NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007

1.. CORPORATE INFORMATION

The financial report of The Maritime Union of Australia and its Subsidiary Company for the year ended 30 June 2007 was authorised for issue in accordance with a resolution of the National Council (Committee of Management) on **9 October 2007**.

The financial report covers The Maritime Union of Australia as an individual chief entity and The Maritime Union of Australia and its subsidiary company as an economic entity. The Maritime Union of Australia is a trade union registered and domiciled in Australia.

2. STATEMENT OF ACCOUNTING POLICIES

a) Basis of Accounting

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and the RAO Schedule of the Workplace Relations Act, 1996.

The financial statements have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are shown in Australian dollars.

b) Statement of Compliance

The financial report complies with Australian Accounting Standards, which include Australian equivalents to International Financial Reporting Standards ('AIFRS'). Compliance with AIFRS ensures that the financial report, comprising the financial statement and notes thereto, complies with International Financial Reporting Standards ('IFRS').

c) Principles of Consolidation

The Consolidated accounts comprise the accounts of the Maritime Union of Australia, being the Chief Entity, and it's controlled entity. The controlled entity is MUA HTS Pty Ltd and surplus/deficit of the controlled entity is included in the Consolidated income and expenditure from the date control was obtaine

Transactions and balances between the controlled entity and the economic entity have been eliminated in full. MUA HTS Ptv Ltd is wholly owned by the Maritime Union of Australia and is incorporated in NSW.

d) Income Tax

No provision for income tax is necessary as "Trade Unions" are exempt from income tax under SS 50-15 c the Income Tax Assessment Act 1997.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007

2. STATEMENT OF ACCOUNTING POLICIES Cont'd

e) Information to be provided to Members or the Industrial Registrar

In accordance with the requirements of the Workplace Relations Act, 1996 the attention of members is drawn to the following sub sections of Section 272 of the RAO Schedule which read as follows:

- 1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- 2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- 3) A reporting unit must comply with an application made under subsection (1).

f) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Property

Freehold land and buildings are shown at their fair value (being the amount for which the asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic valuation by external independent valuers, less subsequent depreciation for buildings.

Plant and equipment

Plant and equipment is measured on the cost basis. The carrying amount of plant and equipment is reviewed annually by officials to ensure it is not in excess of the recoverable amount from those assets.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land and buildings held at fair value, is depreciated on a straight line basis over their estimated useful lives to the economic entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of assets are:

Class of fixed asset	Depreciation rate
Buildings at cost	2%
Plant and equipment	5-10%
Office Equipment	20-33%
Office Furniture	10%
Motor Vehicle	20%

g) Investments

The entity values its investment in listed shares and managed funds based on observable market prices. Investment in unlisted shares are carried at cost.

At each reporting date the entity assesses if there has been any impairment in relation to its investment. The carrying amount of investment is reviewed annually by officials to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value of shares in listed companies or underlying net assets for other listed corporations.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2007

2. STATEMENT OF ACCOUNTING POLICIES Cont'd

h) Foreign Currency Transactions and Balances

Foreign currency transactions during the year are converted to Australian currency at the rate of exchange applicable at the date of the transactions. Amounts receivable and payable in foreign currencies at reporting date are converted at the prevailing rates as at reporting date.

The gains and losses from conversion of assets and liabilities, whether realised or unrealised, are included in the surplus from ordinary activities as they arise.

i) Employee Benefits

Provision is made for the Union's liability for employee benefits arising from services rendered by the employees up to the reporting date. Employee benefits that are expected to be settled within one year with benefits arising from wages and salaries, annual leave plus related on-cost are measured at the amounts expected to be paid when the liability is settled. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash flow to be made for

Contributions made by the economic entity to an employee superannuation fund are charged as expenses when incurred.

j) Accrued expenditure

Accruals are recognised when there is a definitive commitment and where an obligation for the Union has arisen. Usually the Union accrues for the international conferences, election expenses, legal fees, and any other payable for which the Union has an estimate. Estimates are based on past year trends and current factors which may have an impact on the Union's obligations. During the current financial year the Union accrued for legal costs, union elections, international and national conferences.

k) Cash

For the purposes of the statement of cash flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net of bank overdrafts.

