NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2009

**1. CORPORATE INFORMATION**

The financial report of The Maritime Union of Australia and its Subsidiary Company for the year ended 30 June 2009 was authorised for issue in accordance with a resolution of the National Council (Committee of Management) on 2 November 2009.

The financial report covers The Maritime Union of Australia as an individual chief entity and its subsidiary company as an economic entity. The Maritime Union of Australia is a trade union registered and domiciled in Australia.

**2. STANDARDS AND INTERPRETATIONS ISSUED NOT YET EFFECTIVE**

Certain Australian Accounting Standards and Interpretations have recently been issued or amended but are not yet effective and have not been adopted by the Union for the annual reporting period ended 30 June 2009. The National Council have not early adopted any of these new or amended standards or interpretations. The directors have not yet fully assessed the impact of these new or amended standards (to the extent relevant to the Union) and interpretations.

Initial application of AASB 101 Presentation of Financial Statements effective for annual reporting periods beginning on or after 1 January 2009 will not affect any of the amounts recognised in the financial report, but will change the disclosures presently made in relation to the Union and its financial report. The initial application of AASB 123 and AASB 2007-10 Further Amendments to Australian Accounting Standards arising from AASB 101 effective for annual reporting periods beginning on or after 1 January 2009 are not expected to have any material impact on the financial report of the Union.

**a) Statement of compliance**

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the *Corporations Act 2001* and the RAO Schedule of the Workplace Relations Act, 1996.

**b) Basis of preparation**

The financial statements have been prepared on the historical cost basis except for the revaluation of certain non-current assets and financial instruments. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The principal accounting policies are set out below.

**c) Basis of Consolidation**

The consolidated financial statements incorporate the financial statements of the Union and its controlled entity (MUA HTS Pty Limited). Control is achieved where the Union has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

All intra-group transactions, balances, income and expenses are eliminated in full on consolidation.

**d) Income Tax**

No provision for income tax is necessary as "Trade Unions" are exempt from income tax under SS 50-15 of the Income Tax Assessment Act 1997.

**e) GST**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item or expense.

Receivables and payables in the Balance Sheet are shown inclusive of GST.

2. STATEMENT OF ACCOUNTING POLICIES Cont'd

e) GST

Cash flows are presented in the Cashflow Statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

f) Information to be provided to Members or the Industrial Registrar

In accordance with the requirements of the Workplace Relations Act, 1996 the attention of members is drawn to the following sub sections of Section 272 of the RAO Schedule which read as follows:

- 1) A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- 2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- 3) A reporting unit must comply with an application made under subsection (1).

g) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

**Property**

Freehold land and buildings are shown at their fair value (being the amount for which the asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic valuations by external independent valuers, less subsequent depreciation for buildings.

**Plant and equipment**

Plant and equipment is measured on the cost basis. The carrying amount of plant and equipment is reviewed annually by officials to ensure it is not in excess of the recoverable amount from those assets.

**Depreciation**

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their estimated useful lives to the Union commencing from the time the asset is held ready for use.

The depreciation rates used for each class of assets are:

Class of fixed asset	Depreciation rate
Buildings at cost	0-2%
Plant and equipment	5-10%
Office Equipment	20-33%
Office Furniture	10%
Motor Vehicle	20%

Asset classes carrying amount is written down immediately to its recoverable amount if the assets carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

2. STATEMENT OF ACCOUNTING POLICIES Cont'd

h) Investments

The entity values its investment in listed shares and managed funds based on observable market prices. Investment in unlisted shares are carried at cost.

At each reporting date the entity assesses if there has been any impairment in relation to its investment. The carrying amount of investment is reviewed annually by officials to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value of shares in listed companies or underlying net assets for other listed corporations.

i) Employee Benefits

Provision is made for the Union's liability for employee benefits arising from services rendered by the employees up to the reporting date. Employee benefits that are expected to be settled within one year with benefits arising from wages and salaries, annual leave plus related on-cost are measured at the amounts expected to be paid when the liability is settled. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash flow to be made for those benefits.

