Dear Mr Crumlin,

**Re: Annual Return of Information Contained In Records Kept By Organisation –
The Maritime Union of Australia
(AR2008/438)**

The Registry has received your declaration dated 25 February 2009 providing information in accordance with s. 233 of Schedule 1 of the *Workplace Relations Act 1996* (the RAO Schedule). The document was lodged in the Industrial Registry on 26 February 2009. The Registry notes the lateness of the document lodged. You are reminded the Annual Return was required to be lodged before 31st March 2008 pursuant to regulation 149 of the Workplace Relations (Registration and Accountability of Organisations) Regulations 2003 (the Regulations).

The document lodged includes the following information:

- A declaration that the register of members was maintained and all enclosed information correct as required by s. 230 of the RAO Schedule.
- Number of members as at 31 December 2007.
- List of offices and addresses of the organisation. (Please note for future reference the list should be as at 31 December 2007 as opposed to 1 January 2008 as stated in Annexure C).
- List of office holders and addresses. (Please note for future reference the list should be as at 31 December 2007 as opposed to 1 January 2008 as stated in Annexure A and B).

The Registry notes the document lodged states that elections were held in 2007 for certain positions set out in Annexure D of the document. However, the document lodged does not include a statement declaring whether any elections must be held according to your organisation's rules for offices during the year commencing 1 January 2008 as opposed to elections which have occurred in the previous year (2007) which you have included. Such a statement is required under subsection 233(b) of the RAO Schedule and regulation 147(e) of the Regulations. Please make a note of this for future annual returns which are lodged with the Registry.

The lodged documents have been filed.

If you have any queries please do not hesitate to contact me on 8374 6509.

Yours sincerely