I) Revenue

Revenue from member contributions is recognised on an accrual basis. These comprise of actual contributions received during the year and contributions due at reporting date.

All revenue is stated net of the amount of goods and services tax (GST).

m) Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the Income Statement on a straight-line basis over the period of the lease.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the leased term.

9. Property, plant and equipment cont'd

(c) Property

The Union's land and buildings were revalued to their recoverable amounts at 30 June 2007 by Mr K.R. Gentle FAPI, Mr M.W. Evans AAPI, Mr Gavin Chapman AAPI, and Mr Bill Linkson AAPI, MBA, Registered Valuers. Buildings are depreciated on a straight line basis over their estimated potential service period.

(d) Revaluation of non-current assets

Land and buildings are periodically revalued. Independent assessments are obtained of the fair market values of land and buildings on existing use and such assessments are used as a guide when revaluations are made. Revaluation increments and decrements are credited or charged to the Income Statement, pursuant to Workplace Relations Regulations 2003 and the Workplace Relations Act, 1996.

Building improvements since the date of revaluation are booked at cost.

Net Fair Values

The net fair values of listed investments have been value at the quoted market bid price at reporting date adjusted for transaction costs expected to be incurred. For other assets and other liabilities net fair value approximates their carrying value. No financial assets where the carrying amount exceeds net fair values have been written down as the principal intends to hold these assets to maturity.

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed as financial liabilities in the Statement of Financial Position and in the Notes to the Financial Statements.

COMMITTEE OF MANAGEMENT STATEMENT FOR THE YEAR ENDED 30 JUNE 2007

In accordance with the resolution of the National Council, we state that in the opinion of the Council:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the Industrial Registrar;
- (c) the accompanying financial statements and notes are drawn up so as to give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year ended 30 June 2007;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) During the financial year to which the financial report relates and since the end of the year:
 - (i) meetings of the National council were held in accordance with the rules of the organisation; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RAO schedule and the RAO Regulations; and
 - (iv) to the knowledge and belief of the National Council, during the financial year to which the financial report relate, there have been no instances where records of the organisation or other documents or copies of those records or other documents, have not been furnished, or made available to members of the organisation or the Registrar in accordance with section 272 of the RAO schedule; and
 - (v) the organisation has kept its records, as far as practicable, in a consistent manner.
 - (vi) with regard to funds of the organisation raised by the compulsory levies or voluntary contributions from members, or funds other than the General Fund operated in accordance with the rules, no payments were made out of any such fund for purposes other than those for which the fund was operated.

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF

THE MARITIME UNION OF AUSTRALIA AND ITS SUBSIDIARY COMPANY ABN 93 047 659 794

Scope

We have audited the financial report of The Maritime Union of Australia for the financial year ended 30 June 2007 comprising the statement of financial position, statement of financial performance, statement of cash flows and accompanying notes to the financial statements. The financial report includes the consolidated accounts of the economic entity comprising the Maritime Union of Australia and MUA HTS Pty Ltd, an entity it controlled during the year. The National Council (Committee of Management) is responsible for the preparation and presentation of the financial report. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the organisation.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with Australian Accounting Standards and the Workplace Relations Act, 1996 so as to present a view which is consistent with our understanding of the union's and the economic entity's financial position and the results of their operations and their cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the general purpose financial report of The Maritime Union of Australia:

- (a) gives a true and fair view of the Union's and economic entity's financial position as at 30 June 2007 and of their performance for the year ended on that date;
- (b) complies with Accounting Standards in Australia and the Workplace Relations Act 1996, RAO Schedule; and
- (c) other mandatory professional reporting requirements.

