NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisations) Act 2009. For the purpose of preparing the general purpose financial statements, the Flight Attendants' Association of Australia International Division is a not-for-profit entity.

The financial statements have been prepare on an accrual basis and in accordance with the historical cost except for certain assets and liabilities measured at fair value as explained in the accounting policies below. Historical cost is generally based on the fair values of consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

The following is a summary of the significant accounting policies adopted by the Division in the preparation of the financial report.

(a) Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current year

(b) Significant accounting judgements and estimates

The following accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period. The directors have determined that Land and Buildings be shown as a single class of non-current assets and carried at valuation. The directors have also determined that the carrying value of Land and Buildings does not differ materially from its fair value at reporting date. Building Improvements are shown as a separate class of non-current assets and are carried at cost less accumulated depreciation.

(c) Plant and Equipment

Plant and equipment acquired on restructuring at 31 March 2000 has been accounted for at an independent expert valuation. Additions since then, have been brought to account at cost. Depreciation is calculated on the straight-line basis in order to write the assets off over their estimated useful lives to the Association.

Depreciation rates applying to each class of depreciable asset are

Buildings	2.5%
Computers	25.0%
Furniture & Fittings	10.0%
Office Equipment	10.0%

(d) Employee Entitlements

Provision is made for the Association's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries and annual leave, which will be settled after one year, have been measured at their nominal amount. The Long Service Leave entitlements have been measured by reference to periods of service and current salary rates as it is considered that this results in an amount not materially different to that achieved by discounting future cash flows. Contributions are made by the Division to employee superannuation funds and the expense is charged when incurred. Further, there is no Recovery of wages activity for this financial year ending 30 June 2015.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2015 (Cont'd)

(e) Cash and cash equivalents

Cash is recognised at its nominal value. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

(f) Land and Buildings

It is not practicable to ascertain the separate values of the land and the building. Land and Buildings are thus shown as a separate class of non-current assets.

Land and Buildings were independently valued by Christopher Haddad of AAPI of Egan National Valuers (NSW), Suite 604, 5-13 Rosebery Avenue, Rosebery, NSW on 3 September 2012. A revaluation is made whenever the carrying amount differs materially from fair value at reporting date. The valuation was based on the following assumptions:

- the property is free of encumbrances, restrictions or other impediments of an onerous nature;
- the property has been valued on the basis of capitalisation of estimated net rental income;
- the values assume that the Association would enter into lease arrangements for the areas it occupies in the building;
- increased rental value has been factored in the value of the property for lease renewals; and
- outgoings for the property have been estimated and on the assumption it is owned by an independent investor.

There was no movement in the carrying amount of Land and Buildings during the financial year. The carrying amount was the same at the beginning and end of the financial year.

The carrying amount of Land and Buildings that would have been recognised had the assets been carried under the cost model is \$768,950 (2014: \$768,950). There was no change to the revaluation surplus for the period and the revaluation surplus cannot be distributed to members.

(g) Fair Value Measurement

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset, or, absent such a principal market, in the most advantageous market for the asset. The principal or most advantageous market must be accessible by the Association. The fair value of an asset is measured using the assumptions that market participants would use when pricing the asset, assuming that the market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The association uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described below, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The fair value of Land and Buildings was determined using Level 2 inputs, using direct price comparisons and capitalisation of imputed income. There have been no transfers between categories of fair value measurement.

(h) Income Tax Expense

In accordance with Section 50 - 15 of the Income Tax Assessment Act, the Division is exempt from income tax.

(i) Revenue

Revenue is measured at fair value of the consideration received or receivable.

Revenue from Membership Fees are accounted for on an accrual basis and are recorded as revenue in the year to which it relates.

Donation income is recognised when received

Interest revenue is recognised on an accrual basis using the effective interest method

(j) Financial Support - Other Reporting Units

There has been no financial support given to or received from other reporting units during the financial year.

(k) Amalgamations and Restructures

No assets or liabilities have been acquired during the financial year due to an amalgamation, restructure or a determination by or revocation by the General Manager of the FWC.

(I) Business Combinations

Business combinations occur where an acquirer obtains control over one or more businesses. There have been no business combinations affecting the Division during the financial year.

