Dear Sir/Madam

The FAAA National Entity responsibilities including any financial or other requirements have been split equally between the FAAA International and the FAAA Domestic Regional Divisions, this was reported at the end of the financial period 30 June 2008.

The National Entity account had ceased to operate and indeed a request for exemption for reporting units was requested and granted for the financial years ending 30 June 2009, 30 June 2010, 30 June 2011, 30 June 2012, 30 June 2013 and 30 June 2014.

The reporting unit did not maintain a bank account.

The reporting unit did not hold money in cash.

The reporting unit did not receive revenue during the financial year.

The reporting unit did not expend any money during the financial year.

The reporting unit did not incur any liabilities during the financial year.

No other reporting unit receive money or incur financial obligations so that the applicant reporting unit could conduct its activities.

No another person, body corporate or trust receive money or incur financial obligations so that the applicant reporting unit could conduct its activities.

Therefore, under this same section s271(1) of the Fair Work (Registered Organisations) Act 2009 we are applying for further exemption of any reporting requirements for the National Entity from the end of year period June 2015.

We are aware that this exemption needs to be applied for each year unless our rules are changed to reflect the need not to report on the National Entity.

Awaiting your favourable reply and any queries please do not hesitate to contact me.

Regards,

Michael Mijatov
