Mr Michael Mijatov Divisional Secretary International Division Flight Attendants' Association of Australia 20 Ewan Street MASCOT NSW 2020

Dear Mr Mijatov,

Flight Attendants' Association of Australia - International Division - Financial Report for the year ended 30 June 2013 [FR2013/350]

I refer to the financial report for the International Division (the Division) of the Flight Attendants' Association of Australia (FAAA) for year ended 30 June 2013.

The report was originally lodged on 4 December 2013 under s.268 of the Fair Work (Registered Organisations) Act 2009 (RO Act). Following correspondence from the FWC regarding a number of deficiencies in the financial report on 21 May 2014 a revised financial report was lodged on 10 September 2014.

On 10 November 2014 further information was lodged regarding the depreciation of property, plant and equipment to clarify what was originally set out in Note 4 to the financial report (as attached). The revised information regarding this issue conforms with the requirements of Australian Accounting Standard AASB 116 (Property, Plant and Equipment). Therefore the same format should be adopted regarding this issue in future financial reports.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

Please note that the filing of this financial report does not release the Division from any obligations or potential findings in relation to the ongoing investigation into the Division (INV2013/1).

Changes to the reporting guidelines and model financial statements

A fourth edition of the General Manager's s.253 Reporting Guidelines was gazetted on 13 June 2014. These guidelines will apply to all financial reports that end on or after 30 June 2014. A model set of financial statements for the 2013-2014 financial year is also available on the Fair Work Commission website.

The Fair Work Commission recommends reporting units use this model as it will assist in ensuring compliance with the RO Act, the s.253 Reporting Guidelines and the Australian Accounting Standards.

The Reporting Guidelines and Model Financial Statements are available on the website here: https://www.fwc.gov.au/registered-organisations/compliance-governance/financial-reporting.

Yours sincerely,

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisations) Act 2009. For the purpose of preparing the general purpose financial statements, the Flight Attendants' Association of Australia International Division is a not-for-profit entity.

The financial statements have been prepare on an accrual basis and in accordance with the historical cost except for certain assets and liabilities measured at fair value as explained in the accounting policies below. Historical cost is generally based on the fair values of consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

The following is a summary of the significant accounting policies adopted by the Division in the preparation of the financial report.

(a) Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current year

(b) Plant and Equipment

Plant and equipment acquired on restructuring at 31 March 2000 has been accounted for at an independent expert valuation. Additions since then, have been brought to account at cost. Depreciation is calculated on the straight-line basis in order to write the assets off over their estimated useful lives to the Association.

Depreciation rates applying to each class of depreciable asset are

Buildings	2.5%
Computers	30.0%
Furniture & Fittings	15.0%
Office Equipment	20.0%

(c) Employee Entitlements

Provision is made for the Association's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries and annual leave, which will be settled after one year, have been measured at their nominal amount. The Long Service Leave entitlements have been measured by reference to periods of service and current salary rates as it is considered that this results in an amount not materially different to that achieved by discounting future cash flows. Contributions are made by the Division to employee superannuation funds and the expense is charged when incurred. Further, there is no Recovery of wages activity for this financial year ending 30 June 2013.

(d) Cash and cash equivalents

Cash is recognised at its nominal value. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

(e) Land and Buildings

It is not practicable to ascertain the separate values of the land and the building. Therefore, depreciation has not been provided on the building.

(f) Income Tax Expense

In accordance with Section 50 - 15 of the Income Tax Assessment Act, the Division is exempt from income tax.

(g) Revenue

Revenue is measured at fair value of the consideration received or receivable.

Revenue from Membership Fees are accounted for on an accrual basis and are recorded as revenue in the year to which it relates.

Donation income is recognised when received

Interest revenue is recognised on an accrual basis using the effective interest method

(h) Financial Support - Other Reporting Units

There has been no financial support given to or received from other reporting units during the financial year in relation to the continuation of operations on a going concern basis.

(i) Amalgamations and Restructures

No assets or liabilities have been acquired during the financial year due to an amalgamation, restructure or a determination or revocation by the General Manager of the FWC.

(j) Business Combinations

Business combinations occur where an acquirer obtains control over one or more businesses. There have been no business combinations affecting the Division during the financial year.

(k) New Accounting Standards and Interpretations

i. Changes in accounting standards and interpretations

No accounting standard has been adopted earlier than the application date stated in the standard. The accounting policies adopted are consistent with those of previous years. The adoption of these standards or interpretations has had no impact on the financial statements or performance of the Association

ii. Accounting Standards Issued but not effective

New standards, amendments to standards or interpretations have recently been issued or amended but are not yet effective and have not been early adopted by the Association for the annual reporting period ended 30 June 2013. Report of the Financial Report

We have audited the accompanying financial report of the Flight Attendants' Association of Australia International Division, which comprises the balance sheet as at 30 June 2013 and the income statement, statement of changes in equity and cash flow statement for the year ended 30 June 2013, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

We meet the definition of approved auditor in Regulation 4 of the Fair Work (Registered Organisations) Regulation 2009.

As part of the audit of the financial statements we have concluded that the management's use of the going concern basis of accounting in the preparation of the Division's financial statements is appropriate.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.