(m) New Accounting Standards and Interpretations

i. Changes in accounting standards and interpretations

No accounting standard has been adopted earlier than the application date stated in the standard. The accounting policies adopted are consistent with those of previous years. The adoption of these standards or interpretations has had no impact on the financial statements or performance of the Association

ii. Accounting Standards Issued but not effective

New standards, amendments to standards or interpretations have recently been issued or amended but are not yet effective and have not been early adopted by the Association for the annual reporting period ended 30 June 2015. The Association expects to adopt these standards where applicable for the annual reporting periods beginning on or after the application dates. The Association does not expect there to be any significant measurement adjustments upon application of the standards below.

NOTE 2: SECTION 272 FAIR WORK (REGISTERED ORGANISATIONS) ACT 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of the members is drawn to the provisions of Section 272, which read as follows:

- (1) A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

NOTE 14: FINANCIAL INSTRUMENTS

(a) Interest Rate Risk

The Association's exposure to interest rate risk is nil, but financial instruments value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rate on those financial assets and liabilities is as follows:

(b) Credit Risk

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted.

NOTE 15: FAIR VALUE MANAGEMENT

(a) Financial Assets and Liabilities

Management of the Association assessed that cash, trade receivables, trade payables, and other current liabilities approximate their carrying amounts largely due to the short term maturities of these instruments. The Association has no other financial assets or liabilities.

(i) Going Concern

The Division's ability to continue as a going concern is not reliant on financial support from another reporting unit.

(ii) Financial Support

No financial support has been provided to another reporting entity to ensure that it continues as a going concern.

(iii) Acquisition of assets and liability under specific sections

The Division did not acquire any assets or a liability during the financial year as a result of:

- an amalgamation under part 2 of Chapter3, of the RO Act;
- a restructure of the Branches of the organisation;
- a determination by the General Manager under s245(1) of the RO Act;
- a revocation by the General Manager under s249(1) of the RO Act.

(iv) Acquisition of assets and liabilities as part of a business combination

If assets and liabilities were acquired during the financial year as part of a business combination, the requirement of Australian Accounting Standards will be complied with. No such acquisition has occurred during the financial year.

COMMITTEE OF MANAGEMENT STATEMENT

At a meeting held on 15 September 2015, the Divisional Executive of the Flight Attendants' Association of Australia International Division passed the following resolution in relation to the general purpose financial report (GPFR) for the financial year ended 30 June 2015:

The Divisional Executive of the Flight Attendants' Association of Australia International Division declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the Division for the financial year ended 30 June 2015.
- (d) there are reasonable grounds to believe that the Division will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the Committee of Management were held in accordance with the rules of the Division; and
 - (ii) the financial affairs of the Division have been managed in accordance with the rules of the Division; and
 - (iii) the financial records of the Division have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the Division or General Manager duly made under section 272 of the RO Act has been provided to the member or General Manager; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) during the year to which the GPFR relates there has been no recovery of wages activity

This declaration is made in accordance with a resolution of the Divisional Executive.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF THE FLIGHT ATTENDANTS' ASSOCIATION OF AUSTRALIA INTERNATIONAL DIVISION

Report of the Financial Report

We have audited the accompanying financial report of the Flight Attendants' Association of Australia International Division, which comprises the balance sheet as at 30 June 2015, the statement of comprehensive income, statement of changes in equity and statements of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the statement by committee of management.

Committee's Responsibility for the Financial Report

The committee of management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

We meet the definition of approved auditor in Regulation 4 of the Fair Work (Registered Organisations) Regulation 2009.

As part of the audit of the financial statements we have concluded that the management's use of the going concern basis of accounting in the preparation of the Division's financial statements is appropriate.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion:

- i. The general purpose financial report of Flight Attendants' Association of Australia International Division presents fairly, in all material respects, the financial position of Flight Attendants' Association of Australia International Division as at 30 June 2015 and the results of its operations, its changes in equity and cash flows for the year then ended, in accordance with any of the following that apply to the entity
 - i. The Australian Accounting Standards
 - ii. any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter8 of the Fair Work (Registered Organisations) Act 2009
- ii. The Committee of Management's use of the going concern basis of accounting in the preparation of the entity's financial statements is appropriate
