Dear Julia Angrisano,

### **Reminder of actions required when persons elected to office**

The Australian Electoral Commission has provided the Registered Organisations Commission (the ROC) a declaration of results for the election of contested offices in matter E2019/45. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

#### A notice must be published on the organisation's website

The organisation or branch must, as soon as practicable after receiving the post-election report, publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

#### Holders of office required to undertake approved training

Section 293K of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which are provided for in the RO Act.

#### Organisation must notify the Commission of changes

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the Finance Sector Union of Australia must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
  - the name of the office vacated;
  - the date of the change of office holder; and
  - the name of the person vacating the office.
  
2. Person(s) who have commenced to hold office:
  - the name of the office now held;
  - the date of the change of office holder;
  - the name of the person now holding the office;
  - the postal address of the person (generally the postal address of the organisation); and

- the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. A template notification of changes, which may assist you, is attached. If any change does not apply until a date in the future, you do not need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Yours faithfully,

**Christine Hibberd**  
**Registered Organisations Commission**

Dear Sir/Madam,

**Re: Finance Sector Union of Australia – Election for Offices due to casual vacancy**

I, Julia Angrisano, National Secretary of the Finance Sector Union of Australia (FSU) make the following statement:

I am the National Secretary of the FSU and am authorised to lodge the following prescribed information concerning the forthcoming elections for offices within the FSUA.

The purpose of this letter is to lodge information in accordance with subsection 189 (1) of the Fair Work (Registered Organisations) Act 2009 in respect to FSU elections that are required as a result of a casual vacancy.

The FSU requires elections to be conducted in the following offices:

1. WBC LEC President SA/NT Branch in accordance with sub rule 30.12
2. WBC NEC Member SA/NT Branch in accordance with sub rule 30.12

**Electorate**

The electorate in respect to the offices detailed in point 1 and 2 is all financial FSU members resident in SA/NT attached to the WBC LEC Section.

**Reason for Election**

The reason for the election is that a casual vacancy has occurred as a result of the resignation of incumbent Clinton Duncan (attached) and rule 47.49.2 requires an election to be conducted where the unexpired portion of the term of the vacant office exceeds three-quarters of the term of that Office.

**Voting System**

The elections for each of the offices detailed are to be conducted by direct voting system

**Close of Roll**

The Union's Rules (sub rule 47.24) specify that the roll of voters for an election by direct voting system shall close seven (7) days before the day on which nominations open.

**Nominations Open/Close**

Nominations shall be called from those LEC members elected for the positions of LEC President and NEC Member. A date shall be fixed for the closing of nominations, being a date not less than 2 weeks after the date of calling for such nominations. Rule 47.20.1 refers

**Qualification for Office**

In respect to the office detailed in point 1, nominees must have been a financial member of the Union for not less than six (6) months immediately preceding nomination, have been employed within the six (6) months immediately preceding the calling for nominations in employment as provided for in Rules 4 and 5.

It would be appreciated if arrangements can be made to have the elections conducted as soon as possible.

Yours sincerely,

**Julia Angrisano**  
**National Secretary**
