Dear Mr Williamson

**Section 233 – Obligation to lodge information with Fair Work Australia
Annual Return of information for year 2009 – AR2009/368**

I refer to your declaration dated 23 March 2009 providing information in accordance with s233(1) of the *Fair Work (Registered Organisations) Act 2009*. The document was lodged on 2 April 2009.

I also refer to correspondence from our office dated 25 June and 5 November 2009 regarding information to the total number of members as at 31 December 2008 (see attached). The information provided in the declaration of the 2009 Annual Return stated:

“7. That the total number of members of the Branch as at 31 December 2007 was 36274;” (emphasis mine)

No correspondence has been received to date in response to our enquiries. Based on the assumption that the above italicised statement contained a typographical error that “2007” should read “2008”, the document lodged on 2 April 2009 covers the required information for the 2009 Annual Return. If this should not be the case you should immediately lodge a statement to correct this.

The 2009 Annual Return has been filed.

Yours sincerely

Dear Mr Williamson,

**Re: Health Services Union – New South Wales Branch
Annual Return of information contained in records kept by branch**

Although the document lodged covers the required information for the 2009 Annual Return of the branch, the annual return refers to the total number of members as at 31 December 2007. The 2009 annual return needs to include the number of members as at **31 December 2008**. Please refer to s230(1)(d) and reg. 147(f) and (g).

Could you please lodge this information as soon as possible.

Dear Mr Williamson,

I refer to our correspondence to you dated 25 June 2009 where Ms D'Angelo from our office requested that you provide the number of members of the NSW Branch of the HSU as at 31 December 2008.

At present, there is a lodged declaration dated 23 March 2008 (which should be 2009) and it states "*the total number of members of the Branch as at 31 December 2007 was 36,274*". Can you please organise a declaration providing the membership numbers for the correct period (as at 31 December 2008) in order for this annual return to be finalised.

A copy of your declaration has been attached for your convenience.