Dear Mr Giddins

Lodgment of Outstanding Financial Statements and Accounts – Schedule 1 of the Workplace Relations Act 1996 (RAO Schedule) for years ended 30 June 2007 (FR2007/275), 30 June 2008 (FR2008/505)

I refer to the abovementioned outstanding financial documents. The 2007 return is now eighteen months overdue. The records show that the response by the organization to several requests for advice on the expected date of lodgment has been very poor. I note, for example, that in a telephone call on 22 August 2008 you indicated to Ms Belinda Penna from the Registry that you thought the return might be able to be lodged within the next few weeks following. However there has been no formal advice received since then in relation to these documents.

The 2008 return is six months overdue. Mr David Vale of this office informs me that in a telephone call on 27 May 2009 he was advised by Mr Chris Ryan that the returns would be lodged by early June. However there is no record of lodgment and Mr Vale informs me that he has not yet received responses to his calls for progress advice which he made on 11 June and 16 June.

In the absence of formal advice from the organization the Registry is at a loss to understand why the returns have not yet been lodged. The significant delay, particularly where the 2007 return is concerned, exposes the organization to risk of penalties under s305 of the RAO Schedule should the Registry consider it appropriate to consider the relevant steps.

The Registry considers that the delay and the lack of adequate advice is serious and that the situation cannot continue indefinitely. Under the circumstances I would respectfully request that if the abovementioned financial statements and accounts have been audited, distributed and presented, they should be lodged in the Registry without further delay, or, if they are not able to be lodged, that you advise the Registry in writing no later than Tuesday 30 June 2008, why they are not ready to be lodged and why they have taken so long in preparation.

You should, in the latter case, in particular advise:

- whether Committee of Management statements and Operating Reports have been prepared; and if not, when you anticipate doing so;
- whether the auditor has audited the general purpose financial reports and, if so, the date upon which the auditor signed the audit reports; or if not, when you anticipate the auditor doing so.

- whether (and, if so, when) members have been provided with the full reports made up of the general purpose financial reports (including the Committee of Management statements), the auditor's reports and the operating reports; or if not, when you anticipate doing so,
- if they have been provided to members, whether the full reports have also been presented to a general meeting or committee of management meeting and, if so, when; and if not, when you anticipate doing so; and
- when you anticipate lodging a copy of both full reports with the Industrial Registry.

You may lodge documents electronically by sending an email with the documents attached to orgs@airc.gov.au. Alternatively, you may wish to send the documents by fax to (02) 9380 6990

Yours sincerely,

fer SK.

Dear Mr Crumlin

Lodgment of Financial Statements and Accounts -Schedule 1 of the Workplace Relations Act 1996 (RAO Schedule) for year ended 30 June 2007 (FR2007/275)

I am writing in relation to the abovementioned financial documents which remain significantly outstanding. They were originally due on 14 January 2008. Since then, the Registry has made numerous attempts to elicit an indication from the organisation as to when the documents might be expected. To date however there has been no or inadequate response.

In order to avoid exposure to a civil (pecuniary) penalty, you are required to lodge the following documents without further delay:

- A general purpose financial report (see section 253(2)(a) of the RAO Schedule);
- A Committee of Management statement (see the Registrar's Guidelines);
- An operating report (see section 254(2));
- An auditor's report (see sections 257(5) to 257(11)); and
- A certificate of the secretary or other authorised officer (see section 268)).

If you are not in a position to lodge the outstanding documents immediately, I request that you advise in writing by 3 February 2009:

- whether a Committee of Management statement and Operating Report have been prepared; and if not, when you anticipate doing so;
- whether the auditor has audited the general purpose financial report and, if so, the date upon which the auditor signed the audit report; or if not, when you anticipate the auditor doing so.
- whether (and, if so, when) members have been provided with the full report made up of the general purpose financial report (including the Committee of Management statement), the auditor's report and the operating report; or if not, when you anticipate doing so,

- if it has been provided to members, whether the full report has also been presented to a general meeting or committee of management meeting and, if so, when; and if not, when you anticipate doing so; and
- when you anticipate lodging a copy of the full report with the Industrial Registry.

