I draw your attention to the following matters concerning the prescribed information lodged in relation to the election:

- Section 214 of the *Workplace Relations Act 1996* has been repealed. The information previously required pursuant to that section is now required to be lodged under subsection 189(1) of the *RAO Schedule* in accordance with the requirements of regulation 138 of the *RAO Regulations*.
- Under subregulation 138(1)(f) an organisation is required to include in the prescribed information details of "the day provided for in the rules of the organisation as the day on which the roll of voters is to be closed." Could you please ensure that such information is included in any future election notifications lodged in the Industrial Registry. In the case of the abovenamed branch, the relevant rule for this purpose is subrule 43.3.5A.

Yours sincerely
