendering of a service is recognised upon the delivery of service to the members.

Interest revenue is recognised on a proportional basis taking into account the interest rate applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

i. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, cash in banks and term deposits, net of outstanding bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

j. Trade and other receivables

Trade and other receivables are recognised initially at fair value and generally due for settlement within 30 days.

The collectibility of debts is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for impairment of receivables is established when there is objective evidence that the Union will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is recognised in the income statement as an expense.

k. Trade and other payables

Trade payables and other accounts payable are recognised when the union becomes obliged to make future payments resulting from the purchase of goods and services. Trade accounts payable are normally settled within 30 days.

I. Comparative Information

Where necessary comparative amounts have been reclassified to facilitate preparation of the current year accounts.

NOTE 2: INFORMATION TO BE PROVIDED TO MEMBERS OR THE REGISTRAR

- (a) In accordance with the requirements of the Workplace Relations Act 1996 subsection 272(5) of the RAO Schedule, the attention of members is drawn to the provisions of subsections (1), (2) and (3) of section 272 which read as follows:
 - (1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
 - (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
 - (3) A reporting unit must comply with an application made under subsection (1)".
- (b) There were no recovery of wages activity for the financial year ended 30 June 2009.

Nadine Flood	1 July 2008 - 30 June 2009
Evans Rupert	1 July 2008 - 30 June 2009

NOTE 17: FINANCIAL INSTRUMENTS

(a) Interest Rate Risk

Interest rate risk is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates. The Governing Council's exposure to interest rate risk as at 30 June 2009 is limited to cash and term deposits of \$9,015,218.

(b) Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount, net of any provisions for doubtful debts, as disclosed in the statement of financial position and notes to the financial statements.

(c) Net Fair Values

For other assets and other liabilities, the net fair value approximates their carrying value. No financial assets and financial liabilities are readily traded on organised markets.

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the statement of financial position and notes to and forming part of the financial statements.

AUDITOR'S REPORT for the year ended 30 June 2009

THE COMMUNITY AND PUBLIC SECTOR UNION (PSU GROUP) ABN 30 987 910 747 INDEPENDENT AUDIT REPORT TO THE MEMBERS OF THE COMMUNITY AND PUBLIC SECTOR UNION (PSU GROUP)

Scope

Report on the Financial Report

We have audited the accompanying financial report of The Community and Public Sector Union (PSU Group), which comprises the balance sheet as at 30 June 2009, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the executive committee's declaration.

Executive Committee's Responsibility for the Financial Report

The executive committee of the union is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Workplace Relations Act 1996. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 1, the executive committee also state, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that compliance with the Australian equivalents to International Financial Reporting Standards (IFRS) ensures that the financial report, comprising the financial statements and notes, complies with IFRS.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the executive committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Opinion

We have inspected and audited the accounting records kept by the The Community and Public Sector Union (PSU Group) in respect for the year ended 30 June 2009 and has received all the information and explanations we required for the purposes of our audit.

In our opinion:

- (a) There were kept by the organisation, in respect of the period, satisfactory accounting records detailing the sources and nature of the income of the organisation (including income from members) and the nature and purposes of the expenditure; and
- (b) The general purpose financial report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of Schedule 1 (RAO Schedule) of the Workplace Relations Act 1996.
