NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are a general purpose financial report that has been prepared in accordance with applicable Accounting Standards including Australian Accounting Interpretations and other mandatory professional reporting requirements. The financial statements have also been prepared on the basis of historical costs and do not take into account changing money values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the material accounting policies adopted by the entity in the preparation of the financial statements.

(a) Leases

Leases of fixed assets, where substantially all risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the entity are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(b) Employee Entitlements

Provision is made for reporting unit's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one ear together with entitlements arising from wages and salaries, annual leave and sick leave, which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the entity to an employees' superannuation fund and are charged as expenses when incurred.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont)

(c) Cash and Cash Equivalents

For the purposes of the statement of cash flows, cash included cash on hand and in at call deposits with banks or financial institutions, investments in money market instruments maturing within less than three months and net of bank overdrafts.

(d) Income Tax Expense

No provision for income tax expense has been brought to account, as "Trade Unions" are exempt from income tax under Section 50 – 15 of the Income Tax Assessment Act 1997.

(e) Goods and Services Tax

Goods and Services Tax (GST) collected by the branch is bought to account as a liability with input credits in respect of GST paid reducing that liability. Accordingly, all items of income and expenditure bought to account in the financial statement is after the deduction of any applicable GST.

Receivables and payables are stated with the amount of GST included.

(f) Financial Instruments

Receivables are carried at the nominal amounts due less any allowance for doubtful debts where applicable. Receivables are unsecured and credit terms are usually 30 days.

Liabilities are recognised for amounts to be paid in the future for goods and services received as at balance date, whether or not invoices have been received. Payables are unsecured, not subject to interest charges and are normally settled within 30 days of invoice receipt.

(g) Economic Dependency

The National Office is economically dependent on the HSU East reporting unit of the organisation.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont)

(h) Revenue

Revenue from capitation fees is recognised upon invoicing the respective branches. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

(i) Impairment of Assets

At each reporting date, reporting unit reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value-in-use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the income statement. Where it is not possible to estimate the recoverable amount of an individual asset, reporting unit estimates the recoverable amount of the cash generating unit to which the asset belongs.

NOTE 2: INFORMATION TO BE PROVIDED TO MEMBERS OR GENERAL MANAGER

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of the members is drawn to the provisions of subsections (1), (2) and (3) of Section 272, which reads as follows:

- (1) A member of a Reporting Unit, or the General Manager, may apply to the Reporting Unit for specified prescribed information in relation to the Reporting Unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A Reporting Unit must comply with an application made under subsection (1).

NOTE 11: FINANCIAL INSTRUMENTS

(a) Significant accounting policies

Details of the significant account and methods adopted, including the criteria for recognition, the basis for measurement, and the basis on which income and expenses are recognised, with respect to each class of financial asset, financial liability, and equity instrument are disclosed in Note 1 to the financial statements.

(b) Categorisation of financial instruments

Financial assets	Note	Category	Carrying amount 2010	Carrying amount 2009
Cash and cash	4	N/A		
equivalents			105,410	251,276

Payables	7	Financial liabilities measured at amortised cost (excluding	771 220	026 207
		annual leave)	771,330	826,307

(c) Credit Risk

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. The reporting unit maximum exposure to credit risk at balance date in relation to each class of recognised financial asset is represented by the carrying amount of those assets as indicated in the balance sheet.

Financial assets that are either past due or impaired

Currently the division does not hold any collateral as security nor credit enhancements relating to any of its financial assets.

As at reporting date, there is no event to indicate that any of the financial assets are impaired.

There are no financial assets that have had their terms renegotiated so as to prevent them from being past due or impaired, and they are stated at the carrying amounts as indicated. The following table discloses the aging only of financial assets that are past due but not impaired.

(d) Liquidity Risk

Liquidity risk arises when the division is unable to meet its financial obligations as they fall due. The division operates under a policy of settling financial obligations within 30 days and in the event of a dispute, make payments within 30 days from the date of the resolution. It also continuously manages risk through monitoring future cash flows and maturities planning to ensure adequate holding of high quality liquid assets and dealing in highly liquid markets. The reporting unit' exposure to liquidity risk is deemed insignificant based on prior periods data and current assessment of risk. Maximum exposure to liquidity risk is the carrying amounts of financial liabilities.

(e) Market Risk

The reporting unit' exposure to market risk is primarily through interest rate risk and other price risks with no exposure to foreign currency or interest rate risk. Objectives, policies and procedures used to manage each of these risks are disclosed in the paragraphs below.

Interest rate risk

Exposure to interest rate risk might arise primarily through the division's cash and deposits. Minimisation of risk is achieved by mainly undertaking fixed rate or non-interest bearing financial instruments.

As the division does not hold any financial instruments at 30 June 2010, there is no exposure to interest rate risk or other price risks.

(f) Fair value

The fair values and net fair values of financial assets and financial liabilities are determined as follows:

- The fair value of financial assets and financial liabilities with standard terms and conditions and traded in active liquid markets are determined with reference to quoted market prices;
 and
- The fair value of other financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis.

The division considers that the carrying amount of financial assets and financial liabilities recorded in the financial report to be a fair approximation of their fair values.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HEALTH SERVICES UNION NATIONAL OFFICE

Scope

General purpose financial report

The general purpose financial report comprises the income statement, balance sheet, cash flow statement, notes to the financial statements and the National Executive's certificate of the Health Services Union National Office for the year ended 30 June 2010.

National Executive's responsibility

The National Executive of the reporting unit is responsible for the preparation and presentation of the financial report in accordance with the Fair Work (Registered Organisations) Act 2009. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect frauds and errors and for the accounting policies and accounting estimates inherent in the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of reporting unit. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatements. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, and the inherent limitation of internal controls and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with Australian Accounting Standards and other mandatory financial reporting requirements in Australia and the Fair Work (Registered Organisations) Act 2009, a view which is consistent with our understanding of reporting unit's financial position and of its performance as represented by the results of its operation and cash flows.

We formed our audit opinion on the basis of these procedures which include, examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report and assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the National Executive.

INDEPENDENT AUDITOR'S REPORT (cont) TO THE MEMBERS OF HEALTH SERVICES UNION NATIONAL OFFICE

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance of the internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Opinion

In our opinion the financial report presents fairly, in all material respects, the financial position of the HSU National Office as at 30 June 2010 and of its financial performance and cash flows for the year then ended in accordance with Australian Accounting Standards and the requirements of the Fair Work (Registered Organisations) Act 2009.
