In the matter of:

**Annual Return of Information for 2014 [AR2014/170]**

**Recurring obligations to keep and lodge information under s233 of the Fair Work (Registered Organisations) Act 2009 by the Health Services Union.**

I, Chris Brown, of the Health Services Union declare the following to be a correct statement of the information contained in the prescribed records:

1. I am the Senior National Assistant Secretary and Acting National Secretary of the Health Services Union, an organisation registered under the *Fair Work (Registered Organisations) Act 2009* (referred to as "the Act").
2. I am authorised to make this Declaration.
3. The Delegate of the General Manager of the Fair Work Commission determined an application (R2014/S8) to vary the rules of the Health Services Union. The Decision [2014] FWCD 3587 ("Decision") of 5 June 2014 resulted in each Office of the Tasmania Number 2 Branch and the Tasmania Number 2 Branch being abolished from the date of the Decision.
4. The Decision [2014] FWCD 3587 also saw the composition of the Health Services Union's National Executive and National Council reduced by the size of the former Tasmania Number 2 Branch's representation. This resulted from the Tasmania Number 2 Branch being abolished.
5. The Decision also saw the Tasmania Number 1 Branch renamed the "Tasmania Branch".
6. A copy of the Decision is attached.

## DECISION

*Fair Work (Registered Organisations) Act 2009*  
s.159—Alteration of other rules of organisation

**Health Services Union**  
(R2014/58 & R2014/75)

MR ENRIGHT

MELBOURNE, 5 JUNE 2014

*Alteration of other rules of organisation.*

[1] On 1 April 2014 and 14 April 2014, the Health Services Union (the Union) lodged with the Fair Work Commission notices and declarations setting out particulars of alterations to the rules of the Health Services Union.

[2] The particulars set out alterations to Rules 48 and 48A of the Union’s rules.

[3] On 26 May 2014, a supplementary declaration was lodged by the Union in connection with the alteration to Rule 48. It provided statements addressing sub-regulations 126(1)(b), 126(2)(a) and 126(2)(c) of the *Fair Work (Registered Organisations) Regulations 2009*. On 27 May 2014 a further declaration was forwarded to the Fair Work Commission. That declaration provided additional information about the steps taken by the Union to transact the alterations to Rule 48A.

[4] On the information contained in the notices, I am satisfied the alterations have been made under the rules of the organisation.

[5] Two matters arise in relation to the substance of the alterations.

[6] I turn first to the alteration to Rule 48. That alteration will abolish the Union’s Tasmania No. 2 Branch and rename the Tasmania No. 1 Branch the “Tasmania Branch”.

[7] One consequence of the alteration is the abolition of every office within the Tasmania No. 2 Branch. The alterations contain no relevant transitional provisions. As a result, the offices will be abolished on the day the alterations are certified, due to the operation of subsection 159(3) of the *Fair Work (Registered Organisations) Act 2009* (the Act). This means that the offices will be abolished during the current term of office and the affected officers’ terms of office will be truncated.

[8] I recently noted that<sup>1</sup>:

The courts have outlined the principles relevant to the truncation of offices including:

- An elected office may be abolished during the term of an incumbent provided such abolition is effected in accordance with the rules and is bona fide;<sup>2</sup> and
- The alterations must not have an oppressive, unreasonable or unjust effect on members or applicants for membership.<sup>3</sup>

[9] I have already stated I believe the decision was made in accordance with the rules.

[10] Offices in all Branches have four year terms. The next scheduled election for Branch offices within the Union will take place later in 2014. Nominations for that election will open shortly. Under the rules of the Union, persons elected to an office within a Branch take up their office when declared elected. Therefore, the period of truncation is relatively short.

[11] Under the rules of the Union, the decision to abolish the Branch rests with the National Council. In this instance the National Council acted to give effect to a request made by a general meeting of the Tasmania No. 2 Branch.<sup>4</sup> The affected officers are likely to have received notice of the Tasmania No. 2 Branch general meeting and to have had the opportunity to attend, speak to and vote on the motion to seek the Branch's abolition. I believe that the decision to truncate the offices, as a consequence of the abolition of the Branch, was bona fide.

[12] As to whether the alteration is oppressive, unreasonable or unjust, I agree with Delegate Carruthers that "While the duration of the possible truncation is not determinative, the relative shortness of the truncated period is nonetheless relevant to the decision at hand."<sup>5</sup>

[13] Another factor I consider relevant is the Union's stated intention that the rule alteration occur before the next Branch elections take place.<sup>6</sup> Certifying the alterations to Rule 48 will mean that members of the Tasmania No. 2 Branch are transferred to the newly named Tasmania Branch in time to participate in the forthcoming elections in that Branch. Conversely, refusing to certify the alterations to Rule 48 until the relevant terms of office had expired would mean that the affected members would be denied the opportunity to participate in elections in the Tasmania Branch for almost four years. The first outcome furthers Parliament's intention in enacting the Act.<sup>7</sup> The latter outcome would not. I believe the alteration is not oppressive, unreasonable or unjust.

[14] I turn next to consider the alteration to Part 3(d) of Rule 48A.

[15] The alteration proposed for certification states:

In the event of an appointment to fill a casual vacancy occurring on the Branch Committee of Management, the Branch Committee of Management may appoint any member of the Branch who is a member of the relevant component association to which the departing Committee member was a member to fill that vacancy.