I draw your attention to the civil penalty provisions of the RAO Schedule (see section 305(2)(ze)) which allow the Federal Court to impose a pecuniary penalty upon a person or organisation where the requirements of section 268 have not been met. You should also be aware of the provisions of Part 1 of Chapter 9 of the RAO Schedule which set out general duties of officers and employees of organisations and their branches in relation to financial management.

The Registry strongly encourages you to lodge documents electronically by sending an email with the documents attached to orgs@airc.gov.au. Alternatively, you may wish to send the documents by fax to (02) 9380 6990

Yours sincerely,

Outstanding 2008 Annual Return (AR2008/438)

I refer to the previous correspondence from the Registry in relation to the outstanding Financial Return for the year ending 30 June 2007, and the outstanding Annual Return of information for 2008.

I note that officers of the Registry have initiated contact with your organisation on a number of occasions concerning these returns. Both these returns are now significantly overdue.

Would you please advise me in writing by **Friday 12th December 2008** when you anticipate that these returns will be lodged in the Registry.

Dear Mr Giddins,

Could you please advise if there has been any progress towards the lodgement of these overdue documents? I have been trying to call you to discuss this, but unfortunately I keep calling at the wrong times. I also emailed you again on 5 November 2008 but I have received no response to that email.

Any advice will be appreciated. The Deputy Industrial Registrar is keen to have this matter finalised given that the 2008 documents will be due to be lodged shortly.

Dear Mr Crumlin

Re: The Maritime Union of Australia
Outstanding Financial Documents - Workplace Relations Act 1996

The Accounts and Audit Part of Schedule 1 of the *Workplace Relations Act 1996* requires, as a general rule, that the audited financial statements of a reporting unit of a registered organisation, be lodged in the Industrial Registry within 6 months and 14 days from the end of its financial year.

To date, the Registry has no record of lodgement of the financial reports of the above named reporting unit for the year ended 30 June, 2007. For details of these provisions and organisations' financial reporting obligations please refer to the Registry's earlier correspondence.

In particular there is no record of lodgement of copies of:

- the general purpose financial report;
- the auditor's report; or
- the operating report.

These three reports are referred to as the "full report".

Section 268 of the RAO Schedule¹ requires that a copy of the full report be lodged in the Registry within 14 days (or such longer period a Registrar allows) after the full report is presented to a general meeting of members (or to a committee of management meeting if the rules make provision consistent with s266(3)).

Section 266 (1) requires that the full report be presented to the meeting within 6 months of the end of the financial year. Therefore, lodgement of the documents in the Registry was required by **14 January**, **2008**.

Section 305(2)(ze) of the RAO Schedule is a civil penalty provision. It provides that a failure to meet the requirements of s268 is a contravention of that civil penalty provision. The Federal Court may on application of the Industrial Registrar impose a pecuniary penalty on the person or organisation whose conduct contravened the civil penalty provision.

I also draw your attention to the provisions of Part 1 of Chapter 9 of the RAO Schedule which set out the general duties of officers and employees of organisations and their branches in relation to financial management.

In the absence of lodgement of a copy of the full report, I request you state in writing by 11 February, 2008:

- whether the auditor has audited the general purpose financial report and if so, the date on which the auditor signed the audit report
- whether the committee of management has prepared the operating report

CMS AIR

¹ Schedule 1 of the Workplace Relations Act 1996

- whether the full report has been provided to members, and if so, when
- whether the full report provided to the members has been presented to a general or committee of management meeting, and if so, when
- when a copy of the full report will be lodged in the Industrial Registry.

