Dear Ms Mercovich

Re: **Health Services Union – New South Wales Branch  
Annual Return of Information for 2013  
AR2013/248**

You have identified an error and inconsistency in our Annual Return of Information relating to the number of members of the Branch. The correct figure is as appears in our Declaration made in March, that is, 29,855.

The number that was declared in February was entered incorrectly and was a “slip of the fingers”. It should have read 29,855 not 29,585.

I have alerted staff in our Union’s National Office who assisted us with the preparation of our declarations.

Yours faithfully

Dear Mr Hayes,

**Annual Return of Information for 2013 [AR2013/248]**

I need some clarification about the Annual Return that you have lodged for the New South Wales Branch of the Health Services Union

As attached, the information was lodged with letter dated 5 February 2013 and then again with letter dated 28 March 2013.

At item 8 of the Declaration in February, the number of members is stated as: 29,585.

At item 8 of the Declaration in March, the number of members is stated as: 29,855.

All other information supplied in the documents is the same.

Please confirm which is the correct membership figure for the Branch as at 31 December 2012.

Yours sincerely