[16] I noted in paragraph [10] that offices within Branches of the Union have four year terms. Therefore the effect of this rule is to provide for the filling of a casual vacancy for a period exceeding 12 months or three-quarters of the term of the relevant office. The alteration

to Part 3(d) of Rule 48A is therefore contrary to subsection 146(2) of the Act. It cannot be certified under section 159 of the Act.

[17] I note that the present rule similarly offends subsection 146(2) of the Act. I recommend that the Victoria No. 4 Branch takes steps to bring its rules into conformity with the Act as soon as is practicable.

[18] Other than the alteration to Part 3(d) of Rule 48A, the alterations are, in my opinion, the alterations comply with and are not contrary to the Act, the *Fair Work Act 2009*, modern awards and enterprise agreements, and are not otherwise contrary to law. I certify accordingly under subsection 159(1) of the Act.

Dear Mr Brown,

### **Annual Return of Information for 2014 [AR2014/170]**

I acknowledge receipt on 31 March 2014 of your Declaration providing information in accordance with subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009*. I also acknowledge the further Declaration dated 25 June 2014 that you provided at the request of the Fair Work Commission (the Commission).

In addition, I acknowledge declarations lodged by the branches of your organisation (Table A) and notifications of change of office holders lodged by certain branches (Table B).

The documents lodged cover the required information for the 2014 Annual Return of Information of Health Services Union.

The document can be viewed on the Commission website through the List of Registered Organisations - <http://www.fwc.gov.au/index.cfm?pagename=regorgslist>

#### **Further Information:**

##### **1. Queensland Branch - outstanding matters**

This letter acknowledges the 2014 Annual Return for the Queensland Branch as complete. Other outstanding matters for the Queensland Branch including annual returns and financial reports for previous years will be dealt with separately.

##### **2. Victorian No. 1 Branch - 2013 Notification of change**

I acknowledge a notification of change from the Health Services Union-Victorian No. 1 Branch lodged with the Commission on 17 September 2013. The notification was not a declaration and was not signed by an officer of the organisation. This meant that the notification did not meet the requirements of the Act and, despite a number of contacts with the branch, has not been rectified. The change is encapsulated in the 2014 return and so the 2013 matter is now finalised.

##### **3. Organisation to lodge on behalf of all branches next year**

Section 233 of the *Fair Work (Registered Organisations) Act 2009* requires an organisation to lodge a declaration and copies of information with the Commission by the 31st March in each year. I note that in 2014 each branch of Health Services Union lodged a declaration and the required information. As section 233 places the onus of lodgement on the organisation and not each branch, it is the view of the Commission that the national body of Health Services Union is obliged to lodge all of the required information.

From 2015 the Commission intends to create one matter number for Health Services Union, instead of a matter number for each branch of Health Services Union. The national body of Health Services Union will receive a reminder letter at the start of 2015. The branches will not receive a reminder letter.

From 2015 the national body of Health Services Union is requested to collate and lodge the information regarding the national body of Health Services Union and all of its branches. To assist with this task, I have attached a template annual return.

Yours sincerely

Dear Mr Brown,

**Annual Return of Information for 2014 [AR2014/170]**

I acknowledge receipt on 31 March 2014 of your Declaration providing information in accordance with subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009*.

The documents lodged provided certain information for the 2014 Annual Return of Information of Health Services Union.

However I need some additional information before I am able to file this return.

Point 3. of the declaration lists the national offices of the organisation. The requirement under s.230(1)(b) is to provide a list of the offices in the organisation and **each branch of the organisation**. It is also preferred that the return should list how many of an office exist e.g. Ordinary Members of the National Executive. Please provide a complete list of the offices.

Point 10. of your declaration relates to membership of the organisation and the record of the number of members of the organisation who were "... ineligible State members". The way this item is expressed it is unclear whether you are declaring that all members of the organisation are ineligible State members. This seems unlikely. If this is not the case, clarification should be provided by inclusion of a statement "Number of ineligible State members = Nil."

Finally, point 9. of your declaration provided a list of the organisation and branches which require elections to be held this calendar year. This statement does not provide the **offices** of the organisation and branches that require elections to be held. It would be sufficient to state that "Elections are required for all offices of the organisation and all branches during the 2014 calendar year." Note: This would also cover any changed offices due to rule changes.

Please provide the information above so that I can file this return.

Yours sincerely

Dear General Manager,

**RE: Health Services Union Annual Return of Information**

Please find attached our annual return of information. Our return includes:

- Declaration by myself that a register of members has been kept and maintained
- A list of officers in the organisation and each branch
- A list of names, postal addresses and occupations of people holding offices
- A list of each branch
- A list of address for the organisation and each branch
- A statement of the number of members on 31 December 2013

There were no new branches created and no branches ceased to exist during the reporting period.

**Elections** within the organisation must be held in 2014 calendar year for the organisation and branches.

An application to vary the rules of the HSU has been lodged and we are waiting for the matter to be determined. The rule change will have an impact on the positions within the Organisation and some positions within Branches.

The Tasmania No 2 Branch has resolved to wind up operations and is seeking to do so prior to elections taking place. The Branch has included this information within their annual return.

An application to vary the composition of the Branch Committee of Management of the Victoria No 4 Branch will be made shortly. If this application is granted, the positions to be elected within the Branch will change.

If you or one of your Officers requires further information about this return, please contact Mark McLeay in our Sydney Office on 02 8203 6066 or via email at [markm@hsu.net.au](mailto:markm@hsu.net.au).