Contributions made by the Union to an employee superannuation fund are charged as expenses when incurred.

j) Accrued expenditure

Accruals are recognised when there is a definitive commitment and where an obligation for the Union has arisen. Usually the Union accrues for the international conferences, election expenses, legal fees, and any other payable for which the Union has an estimate. Estimates are based on past year trends and current factors which may have an impact on the Union's obligations. During the current financial year the Union accrued for union elections, international and national conferences.

k) Cash & Cash equivalents

For the purposes of the statement of cash flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net of bank overdrafts.

l) Revenue

Revenue from member contributions is recognised on an accrual basis. These comprise of actual contributions received during the year and contributions due at reporting date.

Donations are recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the balance sheet.

All revenue is stated net of the amount of goods and services tax (GST).

m) Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the Income Statement on a straight-line basis over the period of the lease. Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the leased term.

n) Impairment of Assets

At each reporting date, the entity reviews the carrying value of its tangible and intangible assets to determine where there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Income Statement.

o) Critical accounting judgements and key sources of estimation uncertainty

There were no critical judgements in the process of applying the Union's accounting policies. There are no significant key assumptions concerning the future, and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

We have audited the financial report of The Maritime Union of Australia for the financial year ended 30 June 2009 comprising the balance sheet, income statement, statement of changes to members equity, statement of cash flows, a summary of significant accounting policies and other explanatory notes and the committee of managers statement. The financial report includes the consolidated accounts of the economic entity comprising the Maritime Union of Australia and MUA HTS Pty Ltd, an entity it controlled during the year. The National Council (Committee of Management) is responsible for the preparation and presentation of the financial report. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the organisation.

The directors of the union are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Audit Opinion**

In our opinion, the general purpose financial report of The Maritime Union of Australia:

- (a) gives a true and fair view of the Union's and economic entity's financial position as at 30 June 2008 and of their performance for the year ended on that date;
- (b) complies with Accounting Standards in Australia (including the Australian Accounting Interpretations), the Corporations Regulations 2001 and the Workplace Relations Act 1996, RAO Schedule; and
- (c) other mandatory professional reporting requirements.

Fair Work  
Australia

Dear Mr Crumlin

**Lodgment of Financial Statements and Accounts –  
Maritime Union of Australia - for year ended 30 June 2009 (FR2009/227)**

The abovementioned return is outstanding and is now due. I am writing therefore to remind you of the obligation to prepare and lodge a return in accordance with the provisions of Chapter 8, Part 3 of the *Fair Work (Registered Organisations) Act 2009* or to advise in writing any circumstances preventing its lodgment at this time.

The documents you must lodge include: (i) A general purpose financial report [see section 253(2)]; (ii) A Committee of Management statement (see the General Manager's Reporting Guidelines); (iii) An operating report [see section 254(2)]; (iv) An auditor's report [see sections 257(5) to 257(11)]; and (v) A certificate of the *secretary or other designated officer* [see section 268(c)].

I draw your particular attention to

- (a) s237 which requires you to prepare and lodge a separate statement providing the prescribed particulars of any loan, grant or donation made during the year which exceeds \$1,000;
- (b) s265(5) which requires you to publish or otherwise provide your members with completed/signed copies of the audited accounts, report and statements before final presentation and lodgment; and
- (c) s266 which requires you to present the completed documents to an eligible meeting(s) (either of the members or of the committee, whichever applies). Note that this meeting (or series of meetings) is distinct from any initial committee meeting convened to prepare, sign or otherwise approve pre-audited documents.

You may lodge documents electronically by sending an email with the documents attached to [riasydney@fwa.gov.au](mailto:riasydney@fwa.gov.au). Alternatively, you may wish to send the documents by fax to (02) 9380 6990.

Yours sincerely,

Stephen Kellett