The full report when lodged must be accompanied by a certificate of the secretary or other authorised officer that the documents lodged are copies of the documents provided to members and presented to the general or committee of management meeting in accordance with s266.

If you wish to discuss this letter, please contact me on (02) 8374 6618. In reply please quote: **FR2007/275.**

Dear Mr Crumlin -

Financial Return - year ending 30 June, 2007

Our records show the organisation's financial year ended recently. This letter outlines some of the things you must do to meet your financial reporting obligations and when you have to do them. For simplicity, we will call the documents you have to lodge with us your *financial return*.

This letter is intended as guide to the law applicable on the date of this letter, and should not be used as a substitute for legal or accounting advice. We only summarise some of the reporting requirements in this letter. More detailed information is at the end of this letter.

Information on AIRC Website

We recommend you and your accountant/auditor also refer to the following documents on the Commission's website at www.airc.gov.au:

- RAO Schedule
- RAO Regulations
- Registrar's Reporting Guidelines All GPFR's must comply with these Guidelines. Please note
 that the Guidelines set out requirements that are in addition to those required by the Australian
 Accounting Standards.
- RAO Fact Sheets These Fact Sheets explain the requirements of the RAO Schedule many of them deal with financial reporting matters.

Reporting Unit

Under the provisions of the Registration and Accountability of Organisations Schedule (RAO), Schedule 1 of the *Workplace Relations Act 1996*, reporting entities are known as "reporting units". Where an organisation is **not** divided into branches the reporting unit is the whole of the organisation. Where an organisation **is** divided into branches each branch will be a reporting unit unless the Industrial Registrar has determined a division of the organisation into reporting units on an alternative basis. We can discuss this with you if you need more information.

For simplicity, we will use the term "reporting unit" in this letter.

Industrial-Registrar's Guidelines

The-Industrial_Registrar's_reporting_guidelines_set_out_certain_disclosure_requirements_in_addition_to_those prescribed by Australian Accounting Standards having in mind the nature of organisations registered under the Workplace Relations Act.

The disclosure requirements prescribed by the reporting guidelines are directed towards providing members of the reporting unit with information to enable them to gauge the performance of the committee of management and other holders of office in relation to the financial management of the reporting unit. In addition, the reporting guidelines seek to improve the quality of information available to users of the financial report about the reporting unit's economic support of, or economic dependency on, other reporting units of the organisation.

Timeline Planner and Checklist

We have attached a <u>Timeline/Planner</u> (*Attachment A*) to help you **plan** your financial return and carry out all the necessary steps. We have also attached a <u>Document Checklist</u> (*Attachment B*) to **check** your documents before lodging them in the Registry. Both documents are abbreviated summaries of the relevant provisions of the RAO Schedule, RAO Regulations and the Industrial Registrar's Reporting Guidelines.

In the following section we describe some of the documents your reporting unit must prepare and the sequence of their preparation and completion.

Three Reports

Your reporting unit must prepare two reports <u>as soon as practicable</u> after its financial year, which, together with the Auditor's Report, comprise the reporting unit's financial return.

- 1. **General Purpose Financial Report** this must comply with the Australian Accounting Standards and the Industrial Registrar's Reporting Guidelines. The GPFR consists of:
 - (a) Financial Statements containing:
 - a profit and loss statement, or other operating statement; and
 - a balance sheet; and
 - · a statement of cash flows; and
 - any other statements required by the Australian Accounting Standards;
 and
 - (b) Notes to the Financial Statements containing:
 - notes required by the Australian Accounting Standards; and
 - information required by the Industrial Registrar's Reporting Guidelines under section 255 including disclosures related to any recovery of wages activity; and
 - (c) Committee of Management Statement as required by the Registrar's Reporting Guidelines (a sample certificate for illustrative purposes is at Attachment C) including declarations related to the recovery of wages activity.
- 2. **Operating Report** this report includes a review of your <u>reporting unit's</u> principal activities for the year and other specified information.

Your reporting unit must appoint an auditor to audit the GPFR and to provide:

3. an Auditor's Report.

First Meeting (Committee of Management)

For simplicity, we will call the meeting at which the committee of management first considers the GPFR the first meeting. At the first meeting your committee, if satisfied that all is in order, will resolve to express its opinion-on-the-GPFR-and-complete-a-Committee-of-Management-Statement.

The Auditor

After the first meeting, the auditor takes the GPFR and the Committee of Management Statement and prepares a report on the GPFR. In practice, your auditor may have already completed most of his or her examination of your accounts. The auditor may only be waiting on the Committee to pass the required resolution and make the Statement before signing the report the same day.

Informing Your Members

Your reporting unit must provide free of charge to the general membership, copies of the GPFR, the Operating Report and the Auditor's Report. RAO calls these the "full report". Under certain circumstances, your reporting unit can provide a more limited *concise report*.

The reporting unit can meet its obligation to provide copies of the full or concise report to members by publishing the report in a journal that is available to the members free of charge.

A reporting unit may meet this obligation in whole or in part by publication of the report in a journal published on a web site on the Internet dependent on:

a. the extent of the accessibility of the members of the reporting unit to the Internet; and

b. that the members are notified by the reporting unit in the usual manner in which it communicates with its members that the report has been so published at a specified Internet address.

The report must be provided within 5 or 6 months from the end of the financial year, depending on the internal arrangements of the organisation for the presentation of its financial reports.

The Second Meeting - if it is a General Meeting of Members

After providing the full report to members it must be presented to a general meeting of members. For simplicity this is referred to as the *second meeting*.

Your reporting unit must always allow a minimum of 21 days for members to receive the full report before presenting it to a general meeting of members (s265(5)). The purpose of the interval is to enable the members to have time to consider the report and, if they wish, to attend the second meeting to discuss it.

If the rules of the organisation permit a general meeting to be a series of meetings held at different locations, the full report may be presented to such a series of meetings. In this case the 'date' of the general meeting is taken to be the date of the last meeting in the series (see s266(2)).

The Second Meeting - if it is a Committee of Management Meeting

If the rules of your organisation contain a provision that allows up to 5% of members to demand a general meeting to be held consider the report (see s266(3)), it is permissible to present the report directly to a Committee of Management meeting.

Lodge full report within 14 days of meeting

You must lodge a copy of the full report and any concise report in the Industrial Registry within 14 days of the second meeting. For your convenience you are encouraged to lodge the material electronically (see eFiling Tab at www.airc.gov.au).

The Secretary (or another officer appropriately authorised under the rules of the organisation) must *certify* that the full report is a copy of the one provided to members <u>and</u> presented to the second meeting and provide the date of the meeting (a sample certification for illustrative purposes is at *Attachment D*).

When we receive your return we will check that it includes the information you must provide your members and that you have provided it to them correctly.

CMS AIR 3 of 4 DOC020A, DOC

Complying with time limits

<u>-This-letter-has-outlined-some of the steps-in-preparing-and-lodging-your-return. Many of the steps must be</u> completed within fixed time limits.

Failure to complete them in time could make your reporting unit or its officers liable to financial or "civil penalties".

Extensions of Time

We appreciate that sometimes circumstances beyond your reporting unit's control may delay completion of a financial return. If you believe your reporting unit is going to be unable to meet a time limit tell us as soon as you know. We can advise you if the step is one for which you may apply under RAO to the Industrial Registrar for extra time to complete. The maximum extra time allowed can be no more than one month.

Contact the Registry

We encourage you to contact the Registry on (02) 8374 6618 or by e-mail at belinda.penna@air.gov.au as early as possible if you believe preparation or lodgment of your return will be delayed or if you have any queries. We can offer you advice on procedures but we cannot give you legal or accounting advice.

Yours sincerely
